FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please contact Defense Health Agency, TRICARE Health Plan (J-10), ATTN: Mark Ellis, 7700 Arlington Boulevard, Falls Church, VA 22042, or call the TRICARE Health Plan, 703-681-0039.

SUPPLEMENTARY INFORMATION:

Title: Associated Form; and *OMB Number:* TRICARE Select Enrollment, Disenrollment, and Change Form, DD Form 3043, OMB Control Number 0720-XXXX.

Needs and Uses: The information collection requirement is necessary to obtain each non-active duty TRICARE beneficiary's personal information needed to: (1) Complete his/her enrollment into the TRICARE Select health plan option, (2) dis-enroll a beneficiary, or (3) change a beneficiary's enrollment information (e.g., address, add a dependent, report other health insurance). This information is required to ensure the beneficiary's TRICARE benefits and claims are administered based on their TRICARE plan of choice. Without this new enrollment form, each non-active duty TRICARE beneficiary is automatically defaulted into direct care, limiting their health care options to military hospitals and clinics. These beneficiaries would have no TRICARE coverage when using the TRICARE network of providers for services not available at their local military hospital or clinic.

Affected Public: Individuals or Households.

Annual Burden Hours: 24,825.

Number of Respondents: 99,300.

Responses per Respondent: 1.

Annual Responses: 99,300.

Average Burden per Response: 15 minutes.

Frequency: On occasion.

Respondents could be any non-active duty TRICARE beneficiary who is not eligible for Medicare. These beneficiaries have the option of enrolling into either the TRICARE Prime or TRICARE Select plan option starting January 1, 2018. Those choosing to

enroll in TRICARE Select can do so by submitting the DD Form 3043, using the BWE portal, or calling their Regional Contractor. If they choose to use the DD Form 3043, they must complete the appropriate page(s) of the form and mail the form to their Regional Contractor. No other form is required to enroll, disenroll, or change an enrollment. Respondents can download the form from the DoD Forms Management Program website, or click on the link to the form on the *TRICARE.mil* website or their Regional Contractor's website, or obtain a copy from their local military hospital or clinic. The mailing address and toll-free customer service number for their Regional Contractor are included on the DD Form 3043. If using either website option, the respondent can type in the information on the form prior to printing it or handwrite the information after printing the blank form.

DEPARTMENT OF EDUCATION

Study of the ESEA Title VI Indian Education LEA Grants Program; ED-2017-ICCD-0083; Correction

AGENCY: Department of Education.

ACTION: Correction Notice.

SUMMARY: This is to request correction on the **Federal Register** Notice (Docket ID Number ED-2017-ICCD-0083; FR DOC# 2017-26723), published on December 12, 2017, and entitled "Evaluation of the ESEA Title VI Indian Education LEA Grants Program". The title and abstract were incorrect. The correct title is "Study of the ESEA Title VI Indian Education LEA Grants Program". The abstract is corrected as follows:

This data collection supports a national study of the implementation of the Title VI Indian Education Grants to Local Educational Agencies program. It will provide descriptive information on the nature of program-funded services. It will also examine how grantees align and leverage Title VI-funded services with those funded by other federal, state, and local sources; how they identify American Indian and Alaska Native (AI/AN) students who are eligible for these services; how they establish and implement program priorities with parent, community, and tribal involvement; and how they measure progress toward their Title VI project objectives. This information will inform the U.S. Department of Education's Office of Indian Education

(OIE), other federal policy, budget and program staff, and grantees about the implementation of current practices. To gather consistent information that addresses how Title VI grantees are identifying eligible children and planning and implementing services for them, it is necessary to collect additional information beyond current federal data collections (e.g., Annual Performance Reports and EASIE Budget Reports provided by the OIE).

The Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management, hereby issues a correction notice as required by the Paperwork Reduction Act of 1995.

Dated: December 12, 2017.

Kate Mullan,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.

DEPARTMENT OF ENERGY

Biological and Environmental Research Advisory Committee; Notice of Renewal

AGENCY: Office of Science, Department of Energy.

ACTION: Notice of renewal.

SUMMARY: Pursuant to the Federal Advisory Committee Act and Code of Federal Regulations, and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Biological and Environmental Research Advisory Committee's (BERAC) charter has been renewed for a two-year period.

The Committee provides advice and recommendations to the Director, Office of Science on the biological and environmental research programs.

Additionally, the Secretary of Energy has determined that renewal of the BERAC has been determined to be essential to conduct business of the Department of Energy's mission and to be in the public interest in connection with the performance of duties imposed upon the Department of Energy by law and agreement. The Committee will operate in accordance with the provisions of the Federal Advisory Committee Act, the Department of Energy Organization Act (Pub. L. 95-91), and rules and regulations issued in implementation of that Act.
