SUPPLEMENTARY INFORMATION:

Background and Discussion of Extension of Application Deadline

RBS published a Notice on May 22, 2017 in Vol. 82, No. 97 (82 FR 23176)

of the *Federal Register* with an application deadline of July 24, 2017. Subsequently, the Agency received multiple inquiries in regard to the definition of Consortium included in the Notice. RBS is extending the deadline to clarify the requirement in the Notice that Consortium members be located in the Delta Region.

The term 'Consortium' is defined on page 23177 of the Notice published on May 22, 2017 in Vol. 82, No. 97 (82 FR 23176) as "a group of three or more entities that are regional Institutions of Higher Education, Academic Health and Research Institutes, and/or Economic Development Entities located in the Delta Region that have at least 1 year of prior experience in addressing the health care issues in the region. At least one of the consortium members must be legally organized as an incorporated organization or other legal entity and have legal authority to contract with the Federal Government."

However, there were a number of potential applicants that requested further clarification on the requirement that Consortium members be located in the Delta Region. Specifically, if an organization has contractors working in the Delta Region, but the organization does not have a physical address and/or headquarters located in the Delta Region, would the organization be considered an eligible Consortium member.

Consortium members must have a physical address and/or headquarters located in the Delta Region to be eligible to apply for the Delta Health Care Services grant program. Delta Region means the 252 counties and parishes within the states of Alabama, Arkansas, Illinois, Kentucky, Louisiana, Mississippi, Missouri, and Tennessee that are served by the Delta Regional Authority

To ensure that all applicants are treated fairly, applicants who submitted an application in accordance with the original deadline may revise and resubmit their applications as necessary. Applicants who wish to revise their applications must resubmit their application by October 10, 2017.

Chad Parker,

Acting Administrator, Rural Business-Cooperative Service.

Title: 7 CFR part 1724, Electric Engineering, Architectural Services and Design Policies and Procedures.

OMB Control Number: 0572-0118.

Type of Request: Extension of a currently approved collection.

Standardization of forms by the Agency results in substantial savings to Borrowers. If standard forms were not used, borrowers would be required to prepare documents and the government would require extensively and costly review by both the Agency and the Office of General Counsel. The contract forms included in this collection of

information are RUS Form 211, "Engineering Service Contract for the Design and Construction of a Generating Plant," RUS Form 220, "Architectural Services Contract," and RUS Form 236, Engineering Service Contract, "Electric System Design and Construction."

Estimated Number of Respondents: 59.

Estimated Number of Responses per Respondent: 1.
