

RULE 13 CANCELLATION,
SUSPENSION, AND
REINSTATEMENT
RULE 14 LIABILITY OF DIRECTORS
AND EXCHANGE

The Exchange proposes to establish this framework in order to facilitate the amendment and re-publication of its new rule book in advance of the re-launch of trading operations on the Exchange. The Exchange intends to file separate proposed rules changes for the substantive areas identified in its new rule book, as well as the related price list.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),⁹ in general, and furthers the objectives of Section 6(b)(5),¹⁰ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that the proposed rules would remove impediments to and perfect the mechanism of a free and open market because the proposed rule set establishing a rule numbering framework would promote transparency in Exchange rules by using consistent rule numbers with the equities market of NYSE Arca, which is the first market that migrated to the Pillar trading platform. The Exchange believes that using a common framework of rule numbers for the equity markets that operate on the Pillar trading platform will better allow members, regulators, and the public to navigate the Exchange's rulebook and better understand how equity trading is conducted on the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issue but rather to adopt a new rule numbering framework to support the Exchange's amendment and re-publication of its

rule book that in turn will support the re-launch of its trading platform. The Exchange believes that the proposed rule change would promote consistency and transparency on both the Exchange and its affiliate NYSE Arca, thus making the Exchange's rules easier to navigate.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹¹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
