The text of the proposed rule change is available at the Exchange's Web site at www.bats.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for

the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

EDGX recently amended its Restated Certificate of Incorporation in connection with a corporate transaction (the “Transaction”) involving, among other things, the recent acquisition of EDGX, along with Bats BYX Exchange, Inc. (“Bats BYX”), Bats BZX Exchange, Inc. (“Bats BZX”), and Bats EDGA Exchange, Inc. (“Bats EDGA”) and, together with Bats EDGX, Bats BYX, and Bats BZX, the “Bats Exchanges”) by CBOE Holdings, Inc. (“CBOE Holdings”). CBOE Holdings is also the parent of Chicago Board Options Exchange, Incorporated (“CBOE”) and C2 Options Exchange, Incorporated (“C2”). Particularly, the filing proposed, among other things, to amend and restate the certificate of incorporation of the Exchange based on certificates of incorporation of CBOE and C2.³ The Exchange notes that in conforming the Exchange's Certificate to the certificates of CBOE and C2, it inadvertently (1) did not comply with a provision of Delaware law and (ii) referred to an inaccurate version of the Certificate in the introductory paragraph. The Exchange seeks to correct those errors.

Particularly, Section 245(c) of the Delaware General Corporation Law (DGCL) requires that a restated certificate of incorporation “shall state, either in its heading or in an introductory paragraph, the corporation's present name, and, if it has been changed, the name under which it was originally incorporated, and the date of filing of its original certificate of incorporation with the secretary of state.” The Exchange notes that the conformed Certificate did not reference the name under which the corporation was originally incorporated (*i.e.*, “EDGX Exchange, Inc.”). In order to comply with Section 245(c) of the DGCL, the Exchange proposes to amend its Certificate to add a reference to its original name.

³ See Securities Exchange Act Release No. 81503 (August 30, 2017), 82 FR 42153 (September 6, 2017) (SR-BatsEDGX-2017-35).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

¹⁵ 17 CFR 200.30-3(a)(12).

The Exchange also notes that it inadvertently did not reference the correct version of the Certificate in two places in the introductory paragraph. Particularly, the Exchange notes that the third sentence of the introductory paragraph provides that the Second Amended and Restated Certificate of Incorporation of the corporation restated and integrated and also further amended the provisions of the corporation's "Certificate of Incorporation" instead of the then current (and now previous) version titled, "Restated Certificate of Incorporation". Additionally, the last sentence of the introductory paragraph which provides that the current certificate is "amended, integrated and restated to read in its entirety as follows:" mistakenly references the new title of the amended Certificate (*i.e.*, "Second Amended and Restated Certificate of Incorporation") instead of the title of the then current (and now previous) Certificate ("Restated Certificate of Incorporation"). As such, the Exchange proposes to add "Restated" to the third sentence and eliminate the new title reference "Second Amended and" from the last sentence to accurately reflect the correct version of the Certificate that was amended and restated.

The Exchange notes that the proposed changes are concerned solely with the administration of the Exchange and do not affect the meaning, administration, or enforcement of any rules of the Exchange or the rights, obligations, or privileges of Exchange members or their associated persons is [sic] any way.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes correcting inadvertent non-substantive, technical errors in its Certificate in order to comply with Delaware law and reflect the correct and accurate version of the Certificate that was amended will avoid potential confusion, thereby removing impediments to, and perfecting the mechanism for a free and open market and a national market system, and, in general, protecting investors and the public interest of market participants. As noted above, the proposed changes do not affect the meaning, administration, or enforcement of any rules of the Exchange or the rights, obligations, or privileges of Exchange members or their associated persons in any way.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Rather, the proposed rule change is merely attempting to correct inadvertent technical errors in the Exchange's introductory paragraph of its Certificate. The proposed rule change has no impact on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and paragraph (f) of Rule 19b-4⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings

to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81928; File No. SR-NYSEAMER-2017-23]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Rule 964.2NY Regarding the Participation Entitlement Formula for Specialists and e-Specialists

October 24, 2017.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”),² and Rule 19b-4 thereunder,³ notice is hereby given that, on October 10, 2017, NYSE American LLC (the “Exchange” or “NYSE American”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify Rule 964.2NY regarding the participation entitlement formula for Specialists and e-Specialists. The proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries,

set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the filing is to modify Rule 964.2NY regarding the participation entitlement of Specialists and e-Specialists.⁴

Rule 964.2NY sets forth the priority for the allocation of incoming orders to resting interest at a particular price in the System,⁵ which includes the allocation to the Specialist Pool.⁶ Rule 964.2NY sets forth the participant entitlement formula applicable to the Specialist Pool and provides that, on a quarterly basis, the Exchange will determine a Primary Specialist from among the Specialists e-Specialists [sic] in each option class.

Generally, the Specialist Pool is entitled to 40% of the remaining balance of an order after any orders on behalf of Customers in the Consolidated Book are satisfied.⁷ Rule 964.2NY(b)(3)(A) provides that Specialists and e-Specialists quoting at the NBBO will share in the Specialist Pool participation entitlement on a size pro rata basis and provides that the Primary Specialist’s size pro rata participation will receive additional weighting, as determined by the Exchange and announced by Trader Update (the “Additional Weighting”). Pursuant to the current Rule, this Additional Weighting afforded to the Primary Specialist is capped at 66⅔% if there is only one e-Specialist, and at 50% if there are two or more e-Specialists (the “Cap”).⁸

⁴ A Specialist is “an individual or entity that has been deemed qualified by the Exchange for the purpose of making transactions on the Exchange in accordance with the provisions of Rule 920NY [Market Makers], and who meets the qualification requirements of Rule 927NY(b) [Specialists]. Each Specialist must be registered with the Exchange as a Market Maker. Any ATP Holder registered as a Market Maker with the Exchange is eligible to be qualified as a Specialist. See Rule 900.2NY(76). Rule 923NY(b) also provides that “[t]he Exchange may designate e-Specialists in an option class in accordance with Rule 927.4NY [e-Specialists].” See Rule 923NY(b).

⁵ The term “System” refers to the Exchange’s electronic order delivery, execution and reporting system through which orders and quotes for listed options are consolidated for execution and/or display. See Rule 900.2NY (48) (defining “Exchange System” or “System”).

⁶ The Specialist Pool refers to the aggregated size of the best bid and best offer, in a given series, amongst the Specialist and e-Specialists that match in price. See Rule 900.2NY(75).

⁷ See Rule 964.2NY(b)(2).

⁸ See Rule 964.2NY(b)(3)(A).

Currently, the Exchange applies the Additional Weighting as follows: When an inbound order is allocated against the Specialist Pool, the Primary Specialist’s quoted size is treated as if it were double (*i.e.*, two (2) times the number of contracts being quoted) and this doubled size is then used in the calculation (as shown in the examples below) to determine the allocation to both the Primary Specialist as well as the other participants in the Specialist Pool.⁹ When there is only one e-Specialist and both the Specialist and e-Specialist are quoting the same size, this Additional Weighting will not be greater than 66⅔%. When there is more than one e-Specialist and the Specialist and e-Specialists are all quoting the same size, this Additional Weighting will not be greater than 50%.

Because current Rule 964.2NY(b)(3)(A) does not specify the circumstances under which the Primary Specialist’s allocation in the Specialist Pool is subject to the Cap, the Exchange proposes to make clear that the Cap only applies if “all participants in the Specialist Pool are quoting the same size.”¹⁰ When all participants in the Specialist Pool are not quoting the same size, the Primary Specialist may receive up to the entirety of the Specialist Pool’s participation allocation. However, for this scenario to occur, the Primary Specialist’s quoted size would need to be disproportionately larger than the other participants in the Specialist Pool such that the allocation to which the other participant(s) in the Specialist Pool is entitled is less than one contract (*i.e.*, a fractional share). For example, if the Primary Specialist is quoting 300 contracts and the other eSpecialist in

⁹ The Exchange may modify how it calculates the Additional Weighting, which calculation would be announced by Trader Update. See Rule 964.2NY(b)(3)(A). See, *e.g.*, September 27, 2012 Trader Update, available here, <https://www.nyse.com/publicdocs/nyse/notifications/trader-update/NYSE%20AMEX%20OPTIONS%20Trader%20Update%20Primary%20Specialist%20Implementation%209-27-12%20FINALtw.pdf>; and December 21, 2012 Trader Update, available here, <https://www.nyse.com/publicdocs/nyse/notifications/trader-update/NYSE%20AMEX%20OPTIONS%20Trader%20Update%20Primary%20Specialist%20Implementation%2010213%20%20%20.pdf>.

¹⁰ See proposed Rule 964.2NY(b)(3)(A) (providing, in part, that the “Primary Specialist’s size pro-rata participation in the Specialist Pool will receive additional weighting, as determined by the Exchange, and announced via Trader Update; provided, however, that if all participants in the Specialist Pool are quoting the same size, this additional weighting will be no greater than 66⅔% if there is only one e-Specialist, and no greater than 50% if there are two or more e-Specialists”). The Exchange also proposes to capitalize the “s” in the defined term “e-Specialist.” See *id.*
