

Executive Order 13132

It has been determined under section 1(a) of Executive Order 13132, Federalism, that this rule does not have sufficient implications to warrant consultation with the States. The provisions contained in this rule will not have a substantial direct effect on States, or on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government.

Executive Order 13175

This rule has been reviewed in accordance with the requirements of Executive Order 13175, "Consultation and Coordination with Indian Tribal Governments." Executive Order 13175 requires Federal agencies to consult and coordinate with tribes on a government-to-government basis on policies that have tribal implications, including regulations, legislative comments or proposed legislation, and other policy statements or actions that have substantial direct effects on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

USDA has assessed the impact of this rule on Indian tribes and determined that this rule does not, to our knowledge, have tribal implications that require tribal consultation under E.O. 13175. If a Tribe requests consultation, USDA will work with the Office of Tribal Relations to ensure meaningful consultation is provided where changes, additions and modifications identified herein are not expressly mandated by Congress.

Regulatory Flexibility Act

USDA certifies that this regulation will not have a significant economic impact on a substantial number of small entities. This regulation is a conforming amendment to a final rule published by FCIC that states the Federal crop insurance program is the same for all producers regardless of the size of their farming operation. For instance, all producers are required to file an AD-1026 with FSA to be eligible for premium subsidy. Whether a producer has 10 acres or 1,000 acres, there is no difference in the kind of information collected. To ensure crop insurance is available to small entities, the Federal Crop Insurance Act (FCIA) authorizes FCIC to waive collection of administrative fees from limited resource farmers. FCIC believes this waiver helps to ensure that small

entities are given the same opportunities as large entities to manage their risks through the use of crop insurance. A Regulatory Flexibility Analysis has not been prepared since this regulation does not have a significant impact on a substantial number of small entities, and, therefore, this regulation is exempt from the provisions of the Regulatory Flexibility Act (5 U.S.C. 605).

Federal Assistance Program

This program is listed in the Catalog of Federal Domestic Assistance under No. 10.450.

Executive Order 12372

This program is not subject to the provisions of Executive Order 12372, which require intergovernmental consultation with State and local officials. See 2 CFR part 415, subpart C.

Executive Order 12988

This rule has been reviewed in accordance with Executive Order 12988 on civil justice reform. The provisions of this rule will not have a retroactive effect. The provisions of this rule will preempt State and local laws to the extent such State and local laws are inconsistent herewith.

Environmental Evaluation

This action is not expected to have a significant economic impact on the quality of the human environment, health, or safety. Therefore, neither an Environmental Assessment nor an Environmental Impact Statement is needed.

List of Subjects in 7 CFR Part 12

Final Rule

Accordingly, as set forth in the preamble, USDA amends 7 CFR part 12 as follows:

PART 12—HIGHLY ERODIBLE LAND CONSERVATION AND WETLAND CONSERVATION

- 2. Amend § 12.13 by revising paragraph (b) to read as follows:

* * * * *

(b) *Ineligibility for failing to certify compliance.* Subject to paragraph (b)(2) of this section, failing to certify

compliance as specified in § 12.7 will result in ineligibility as follows:

(1) A Form AD-1026, or successor form, for the person must be filed with FSA for the reinsurance year in order for the person to be eligible for any Federal crop insurance premium subsidies for the reinsurance year. Persons will be ineligible for Federal crop insurance premium subsidy on their crop insurance policy if form AD-1026, or successor form, has not been filed with FSA for the reinsurance year by the premium billing date for their Federally-reinsured crop insurance policy.

(2) A person that has not filed an AD-1026 for the reinsurance year by the premium billing date may be eligible for premium subsidy for the reinsurance year if they provide information necessary for the person's filing of a Form AD-1026 if the person:

(i) Is unable to file a Form AD-1026 due to circumstances beyond the person's control, as determined by FSA; or

(ii) Files a Form AD-1026 in good faith and FSA subsequently determines that additional information is needed, but the person is unable to comply due to circumstances beyond the control of the person.

(3) A person who does not have Form AD-1026, or successor form, on file with FSA for the reinsurance year may be eligible for Federal crop insurance premium subsidy for the initial reinsurance year if the person can demonstrate they meet RMA's conditions for new to farming, new to crop insurance, a new entity, or have not previously been required to file form AD-1026.

Streamlining Administrative Regulations for Multifamily Housing Programs and Implementing Family Income Reviews Under the Fixing America’s Surface Transportation (FAST) Act

AGENCY: Office of the Deputy Secretary, HUD.

ACTION: Interim final rule.

SUMMARY: HUD published a final rule on March 8, 2016, containing changes to streamline regulatory requirements pertaining to certain elements of the Housing Choice Voucher (HCV), Public Housing (PH), and various multifamily housing (MFH) rental assistance programs. The goal of the final rule was to reduce the administrative burden on public housing agencies (PHAs) and MFH owners, including changes pertaining to annual income reviews in the HCV, PH, and Section 8 Project-Based Rental Assistance (PBRA) programs for families with sources of fixed income. On December 4, 2015, the President signed the Fixing America’s Surface Transportation Act (FAST Act) into law. The law contained language that allowed PHAs and owners to conduct full income recertification for families with 90 percent or more of their income from fixed-income every 3 years instead of annually. This interim final rule amends the regulatory language to implement the FAST Act and to align the current regulatory flexibilities with those provided in the FAST Act. In addition, this interim final rule seeks to extend to certain MFH programs some of the streamlining changes that were proposed for and made only to the HCV and PH programs.

DATES: *Effective date:* March 12, 2018.
