SUPPLEMENTARY INFORMATION:**Background**

The Department published the antidumping duty orders on butt-weld fittings from Italy, Malaysia, and the Philippines on February 23, 2001.¹ On June 2, 2017, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), the Department initiated sunset reviews of the antidumping duty orders on butt-weld fittings from Italy, Malaysia, and the Philippines.² On June 16, 2017, the Department received a notice of intent to participate from Core Pipe Products, Inc.; Shaw Alloy Piping Products, Inc.; and Taylor Forge Stainless, Inc. (collectively, the Domestic Interested Parties), within the deadline specified in 19 CFR 351.218(d)(1)(i). The Domestic Interested Parties are manufacturers of a domestic like product in the United States and, accordingly, are domestic interested parties pursuant to section 771(9)(C) of the Act.

On June 30, 2017, the Department received an adequate substantive response to the notice of initiation from Domestic Interested Parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive any timely filed responses from the respondent interested parties, *i.e.*, butt-weld fitting producers and exporters from Italy, Malaysia, and the Philippines. On the basis of the notices of intent to participate and adequate substantive responses filed by the Domestic Interested Parties, and the inadequate response from any respondent interested party, the Department conducted an expedited (120-day) sunset review of the order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

Scope of the Orders

The product covered by the Orders is butt-weld fittings from Italy, Malaysia, and the Philippines.³

¹ See *Antidumping Duty Orders: Stainless Steel Butt-Weld Pipe Fittings from Italy, Malaysia, and the Philippines*, 66 FR 11257 (February 23, 2001) (*ITFV Orders*).

² See *Initiation of Five-Year (Sunset) Reviews*, 82 FR 25599 (June 2, 2017) (*Sunset Initiation*).

³ For a full description of the scope of the orders, see Memorandum, "Issues and Decision Memorandum for the Expedited Sunset Review of the Antidumping Duty Orders on Stainless Steel Butt-Weld Pipe Fittings from Italy, Malaysia, and the Philippines," dated concurrently with this notice (Decision Memorandum).

Analysis of Comments Received

The issues discussed in the Decision Memorandum are: (1) The likelihood of continuation or recurrence of dumping, and (2) the magnitude of the margins of dumping likely to prevail if these orders were revoked.⁴ Parties can find a complete discussion of all issues raised in this review, and the corresponding recommendations, in the Decision Memorandum, which is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit in room B8024 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Internet at <http://trade.gov/enforcement/>. The signed Decision Memorandum and electronic versions of the Decision Memorandum are identical in content.

Final Results of Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, the Department determines that revocation of the antidumping duty orders of butt-weld pipe fittings from Italy, Malaysia, and the Philippines would likely to lead to a continuation or recurrence of dumping and that the magnitude of the dumping margins likely to prevail would be 26.59 percent for Italy, 7.51 percent for Malaysia, and up to 33.81 percent for the Philippines.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return of destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

The Department is issuing and publishing these final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218.

Certain Lined Paper Products From India: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain lined paper products (CLPP) from India, covering the period September 1, 2015, through August 31, 2016. This review covers two mandatory respondents, Navneet Education Ltd. (Navneet) and SAB International (SAB) and five non-selected companies. We preliminarily find that Navneet and SAB did not sell subject merchandise at less than normal value (NV) during the period of review (POR). Interested parties are invited to comment on these preliminary results.

DATES: Applicable October 6, 2017.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson or Sam Brummitt, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-3797 or (202) 482-7851, respectively.

Background

On November 9, 2016, the Department published a notice of initiation of an administrative review of the antidumping order on lined paper from India.¹ The Department initiated this administrative review covering the following nine companies: Kokuyo Riddhi Paper Products Pvt. Ltd. (Kokuyo Riddhi), Lodha Offset Limited (Lodha), Magic International Pvt. Ltd. (Magic), Marisa International (Marisa),

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 81 FR 78778 (November 9, 2016) (*Initiation Notice*).

Navneet, Pioneer Stationery Pvt Ltd. (Pioneer), SAB, SGM Paper Products, and Super Impex.

On May 15, 2017, the Department extended the deadline for the preliminary results to October 2, 2017.² From July 19, 2017, through July 28, 2017, the Department conducted cost and sales verifications of SAB.³

Scope of the Order

The merchandise covered by the *CLPP Order*⁴ is certain lined paper products. The merchandise subject to this order is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 4811.90.9035, 4811.90.9080, 4820.30.0040, 4810.22.5044, 4811.90.9050, 4811.90.9090, 4820.10.2010, 4820.10.2020, 4820.10.2030, 4820.10.2040, 4820.10.2050, 4820.10.2060, and 4820.10.4000. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.⁵

Preliminary Determination of No Shipments

Lodha and Marisa reported that they made no shipments of subject merchandise to the United States during the POR. To confirm Lodha's and Marisa's no shipment claims, the Department issued a no-shipment inquiry to U.S. Customs and Border Protection (CBP) requesting that it review Lodha's and Marisa's no-shipment claims.⁶ CBP did not report

that it had any information to contradict Lodha's and Marisa's claims of no shipments during the POR.

Given that Lodha and Marisa certified that they made no shipments of subject merchandise to the United States during the POR, and there is no information calling their claims into question, we preliminarily determine that Lodha and Marisa did not have any reviewable transactions during the POR. Consistent with the Department's practice, we will not rescind the review with respect to Lodha and Marisa but, rather, will complete the review and issue instructions to CBP based on the final results.⁷

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price or export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Calculation of Normal Value Based on Constructed Value (CV)

SAB reported that it made no sales in the home market during the POR.⁸ Pursuant to 773(a)(1)(C)(i) of the Act, we examined SAB's third country sales and have determined that such sales do not constitute a viable comparison market (CM) within the meaning of section 773(a)(1)(B)(ii)(II) of the Act.⁹ Therefore, for these preliminary results, we relied on CV as the basis for calculating NV, in accordance with sections 773(a)(4) and (e) of the Act.¹⁰

Preliminary Results of the Review

As a result of this review, we preliminarily calculated a dumping margin of zero percent for both Navneet and SAB. We are applying to the non-selected companies the rates calculated for the mandatory respondents in these preliminary results, as referenced below.¹¹

Producer/exporter	Weighted-average dumping margin (percent)
Navneet Education Ltd	0.00
SAB International	0.00
Kokuyo Riddhi Paper Products Pvt. Ltd	0.00
Magic International Pvt. Ltd	0.00
Pioneer Stationery Pvt Ltd	0.00
SGM Paper Products	0.00
Super Impex	0.00

Assessment Rate

Upon issuance of the final results, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average dumping margin for Navneet or SAB is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹² We will instruct CBP to

assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., 0.5 percent). Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

In accordance with the Department's "automatic assessment" practice, for entries of subject merchandise during the POR produced by each respondent for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for respondents noted above will be the rates established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.91 percent, the all-others rate established in the investigation as modified by the section 129 determination.¹³ These cash

deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

The Department will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.¹⁴ Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁵ Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with the argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.¹⁶ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance's ACCESS system within 30 days of publication of this notice.¹⁷ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined.¹⁸ Parties should confirm by telephone the date, time, and location of the hearing.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, within 120 days after issuance of these preliminary results.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this review period.
