DEPARTMENT OF EDUCATION

Notice of Waivers Granted Under Section 9401 of the Elementary and Secondary Education Act of 1965, as Amended

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice.

SUMMARY: In this notice, we announce the waivers that the U.S. Department of Education (Department) granted during calendar year 2014 under the waiver authority in the Elementary and Secondary Education Act of 1965, as amended by the No Child Left Behind Act of 2001 (ESEA), including waivers related to flexibilities granted to States in exchange for State-led reforms (ESEA flexibility).

The ESEA requires that the Department publish in the **Federal Register**, and disseminate to interested parties, a notice of its decision to grant a waiver of statutory or regulatory requirements under the ESEA. Between 2011 and 2016, the Department granted more than 800 waivers of statutory or regulatory requirements to State educational agencies (SEAs) but neglected to comply with the ESEA’s publication and dissemination requirements. This notice is intended to fulfill the Department’s obligation to publicize its waiver decisions by identifying the waivers granted during each calendar year.

FOR FURTHER INFORMATION CONTACT: Kia Weems, U.S. Department of Education, 400 Maryland Avenue SW., Room 3W341, Washington, DC 20202. Telephone: (202) 260–2221 or by email: Kia.Weems@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: In 2014, the Department granted waivers through an initiative known as ESEA flexibility to 39 States under the waiver authority in section 9401 of the ESEA, in exchange for rigorous and comprehensive State-developed plans designed to improve student academic

achievement and increase the quality of instruction. We granted:

3. Flexibility in Implementation of Local Educational Agency (LEA) Improvement Requirements;
4. Flexibility for Rural LEAs;
5. Flexibility for Schoolwide Programs;

7. Flexibility for Reward Schools;
8. Flexibility Regarding Highly Qualified Teacher (HQT) Improvement Plans;
9. Flexibility to Transfer Certain Funds; and
10. Flexibility to Use School Improvement Grant (SIG) funds to Support Priority Schools.

In addition to waiving the 10 provisions listed above, the Department granted three optional waivers under ESEA flexibility related to the following:

1. Waivers of the 21st Century Community Learning Centers (21st CCLC) requirement to provide services during non-school hours or when school is not in session;

(h) 10 waivers of the Teacher Incentive Fund (TIF) program absolute priority requirement in the notice of final priorities (NFR) that required each TIF grantee to develop a rigorous evaluation system for teachers and principals, and of one of the five core elements in the NFR.

I. ESEA Flexibility Waivers

A. Flexibility Regarding the 2014 Timeline for Determining AYP

The Department waived the requirements in section 1111(b)(2)(E)–(H) of the ESEA that prescribe how an SEA establishes AMOs for determining AYP to ensure that all students met or exceeded the State’s proficient level of academic achievement on the State’s assessments in reading/language arts and mathematics no later than the end of the 2013–2014 school year. Under this waiver, an SEA no longer needed to follow the statutory procedures for setting AMOs to use in determining

AYP. Instead, an SEA had flexibility to develop new ambitious but achievable AMOs in reading/language arts and mathematics in order to provide meaningful goals to guide support and improvement efforts for the State, LEAs, schools, and student subgroups.

Provisions waived: Section 1111(b)(2)(E)–(H) of the ESEA.

B. Flexibility in Implementation of School Improvement Requirements

The Department waived the requirements in section 1116(b) of the ESEA for an LEA to identify for improvement, corrective action, or restructuring, as appropriate, a Title I school that failed, for two consecutive years or more, to make AYP, and for a school so identified and its LEA to take certain improvement actions. Under this waiver, an LEA was no longer required to identify respective Title I schools for improvement, corrective action, or restructuring, and neither the LEA nor its schools were required to take statutorily required improvement actions, including providing public school choice and supplemental educational services (SES) to eligible students. An LEA was also exempt from administrative and reporting requirements related to school improvement.

Provision waived: Section 1116(b) of the ESEA, except that (b)(13) was not waived.

C. Flexibility in Implementation of LEA Improvement

The Department waived the requirements in section 1116(c) of the ESEA for an SEA to identify for improvement or corrective action, as appropriate, an LEA that, for two consecutive years or more, failed to make AYP, and neither the LEA nor the SEA was required to take statutorily required improvement actions. An LEA was also exempt from associated administrative and reporting requirements related to LEA improvement.

Provisions waived: Section 1116(c)(3) and (5)–(11) of the ESEA.

D. Flexibility for Rural LEAs

The Department waived the requirements in sections 6213(b) and 6224(e) of the ESEA that limited participation in, and use of funds under, the Small, Rural School Achievement (SRSA) and Rural and Low-Income School (RLIS) programs based on whether an LEA made AYP and was complying with the requirements in section 1116 of the ESEA. Under the waiver, an LEA that received SRSA or RLIS funds had flexibility to use those

funds for any authorized purpose regardless of the LEA's AYP status.

Provisions waived: Sections 6213(b) and 6224(e) of the ESEA.

E. Flexibility for Schoolwide Programs

The Department waived the requirement in section 1114(a)(1) of the ESEA that a school have a poverty percentage of 40 percent or more in order to operate a schoolwide program. Under this waiver, an LEA had flexibility to operate a schoolwide program in a Title I school that did not meet the 40 percent poverty threshold if the SEA identified the school as a priority school or a focus school, and the LEA implemented interventions consistent with the turnaround principles or interventions that were based on the needs of the students in the school and designed to enhance the entire educational program in the school, as appropriate.

Provision waived: Section 1114(a)(1) of the ESEA.

F. Flexibility To Support School Improvement

The Department waived the requirement in section 1003(a) of the ESEA for an SEA to distribute funds reserved under that section only to LEAs with schools identified for improvement, corrective action, or restructuring. Under this waiver, an SEA had flexibility to allocate ESEA section 1003(a) funds to an LEA in order to serve any priority or focus school, if the SEA determined such school was most in need of additional support.

Provision waived: Section 1003(a) of the ESEA.

G. Flexibility for Reward Schools

The Department waived the provision in section 1117(c)(2)(A) of the ESEA that authorized an SEA to reserve Title I, Part A funds to reward a Title I school that (1) significantly closed the achievement gap between subgroups in the school; or (2) exceeded AYP for two or more consecutive years. Under this waiver, an SEA had flexibility to use funds reserved under section 1117(c)(2)(A) of the ESEA to provide financial rewards to any reward school, if the SEA determined such school was most appropriate to receive a financial reward.

Provision waived: Section 1117(b)(1)(B) of the ESEA.

H. Flexibility Regarding HQT Improvement Plans

The Department waived the requirements in section 2141(a) through (c) of the ESEA for an LEA and SEA to comply with certain requirements for

improvement plans regarding highly qualified teachers. Under the waiver, an LEA that did not meet its HQT target did not have to develop an improvement plan under section 2141 of the ESEA and had flexibility in how it used its Title I and Title II funds. An SEA was exempt from the requirements regarding its role in the implementation of those plans, including the requirement that it enter into agreements with LEAs on the use of funds and the requirement that it provide technical assistance to LEAs on their plans.

Provisions waived: Section 2141(a)–(c) of the ESEA.

I. Flexibility To Transfer Certain Funds

The Department waived the limitations in section 6123 of the ESEA that limited the amount of funds an SEA or LEA may transfer from certain ESEA programs to other ESEA programs. Under this waiver, an SEA and its LEAs had flexibility to transfer up to 100 percent of the funds received under the authorized programs among those programs and into Title I, Part A. Moreover, to minimize burden at the State and local levels, the SEA was not required to notify the Department, and its participating LEAs were not required to notify the SEA, prior to transferring funds.

Provisions waived: Section 6123(a), (b)(1), (d), and (e)(1) of the ESEA.

J. Flexibility To Use SIG Funds To Support Priority Schools

The Department waived the requirements in section 1003(g)(4) of the ESEA and the definition of a Tier I school in Section I.A.3 of the SIG final requirements. Under this waiver, an SEA had flexibility to award SIG funds available under section 1003(g) of the ESEA to an LEA to implement one of the four SIG models in any priority school.

Provisions waived: Section 1003(g)(4) of the ESEA and section I.A.3 of the notice of final requirements for SIG Grants, published in the **Federal Register** on October 28, 2010 (74 FR 65618).

Under this waiver, an SEA had flexibility to permit community learning centers to use 21st CCLC funds to support expanded learning time during the school day in addition to activities during non-school hours or periods when school was not in session.

Instead, an SEA and its LEAs had to report on their report cards performance against the AMOs for all subgroups identified in section 1111(b)(2)(C)(v) of the ESEA, and use performance against the AMOs to support continuous improvement in Title I schools.

Under this waiver, an LEA had flexibility to serve with Title I funds a Title I-eligible high school with a graduation rate below 60 percent that the SEA identified as a priority school even if that school did not rank sufficiently high to be served based solely on the school's poverty rate.
