DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****Notice of Intent of Waiver With Respect to Land**

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice.

SUMMARY: The FAA is considering a proposal to change a 29.429-acre portion of airport land from aeronautical use to non-aeronautical use and to authorize the sale of airport property located at Aurora Municipal Airport, Sugar Grove, IL.

The subject portion of airport property considered for release from obligation to be maintained for aeronautical use and sale includes a 26.67-acre portion of Parcel 33, a 0.69-acre portion of Parcel 10, and a 2.069-acre portion of Parcel 11 that are located in the northwest quadrant of the airport along Wheeler Road and currently not being used directly for aeronautical purposes. Currently, ownership of the property provides for protection of FAR Part 77 surfaces and compatible land use which would continue to be protected with deed restrictions required in the transfer of land ownership. The change from aeronautical to non-aeronautical use would allow for the more efficient use of existing airport property. The aforementioned land is not needed for aeronautical use.
