

in the short term the Vendor that has had the benefit of the Enterprise Rate Nonpro Fee may reduce its distribution of OPRA data to Nonprofessional Subscribers and that these changes may therefore result in a decrease in OPRA's annual revenues. In the longer term, OPRA anticipates that it is possible that the tiered Nonprofessional Subscriber fees may accomplish OPRA's original expectation for the Enterprise Rate Nonpro Fee by providing an incentive for Vendors to increase the number of Nonprofessional Subscribers to whom they distribute OPRA data in view of the reduced fees in the higher tiers.

The text of the amendment to the OPRA Plan is available at OPRA, the Commission's Public Reference Room, the OPRA Web site at <http://opradata.com>, and on the Commission's Web site at www.sec.gov.

(b) Implementation of the OPRA Plan Amendment

Pursuant to paragraph (b)(3)(i) of Rule 608 of Regulation NMS under the Act, OPRA designated this amendment as establishing or changing fees or other charges collected on behalf of all of the OPRA participant exchanges in connection with access to or use of OPRA facilities. In order to give persons subject to these fees advance notice of the changes, OPRA proposes that they go into effect on January 1, 2018.

(c) Phases of Development and Implementation

Not applicable.

(d) Impact on Competition

OPRA believes that the proposed amendment will impose no burdens on competition that are not justified in light of the purposes of the Act.

(e) Written Understandings or Agreements Among the Plan Participants

Not applicable.

(f) Approval of the Proposed Amendment

OPRA represents that the proposed amendments to the OPRA Fee Schedule were approved in accordance with the provisions of the OPRA Plan.

The Commission may summarily abrogate the amendment within sixty days of its filing and require refiling and approval of the amendment by Commission order pursuant to Rule 608(b)(2) under the Act⁹ if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

or the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system, or otherwise in furtherance of the purposes of the Act.¹⁰

II. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81899; File No. SR-OPRA-2017-01]

Options Price Reporting Authority; Notice of Filing and Immediate Effectiveness of Proposed Amendment To Modify the OPRA Fee Schedule To Amend the Professional Subscriber Device-Based Fee

October 19, 2017.

Pursuant to Section 11A of the Securities Exchange Act of 1934 ("Act")¹ and Rule 608 thereunder,² notice is hereby given that on September 27, 2017, the Options Price Reporting Authority ("OPRA") submitted to the Securities and Exchange Commission ("Commission") an amendment to the Plan for Reporting of Consolidated Options Last Sale Reports and Quotation Information ("OPRA Plan").³ The OPRA Plan amendment would implement changes to the Professional Subscriber Device-Based Fee effective January 1, 2018. The Commission is publishing this notice to provide interested persons an opportunity to submit written comments on the OPRA Plan amendment.

I. Description and Purpose of the Plan Amendment

(a) Fee Schedule Amendments

The purpose of the proposed Fee Schedule amendments is to specify OPRA's Professional Subscriber Device-Based Fee effective January 1, 2018 and make conforming changes in OPRA's Enterprise Rate Professional Subscriber Fee. OPRA's Enterprise Rate Professional Subscriber Fee is available to those Professional Subscribers that

³ The OPRA Plan is a national market system plan approved by the Commission pursuant to Section 11A of the Act and Rule 608 thereunder. See Securities Exchange Act Release No. 17638 (March 18, 1981), 22 S.E.C. Docket 484 (March 31, 1981). The full text of the OPRA Plan and a list of its fifteen participants are available at <http://www.opradata.com>. The OPRA Plan provides for the collection and dissemination of last sale and quotation information on options that are traded on the participant exchanges.

elect that rate in place of the regular OPRA device-based fees.⁴

Specifically, it is proposed, effective January 1, 2018: To increase the current \$30.50 monthly per device fee by \$1.00; to increase the Enterprise Rate, currently a monthly fee of \$30.50 times the number of a Professional Subscriber's U.S.-based registered representatives, to be a monthly fee of \$31.50 times the number of the Subscriber's U.S.-based registered representatives; and to make conforming changes to the minimum monthly fee under the Enterprise Rate. "Professional Subscribers" are persons who subscribe to OPRA data, do not qualify for the reduced fees charged to "Nonprofessional Subscribers," and do not redistribute the OPRA data to third parties. OPRA permits the counting of "User IDs" as a surrogate for counting "devices" for purposes of its Professional Subscriber Device-based Fees.⁵

The number of devices reported to OPRA as subject to Professional Subscriber Device-Based Fees has been steadily trending downwards over many years. In 2008, OPRA received device-based fees, including enterprise fees, with respect to approximately 210,500 devices. In 2015, OPRA received device-based fees, including enterprise fees, with respect to approximately 141,300 devices, and in 2016 OPRA received device-based fees, including enterprise fees, with respect to approximately 137,100 devices. OPRA is receiving device-based fees in the third calendar quarter of 2017 with respect to approximately 128,500 devices—already a reduction of approximately 6.3% from 2016. OPRA believes that this long-term downward trend is the result of the increasing use of trading algorithms and automated trading platforms and other fundamental changes in the securities industry, and OPRA anticipates that this trend is likely to continue.

The proposed increase in the Professional Subscriber Device-Based Fees is consistent with OPRA's past practice of making incremental \$1.00 increases in its monthly Professional Subscriber Device-Based Fees,⁶ and

⁴ OPRA's Enterprise Rate is based on the number of a Professional Subscriber's U.S. registered representatives and independent investment advisers who contract with the Subscriber to provide advisory services to the Subscriber's customers.

⁵ See footnote 2 in the OPRA Fee Schedule and OPRA's Policies with respect to Device-based Fees.

⁶ The year 2015 was an exception: For 2015, OPRA implemented an increase of \$1.50 in its Professional Subscriber Device-Based Fee, because during 2015 one of OPRA's member exchanges initiated after-hours trading, causing OPRA to incur additional expenses associated with data

OPRA believes that OPRA's Professional Subscribers should not be surprised by the increase. The proposed increase in the Professional Subscriber Device-Based Fee—which is an increase of approximately 3.3%—will partially offset the impact on revenue of the reduction in the number of devices in 2017 as compared to 2016.

The text of the amendment to the OPRA Plan is available at OPRA, the Commission's Public Reference Room, the OPRA Web site at <http://oprapdata.com>, and on the Commission's Web site at www.sec.gov.

(b) Implementation of the OPRA Plan Amendment

Pursuant to paragraph (b)(3)(i) of Rule 608 of Regulation NMS under the Act, OPRA designated this amendment as establishing or changing fees or other charges collected on behalf of all of the OPRA participant exchanges in connection with access to or use of OPRA facilities. OPRA proposes to put the changes in the Professional Subscriber Device-Based Fee into effect as of January 1, 2018. Implementation of the changes in the Professional Subscriber Device-Based Fee on January 1 is consistent with OPRA's prior practice with respect to changes in this fee, and OPRA represents that this will provide ample opportunity to give persons subject to this fee advance notice of the change.

(c) Phases of Development and Implementation

Not applicable.

(d) Impact on Competition

OPRA believes that the proposed amendment will impose no burdens on competition that are not justified in light of the purposes of the Act.

(e) Written Understanding or Agreements Among the Plan Participants

Not applicable.

(f) Approval of the Proposed Amendment

OPRA represents that the proposed amendments to the OPRA Fee Schedule were approved in accordance with the provisions of the OPRA Plan.

dissemination during expanded trading hours. OPRA implemented \$1.00/month increases in its Professional Subscriber Device-Based Fee for each of the years 2008–2014 and for the years 2016 and 2017. The Commission may summarily abrogate the amendment within sixty days of its filing and require refiling and approval of the amendment by Commission order pursuant to Rule 608(b)(2) under the Act⁷ if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system, or otherwise in furtherance of the purposes of the Act.⁸

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81906; File No. SR-BatsBZX-2017-67]

Self-Regulatory Organizations; Bats BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Transaction Fees for the Exchange's Equity Platform

October 19, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 10, 2017, Bats BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-Members of the

Exchange pursuant to BZX Rules 15.1(a) and (c).

The text of the proposed rule change is available at the Exchange's Web site at www.bats.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule applicable to its equities trading platform ("BZX Equities") to amend the criteria for Cross-Asset Add Volume Tier 3 under footnote 1. The Exchange currently offers four Cross-Asset Add Volume tiers under footnote 1 that provide an enhanced rebate ranging from \$0.0028 to \$0.0030 per share for orders that yield fee codes B,⁶ V,⁷ and Y⁸ upon a Member achieving each tier's required criteria. Currently, under Cross-Asset Add Volume Tier 3, Members receives an enhanced rebate of \$0.0028 per share where they have on the Exchange's equity options platform ("BZX Options") an ADAV greater than or equal to 2.00% of average OCV.⁹ The

⁶ Fee code B is appended to displayed orders that add liquidity to BZX (Tape B) and is provided a standard rebate of \$0.0025 per share. See the Exchange's fee schedule available at http://www.bats.com/us/equities/membership/fee_schedule/bzx/.

⁷ Fee code V is appended to displayed orders that add liquidity to BZX (Tape A) and is provided a standard rebate of \$0.0020 per share. *Id.*

⁸ Fee code Y is appended to displayed orders that add liquidity to BZX (Tape C) and is provided a standard rebate of \$0.0020 per share. *Id.*

⁹ "OCV", for purposes of equities pricing means the total equity and ETF options volume that clears in the Customer range at the Options Clearing Corporation ("OCC") for the month for which the fees apply, excluding volume on any day that the Exchange experiences an Exchange System Disruption and on any day with a scheduled early market close, using the definition of Customer as provided under the Exchange's fee schedule for BZX Options. See the Exchange's fee schedule available at http://www.bats.com/us/equities/membership/fee_schedule/bzx/.

Exchange now proposes to amend the criteria necessary to receive the enhanced rebate provided by Cross-Asset Tier 3. As amended, Cross-Asset Add Volume Tier 3 would require that the Member have on BZX Options an Options Market Maker Add OCV¹⁰ equal to or greater than 1.85% of average OCV and that Member must also add an ADV¹¹ equal to or greater than 0.10% of TCV.¹² The Exchange proposes to implement these amendments to its fee schedule immediately.¹³

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,¹⁴ in general, and furthers the objectives of Section 6(b)(4),¹⁵ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange also notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. The Exchange believes the rates remain competitive with those charged by other venues and, therefore, reasonable and equitably allocated to Members.

Volume-based rebates and fees such as the proposed Cross-Asset Add Volume Tier have been widely adopted by equities and options exchanges and are equitable because they are open to all Members on an equal basis and provide additional benefits or discounts that are reasonably related to the value to an exchange's market quality associated with higher levels of market activity, such as higher levels of liquidity provision and/or growth

¹⁰ "Options Market Maker Add OCV" for purposes of equities pricing means ADAV resulting from Market Maker orders as a percentage of OCV, using the definitions of ADAV, Market Maker and OCV as provided under the Exchange's fee schedule for BZX Options. *Id.*

¹¹ "ADV" means average daily volume calculated as the number of shares added or removed, combined, per day. *Id.*

¹² "TCV" means total consolidated volume calculated as the volume reported by all exchanges and trade reporting facilities to a consolidated transaction reporting plan for the month for which the fees apply. *Id.*

¹³ The Exchange initially filed the proposed rule change on September 29, 2017 (SR-BatsBZX-2017-64). On October 10, 2017, the Exchange withdrew SR-BatsBZX-2017-64 and submitted this filing.
