The grant may be terminated if arrangements are not approved in advance by SJI.

G. Withdrawal of/Change in Project Director

If the project director relinquishes or expects to relinquish active direction of the project, SJI must be notified immediately. In such cases, if the grantee/sub-grantee wishes to terminate the project, SJI will forward procedural instructions upon notification of such intent. If the grantee wishes to continue the project under the direction of another individual, a statement of the candidate's qualifications should be sent to SJI for review and approval. The grant may be terminated if the qualifications of the proposed individual are not approved in advance by SJI.

H. Transferring or Contracting Out of Grant-Supported Activities

No principal activity of a grant-supported project may be transferred or contracted out to another organization without specific prior approval by SJI. All such arrangements must be formalized in a contract or other written agreement between the parties involved. Copies of the proposed contract or agreement must be submitted for prior approval of SJI at the earliest possible time. The contract or agreement must state, at a minimum, the activities to be performed, the time schedule, the policies and procedures to be followed, the dollar limitation of the agreement, and the cost principles to be followed in determining what costs, both direct and indirect, will be allowed. The contract or other written agreement must not affect the grantee's overall responsibility for the direction of the project and accountability to SJI.

[Docket No. FMCSA-2017-0006]

Agency Information Collection Activities; Reinstatement of an Information Collection: Practices of Household Goods Brokers; Correction

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice and request for comments; correction.

SUMMARY: This document makes a correction to a notice published in the **Federal Register** on August 16, 2014, regarding the reinstatement of an Information Collection Request for the Practices of Household Goods Brokers. The correction involves the inclusion of a citation and clarification in the explanation of the reduction of burden hours.

FOR FURTHER INFORMATION CONTACT: Monique Riddick, Commercial Enforcement and Investigations

Division, U.S. Department of Transportation, Federal Motor Carrier Safety Administration, West Building 6th Floor, 1200 New Jersey Avenue SE., Washington, DC 20590-0001. Telephone: 202-366-8045; email monique.riddick@dot.gov.

SUPPLEMENTARY INFORMATION: For FMCSA's notice published on August 16, 2017, (82 FR 38989), the following corrections are made:

In column three of page 38988, in the Summary paragraph, the last sentence should read "The reinstatement of this ICR is necessary to support FMCSA's responsibility to ensure consumer protection in the transportation of household goods (HHG)."

In column one of page 38989, add the following sentence to be the first sentence in the BACKGROUND section: "The reinstatement of this ICR is necessary to support the requirements of subpart B of 49 CFR part 371 and FMCSA's responsibility to ensure consumer protection in the transportation of household goods (HHG)."

In column two of page 38989, the paragraph that begins "With this renewal" should read: With this renewal, FMCSA makes a change to the annual burden hours associated with this ICR. There is a reduction of 19,522 annual burden hours due to the removal of 1,000 burden-hours associated with new entrant household goods brokers setting up a separate accounting system to comply with 49 CFR 371.13. FMCSA no longer believes the inclusion of such burden hours is necessary as such usual and customary actions to comply with regulatory requirements do not need to be included in burden calculations. Further, the number of burden hours is reduced due to a reduced estimate of the number of HHG brokers that are impacted by this information collection.

Issued on: September 27, 2017.

Associate Administrator, Office of Research and Information Technology.

II. Background

On April 5, 2017, FMCSA published a notice announcing its decision to renew exemptions for three individuals from the hearing standard in 49 CFR 391.41(b)(11) to operate a CMV in interstate commerce and requested comments from the public (82 FR 16661). The public comment period ended on May 5, 2017 and one comment was received.

As stated in the previous notice, FMCSA has evaluated the eligibility of these applicants and determined that renewing these exemptions would achieve a level of safety equivalent to or greater than the level that would be achieved by complying with the current regulation 49 CFR 391.41(b)(11).

The physical qualification standard for drivers regarding hearing found in 49 CFR 391.41(b)(11) states that a person is physically qualified to driver a CMV if that person:

First perceives a forced whispered voice in the better ear at not less than 5 feet with or without the use of a hearing aid or, if tested by use of an audiometric device, does not have an average hearing loss in the better ear greater than 40 decibels at 500 Hz, 1,000 Hz, and 2,000 Hz with or without a hearing aid when the audiometric device is calibrated to American National Standard (formerly ASA Standard) Z24.5-1951.

49 CFR 391.41(b)(11) was adopted in 1970, with a revision in 1971 to allow drivers to be qualified under this standard while wearing a hearing aid, 35 FR 6458, 6463 (April 22, 1970) and 36 FR 12857 (July 3, 1971).

III. Discussion of Comments

FMCSA received one comment in this preceeding. Janet S. Pratcher from the University of Memphis, Department of Social Work, wrote in support of renewing the exemptions for the three individuals in this notice for two years.

IV. Conclusion

Based upon its evaluation of the three renewal exemption applications and comment received, FMCSA announces its' decision to exempt the following drivers from the hearing requirement in 49 CFR 391.41(b)(11).

As of April 8, 2017, and in accordance with 49 U.S.C. 31136(e) and 31315, the following three individuals have satisfied the renewal conditions for obtaining an exemption from the hearing requirement in the FMCSRs for interstate (CMV) drivers (79 FR 90336; 80 FR 18926; 81 FR 12556): Clark Dobson (CA); Gregory Hill (MS); and Ronald Ruttler (WA).

The drivers were included in docket numbers FMCSA-2012-0123 and FMCSA-2014-0124. Their exemptions were applicable as of April 8, 2017, and will expire on April 8, 2019.

In accordance with 49 U.S.C. 31315, each exemption will be valid for two years from the effective date unless revoked earlier by FMCSA. The exemption will be revoked if the following occurs: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than
