Certain Circular Welded Carbon Steel Pipes and Tubes From Taiwan: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 18, 2017, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain circular welded carbon steel pipes and tubes from Taiwan. The period of review (POR) is May 1, 2015 through April 30, 2016. This review covers Shin Yang Steel Co., Ltd. (Shin Yang) and Yieh Hsing Enterprise Co., Ltd. (Yieh Hsing). Based on our analysis of the comments received, we have made certain changes in the margin calculations. The final weighted-average dumping margins for the reviewed firms are listed below in the section entitled, "Final Results of the Review."

DATES: Applicable November 20, 2017.

FOR FURTHER INFORMATION CONTACT: Scott Hoefke, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4947.

SUPPLEMENTARY INFORMATION:**Background**

On May 18, 2017, the Department published the *Preliminary Results* of this review in the **Federal Register**.¹ We invited parties to comment on the *Preliminary Results*. On June 19, 2017, we received a case brief from Wheatland Tube Group (the petitioner).² On June 26, 2017, we received a rebuttal brief from Shin Yang.³ The Department conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise subject to the order is certain circular welded carbon steel pipes and tubes from Taiwan. The product is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) item numbers 7306.30.5025, 7306.30.5032, 7306.30.5040, and 7306.30.5055. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.⁴

Final Determination of No Shipments

In the *Preliminary Results*, the Department preliminarily determined that Yieh Hsing had no shipments during the period of review (POR).⁵ Following publication of the *Preliminary Results*, we received no comments from interested parties regarding Yieh Hsing. As a result, and because the record contains no evidence to the contrary, we continue to find that

² See Petitioner's June 19, 2017, Case Brief (Petitioner Case Brief).

³ See Shin Yang's June 27, 2017, Rebuttal Brief (Shin Yang Rebuttal).

⁴ A full written description of the scope of the order is contained in Memorandum, "Certain Circular Welded Carbon Steel Pipes and Tubes from Taiwan; 2015-2016," (Issues and Decision Memorandum), dated concurrently with this notice and incorporated herein by reference.

Yieh Hsing made no shipments during the POR. Accordingly, consistent with the Department's practice, we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate any existing entries of merchandise produced by Yieh Hsing, but exported by other parties without their own rate, at the all-others rate.⁶

Analysis of the Comments Received

All issues raised in the case and rebuttal briefs submitted in this review are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. A list of the issues raised is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and it is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on our analysis of the comments received, we made a change to the *Preliminary Results*. For Shin Yang, we adjusted the home market calculation program to correct an error related to surrogate production costs. For a full discussion of all comments received, see Issues and Decision Memorandum.

Final Results of the Review

As a result of this review, we determine that the following weighted-average dumping margin exists:

Producer/exporter	Dumping margin (percent)
Shin Yang Steel Co., Ltd	1.78

Disclosure

We intend to disclose the calculations performed for these final results of review within five days of the date of

publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b).

For Shin Yang, because its weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent), the Department has calculated importer-specific antidumping duty assessment rates. We calculated importer-specific *ad valorem* antidumping duty assessment rates by aggregating the total amount of dumping calculated for the examined sales of each importer and dividing each of these amounts by the total entered value associated with those sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review where an importer-specific assessment rate is not zero or *de minimis*. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the importer-specific assessment rate is zero or *de minimis*.

As noted in the “Final Determination of No Shipments” section, above, the Department will instruct CBP to liquidate any existing entries of merchandise produced by Yieh Hsing but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rates will be equal to the weighted-average dumping margins established in the final results of this review; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a previous review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash

deposit rate for all other manufacturers or exporters will continue to be 9.70 percent, the all-others rate established in the LTFV investigation.⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 14, 2017.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
