Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

Overview of This Information Collection

(1) *Type of Information Collection:* Extension, Without Change, of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Request for Fee Waiver; Request for Fee Exemption.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* Form I-912; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary:* Individuals or households. USCIS uses the data collected on this form to verify that the applicant is unable to pay for the immigration benefit being requested. USCIS will consider waiving a fee for an application or petition when the applicant or petitioner clearly demonstrates that he or she is unable to pay the fee. The regulations do not require that requests for fee waivers be submitted on a particular form prescribed by DHS, thus the applicant may request that the fee be waived by attaching a written request to the front of their immigration benefit request. Fee waivers may also be requested by completing and submitting Form I-912. Form I-912 standardizes the collection and analysis of statements and supporting documentation provided by the applicant with the fee waiver request. Form I-912 also streamlines and expedites the USCIS review, approval, or denial of the fee waiver request by clearly laying out the most salient data and evidence necessary for the determination of inability to pay. Officers evaluate all factors, circumstances, and evidence supplied in support of a fee waiver request when making a final determination. Each case is unique and is considered on its own merits. If the fee waiver is granted, the application will be processed. If the fee waiver is not granted, USCIS will notify the applicant and instruct him or her to file a new application with the appropriate fee. Certain applications and petitions may allow for filing of fee exemptions; the specific forms have information regarding the option and the requirements to request an exemption.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-912 is 594,000 and the estimated hour burden per response is 1.17 hours; for the information collection Non-Form Request for Fee Waiver the estimated total number of respondents is 8,400 and the estimated hour burden per response is 1.17 hours; for the information collection 8 CFR 103.7(d) Director's exception request the estimated total number of respondents

is 128 and the estimated hour burden per response is 1.17 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 704,957 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$2,259,780.
