

June 1999 to February 2005, and since January 2010, as the third Federal Co-Chair. I thank the Indian Health Service (IHS) and ANTHC for executing a unique personnel assignment of detailing me from the IHS to ANTHC and then to the Commission in the early years of the agency. I have had the pleasure of working with most, but not all, of the Commissioners since 1999. Their role is not easy, but they are essential in guiding the agency in deploying critical Federal resources to the highest needs found in rural Alaska. As this is the last work plan I will have the pleasure of navigating through the statutorily outlined approval process, I want to publically acknowledge and thank all of the former and current Commissioners.
