

This study will provide insight on individual and community level PrEP-related decision-making, and identify barriers and facilitators to successful PrEP initiation and PrEP acceptability. Findings will improve programming, in line with the CDC Division of HIV/AIDS Prevention goal of high-impact

prevention to reduce HIV infections in the United States. Findings will also assist the CDC and frontline public health programs in identifying and designing programs and intervention approaches that encourage, support, and maintain appropriate PrEP uptake among eligible MSM and anticipate

future HIV prevention needs, including anticipated changes in PrEP delivery.

The total annual burden hours are 335. There are no costs to the respondents other than their time, travel costs, and the total estimated annual burden hours.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

Re-designation of the Delivery Area for the Passamaquoddy Tribe at Indian Township

AGENCY: Indian Health Service, Department of Health and Human Services.

ACTION: Final Notice.

SUMMARY: This final notice advises the public that the Indian Health Service (IHS) has decided to expand the geographic boundaries of the Purchased/Referred Care Delivery Area (PRCDA) for the Passamaquoddy Tribe’s reservation at Indian Township (Passamaquoddy at Indian Township or Tribe) in the State of Maine.

DATES: October 10, 2017.

Inspection of Public Comments: The IHS published a **Federal Register** Notice entitled, “Notice To Propose the Re-Designation of the Service Delivery Area for the Passamaquoddy Tribe at Indian Township,” on March 8, 2017 (82 FR 12968), and did not receive any comments regarding the notice.

FOR FURTHER INFORMATION CONTACT: Terri Schmidt, Acting Director, Office of

Resource Access and Partnerships, Indian Health Service, 5600 Fishers Lane, Mailstop: 10E85C, Rockville, Maryland 20857. Telephone (301) 443-2694 (This is not a toll free number).

SUPPLEMENTARY INFORMATION: The Passamaquoddy PRCDA previously covered Aroostook and Washington Counties in the State of Maine. The expanded PRCDA for the Tribe’s reservation at Indian Township includes Hancock County in the State of Maine. This notice only relates to the expansion of the Tribe’s PRCDA for the Indian Township reservation.

The Maine Indian Claims Settlement Act of 1980 (Pub. L. 96-420; H. Rept. 96-1353) includes the intent of Congress to fund and provide Purchased/Referred Care (PRC) to the Passamaquoddy Tribe. The Passamaquoddy Tribe has two reservations: Indian Township and Pleasant Point. The PRCDA for the Indian Township reservation is Aroostook County, Maine, and Washington County, Maine. The PRCDA for the Pleasant Point reservation is Washington County, Maine, south of State Route 9, and Aroostook County, Maine.

Background: The IHS currently provides services under regulations codified at 42 CFR part 136, subparts A through C. Subpart C defines a PRCDA, formerly referred to as a Contract Health Service Delivery Area or Purchased/Referred Care Service Delivery Area, as the geographic area within which PRC will be made available by the IHS to members of an identified Indian community who reside in the area. Residence in a PRCDA by a person who

is within the scope of the Indian health program, as set forth in 42 CFR 136.12, creates no legal entitlement to PRC, only potential eligibility for services. Services needed but not available at an IHS or Tribal facility are provided under the PRC program depending on the availability of funds, the person’s relative medical priority, and the actual availability and accessibility of alternate resources in accordance with the regulations.

As applicable to the Tribes, these regulations provide that, unless otherwise designated, a PRCDA shall consist of a county that includes all or part of a reservation and any county or counties that have a common boundary with the reservation, 42 CFR 136.22(a)(6). The regulations also provide that after consultation with the Tribal governing body or bodies on those reservations included within the PRCDA, the Secretary may from time to time, re-designate areas within the United States for inclusion in or exclusion from a PRCDA. The regulations require that certain criteria must be considered before any re-designation is made. The criteria are as follows:

(1) The number of Indians residing in the area proposed to be so included or excluded;

(2) Whether the Tribal governing body has determined that Indians residing in the area near the reservation are socially and economically affiliated with the Tribe;

(3) The geographic proximity to the reservation of the area whose inclusion or exclusion is being considered; and

(4) The level of funding which would be available for the provision of PRC, 42 CFR 136.22(b).

Additionally, the regulations require that any re-designation of a PRCDA must be made in accordance with the Administrative Procedures Act (5 U.S.C. 553). See 42 CFR 136.22(c). In compliance with this requirement, we are publishing this final notice.

The Passamaquoddy Tribe is a federally recognized Tribe with two separate reservations, Indian Township and Pleasant Point, located approximately 50 miles apart. Each respective reservation elects its own governing body and each reservation has a separate PRCDA. The Indian Township reservation of the Passamaquoddy Tribe has a PRCDA consisting of Aroostook and Washington Counties in the State of Maine. The PRCDA for the Passamaquoddy Tribe's reservation at Pleasant Point is Washington County, Maine, south of State Route 9, and Aroostook County, Maine. The IHS adopted a PRCDA for each of the Passamaquoddy Tribe's reservations for the purposes of administering benefits under the IHS PRC program. Thus, members of the Tribe who reside outside of Aroostook and Washington Counties do not reside

within the PRCDA of the Passamaquoddy Tribe and they are currently not eligible for PRC services from the Tribe.

The Passamaquoddy Tribe has a significant number of members who are not residents of Aroostook and Washington Counties. According to Tribal estimates, 257 enrolled Passamaquoddy members reside in Hancock County in the State of Maine and remain actively involved with the Tribe, but they are not currently eligible for PRC services. The Tribe provides direct services to its members by operating a clinic in Washington County.

Under 42 CFR 136.23, those otherwise eligible Indians who do not reside on a reservation but reside within a PRCDA must be either members of the Tribe or maintain close economic and social ties with the Tribe. In this case, in applying the aforementioned PRCDA re-designation criteria required by operative regulations, the following findings are made:

1. By expanding, the Tribe estimates the current eligible population will be increased by 257.
2. The Tribe has determined that these 257 individuals are socially and economically affiliated with the Tribe.

3. The expanded area, Hancock County, Maine, maintains a common boundary with Washington County, Maine, the county in which the Tribe's Indian Township reservation is located.

4. The Tribe will use its existing Federal allocation for PRC funds to provide services to the expanded population. No additional financial resources will be allocated by the IHS to the Tribe to provide services to Tribal members residing in Hancock County.

The IHS did not receive comments in response to the notice proposing to expand the Tribe's PRCDA. Accordingly, the purpose of this **Federal Register** notice is to notify the public that the IHS has decided to expand the PRCDA of the Passamaquoddy Tribe's Indian Township reservation to include Hancock County in the State of Maine. This final notice will expand the current PRCDA for the Tribe's reservation at Indian Township to include Hancock County in the State of Maine. This final notice does not change or expand the PRCDA for the Tribe's Pleasant Point reservation. No additional financial resources will be allocated by the IHS to the Tribe to provide services to Tribal members residing in Hancock County in the State of Maine.

² Entire State of Alaska is included as a CHSDA by regulation (42 CFR 136.22(a)(1)).
³ Aroostook Band of Micmacs was recognized by Congress on November 26, 1991, through the Aroostook Band of Micmac Settlement Act. Aroostook County, ME, was defined as the SDA.

⁴ Special programs have been established by Congress irrespective of the eligibility regulations. Eligibility for services at these facilities is based on the legislative history of the appropriation of funds for the particular facility rather than the eligibility regulations. Historically services have been provided at Brigham City Intermountain School Health Center, Utah (Pub. L. 88–358). The Brigham Intermountain School Health Center was renamed to Intermountain Inter-Tribal School in 1974 and was permanently closed on May 17, 1984.

⁵ Entire State of California, excluding the counties of Alameda, Contra Costa, Los Angeles, Marin, Orange, Sacramento, San Francisco, San Mateo, Santa Clara, Kern, Merced, Monterey, Napa, San Benito, San Joaquin, San Luis Obispo, Santa Cruz, Solano, Stanislaus, and Ventura, is designated a CHSDA (25 U.S.C. 1680).

⁶ The counties were recognized after the January 1984 CHSDA FRN was published, in accordance with Public Law 103–116, Catawba Indian Tribe of South Carolina Land Claims Settlement Act of 1993, dated October 27, 1993.

BILLING CODE 4165-16-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

Re-Designation of the Delivery Area for the Tolowa Dee-ni' Nation, Formerly Known as Smith River Rancheria

AGENCY: Indian Health Service, HHS.

ACTION: Final notice.

SUMMARY: The Secretary of the Department of Health and Human Services hereby issues this final notice to re-designate the Purchased/Referred Care Delivery Area (PRCDA) for the Tolowa Dee-ni' Nation (Tribe) (previously known as the Smith River Rancheria of Smith River, California), to provide Purchased/Referred Care (PRC) services to their Tribal members residing in Curry County, Oregon, which is in the Portland Area Indian Health Service (IHS). The Tolowa Dee-ni's Tribal Headquarters is located 3 miles south of the California-Oregon border in Northern California.

The entire State of California, excluding the counties of Alameda, Contra Costa, Los Angeles, Marin, Orange, Sacramento, San Francisco, San Mateo, Santa Clara, Kern, Merced, Monterey, Napa, San Benito, San Joaquin, San Luis Obispo, Santa Cruz, Solano, Stanislaus, and Ventura, was designated by the IHS as a PRCDA, formerly known as a Contract Health Service Delivery Area, in accordance with statute. The current PRCDA for Tolowa Dee-ni' Tribal members is the statutorily specified California PRCDA. The expanded PRCDA for the Tolowa Dee-ni' Tribe includes the statutorily specified California PRCDA and Curry County in the State of Oregon.

DATES: This notice shall take effect on October 10, 2017.

FOR FURTHER INFORMATION CONTACT: Terri Schmidt, Acting Director, Office of Resource Access and Partnerships, Indian Health Service, 5600 Fishers Lane, Mail stop: 10E85C, Rockville, Maryland 20857. Telephone 301/443-2694 (This is not a toll free number).

SUPPLEMENTARY INFORMATION:

Background: The IHS currently provides services under regulations codified at 42 CFR part 136, subparts A through C. Subpart C defines a

Purchased/Referred Care Delivery Area (PRCDA) as the geographic area within which Purchased/Referred Care will be made available by the Indian Health Service (IHS) to members of an identified Indian community who reside in the Area. PRCDA's were previously known as Contract Health Service Delivery Areas (CHSDAs) and more recently, the IHS referred to them as Purchased/Referred Care Service Delivery Areas (PRCSDAs) or PRCDA's, but the IHS intends to consistently refer to them as PRCDA's going forward.

Residence in a PRCDA by a person who is within the scope of the Indian health program, as set forth in 42 CFR 136.12, creates no legal entitlement to PRC, only potential eligibility for services. Services needed, but not available at an IHS/Tribal facility, are provided under the PRC program depending on the availability of funds, the person's relative medical priority, and the actual availability and accessibility of alternate resources in accordance with the regulations.

As applicable to the Tribes, these regulations provide that, unless otherwise designated, a PRCDA shall consist of a county that includes all or part of a reservation and any county or counties that have a common boundary with the reservation, 42 CFR 136.22(a)(6). The regulations also provide that after consultation with the Tribal governing body or bodies on those reservations included within the PRCDA, the Secretary may from time to time, re-designate areas within the United States for inclusion in or exclusion from a PRCDA. The regulations require that certain criteria must be considered before any re-designation is made. The criteria are as follows:

(1) The number of Indians residing in the area proposed to be so included or excluded;

(2) Whether the Tribal governing body has determined that Indians residing in the area near the reservation are socially and economically affiliated with the Tribe;

(3) The geographic proximity to the reservation of the area whose inclusion or exclusion is being considered; and

(4) The level of funding which would be available for the provision of PRC, 42 CFR 136.22(b).

Additionally, the regulations require that any re-designation of a PRCDA must be made in accordance with the Administrative Procedures Act (5 U.S.C. 553). See 42 CFR 136.22(c). In compliance with this requirement, we are publishing this final notice. Congress directed the IHS to designate the entire State of California as a

PRCDA, excluding certain counties, under section 810 of the Indian Healthcare Improvement Act, Public Law 94-437, as amended (25 U.S.C. 1680). The IHS has utilized the congressionally specified PRCDA for the purposes of administering PRC benefits to members of the Tribe. Thus, members of the Tribe who reside outside of the statutorily established California PRCDA do not reside within the Tolowa Dee-ni's current PRCDA and are currently not eligible for PRC services.

The IHS has historically established PRCDA's in accordance with Congressional intent but has preserved regulatory flexibility to re-designate areas as appropriate for inclusion in or exclusion from PRCDA under PRC regulations. One of the criteria for such re-designations is the geographic proximity of the expanded area to the existing reservation or PRCDA. Here, the IHS is expanding the Tribe's PRCDA beyond the geographic description in 25 U.S.C. 1680 to include a county adjacent to the Tribe's existing PRCDA, in a neighboring state. There are already PRCDA's that include part of the State of California and part of another state, for example, Cocopah Tribe of Arizona, (Yuma, Arizona, and Imperial, California); Colorado River Indian Tribes of the Colorado River Indian Reservation, Arizona and California, (La Paz, Arizona; Riverside, California; San Bernardino, California; and Yuma, Arizona); Fort Mojave Indian Tribe of Arizona, California and Nevada, (Nevada; Mohave, Arizona; San Bernardino, California); and the Quechan Tribe of Fort Yuma Indian Reservation, California and Arizona, (Yuma, Arizona; and Imperial, California).

The Tolowa Dee-ni' Tribe has a significant number of Tribal members who are not residents of California. The Tribe asserts that 177 Tribal members reside outside of its PRCDA, in Curry County, in the State of Oregon, and are not able to access PRC funds from either the California Area facility (Smith River Howonquet Indian Health Center) or from the closest Portland Area facility.

Under 42 CFR 136.23, those otherwise eligible Indians who do not reside on a reservation, but reside within a PRCDA must be either members of the Tribe or maintain close economic and social ties with the Tribe. In this case, in applying the aforementioned PRCDA re-designation criteria required by operative regulations codified at 42 CFR part 136, subpart C, the following findings are made:

1. By expanding, the Tribe estimates the current eligible population will be increased by 177.
