Title of Collection: Office of State Support Progress Check Quarterly Protocol.

OMB Control Number: 1810–NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 53.

Total Estimated Number of Annual Burden Hours: 636.

Abstract: The Office of State Support (OSS) administers Title I, Sections 1001–1004 (School Improvement); Title I, Part A (Improving Basic Programs Operated by Local Educational Agencies); Title I, Part B (Enhanced Assessments Grants (EAG), and Grants for State Assessments and Related Activities); Title II, Part A (Supporting Effective Instruction); Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement); and School Improvement Grants (SIG). Quarterly progress checks, phone or in-person conversations every three months of a fiscal year with State directors and coordinators, help ensure that State Educational Agencies (SEAs) are making progress toward increasing student achievement and improving the quality of instruction for all students through regular conversations about the quality of SEA implementation of OSS administered programs. The information shared with the OSS helps inform the selection and delivery of technical assistance to SEAs and aligns structures, processes, and routines so the OSS can

regularly monitor the connection between grant administration and intended outcomes. Progress checks also allow the OSS to proactively engage with SEAs to identify any issues ahead of formal monitoring visits, decreasing the need for enforcement actions and minimizing burden for SEAs. ED will collect this data from the 53 grantees that receive the grants listed above to inform its review of grantee implementation, outcomes, oversight, and accountability. In order to allow for a comprehensive program review of OSS grantees, we are requesting a three-year clearance with this form.
