SUPPLEMENTARY INFORMATION: In

 proposed collection of information to
 OMB for review and clearance. ACL is
 requesting approval for three years of an
 extension of the currently approved data

The Certification of Maintenance of
 Effort under Title III and Certification
 of Long-Term Care Ombudsman (LTCO)
 Program Expenditures provide
 statutorily required information
 regarding each state's contribution to
 programs funded under the Older
 Americans Act and compliance with
 legislative requirements, pertinent
 Federal regulations, and other
 applicable instructions and guidelines
 issued by ACL.

In addition to renewing OMB
 approval of these data collection
 instruments, minor changes are being
 proposed to the LTCO Expenditures

Certification and an accompanying
 document which provides specific
 statutory references related to
 Ombudsman program minimum
 funding, non-supplanting requirements,
 and state authorization to expend Title
 III-B funds on Ombudsman activities.
 Specifically, changes include making
 the reference to the Fiscal Year at the
 bottom of the form a fillable field to
 allow the date to be changed annually;
 listing the "Administration for
 Community Living (ACL)" as the
 intended recipient of the completed
 form; and updating statutory language
 references, *i.e.*, Section 306(a)(9), which
 is provided on the second page, to
 reflect changes made during the 2016
 reauthorization of the OAA.
