

unmixed from \$1 coins inscribed with a year before 1979. The United States Mint will redeem unmixed \$1 coins inscribed with a year after 1978 at a rate of \$56.00 per pound.

(e) *Redemption sites.* Coins are shipped at the sender's risk of loss and expense.

(1) Bent and partial coins submitted in quantities less than or equal to a threshold established annually will be redeemed only at the United States Mint at Philadelphia, P.O. Box 400, Philadelphia, PA 19105.

(2) Bent and partial coins submitted in quantities greater than a threshold established annually should be scheduled with the United States Mint to be sent directly to the authorized recycler(s) of the United States Mint.

§ 100.12 Exchange of fused or mixed coin.

(a) *Definitions.* (1) Fused coins are U.S. coins which are melted to the extent that they are bonded together.

(2) Mixed coins are U.S. coins of several alloy categories which are presented together, but are readily and clearly identifiable as U.S. coins.

(b) *Fused and mixed coins.* The United States Mint will not accept fused coins for redemption. The United States Mint will not accept mixed coins for redemption, except as provided for in § 100.11(d)(2).

§ 100.13 Notices.

(a) Additional information and procedures about the United States Mint's redemption of bent or partial coins can be found on the United States Mint's website.

(b) Criminal penalties connected with the defacement or mutilation of U.S. coins are provided in 18 U.S.C. 331.

(c) The Director of the United States Mint may provide information pertaining to any bent or partial coin submissions to law enforcement officials or other third parties for purposes of investigating related criminal activity or for purposes of seeking a civil judgment.

(d) Whoever intentionally files a false claim seeking reimbursement for uncurrent, bent or partial coins may be held criminally liable under a number of statutes including 18 U.S.C. 287 and 18 U.S.C. 1341 and may be held civilly liable under 31 U.S.C. 3729, *et seq.*

Dated: December 11, 2017.

Jean Gentry,

Chief Counsel, United States Mint.

[USCG-2017-1007]

2016 Quarterly Listings; Safety Zones, Security Zones, Special Local Regulations, Drawbridge Operation Regulations and Regulated Navigation Areas

AGENCY: Coast Guard, DHS.

ACTION: Notification of expired temporary rules issued.

SUMMARY: This document provides notice of substantive rules issued by the Coast Guard that were made temporarily effective but expired before they could be published in the **Federal Register**. This document lists temporary safety zones, security zones, special local regulations, drawbridge operation regulations and regulated navigation areas, all of limited duration and for which timely publication in the **Federal Register** was not possible.

DATES: This document lists temporary Coast Guard rules that became effective, primarily between July 2016 and September 2016, unless otherwise indicated, and were terminated before they could be published in the **Federal Register**.

ADDRESSES: Temporary rules listed in this document may be viewed online, under their respective docket numbers, using the Federal eRulemaking Portal at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: For questions on this notice contact Yeoman First Class David Hager, Office of Regulations and Administrative Law, telephone (202) 372-3862.

SUPPLEMENTARY INFORMATION: Coast Guard District Commanders and Captains of the Port (COTP) must be immediately responsive to the safety and security needs within their jurisdiction; therefore, District Commanders and COTPs have been delegated the authority to issue certain local regulations. *Safety zones* may be established for safety or environmental purposes. A safety zone may be stationary and described by fixed limits or it may be described as a zone around a vessel in motion. *Security zones* limit access to prevent injury or damage to vessels, ports, or waterfront facilities. *Special local regulations* are issued to

enhance the safety of participants and spectators at regattas and other marine events. *Drawbridge operation regulations* authorize changes to drawbridge schedules to accommodate bridge repairs, seasonal vessel traffic, and local public events. *Regulated Navigation Areas* are water areas within a defined boundary for which regulations for vessels navigating within the area have been established by the regional Coast Guard District Commander.

Timely publication of these rules in the **Federal Register** may be precluded when a rule responds to an emergency, or when an event occurs without sufficient advance notice. The affected public is, however, often informed of these rules through Local Notices to Mariners, press releases, and other means. Moreover, actual notification is provided by Coast Guard patrol vessels enforcing the restrictions imposed by the rule. Because **Federal Register** publication was not possible before the end of the effective period, mariners were personally notified of the contents of these safety zones, security zones, special local regulations, regulated navigation areas or drawbridge operation regulations by Coast Guard officials on-scene prior to any enforcement action. However, the Coast Guard, by law, must publish in the **Federal Register** notice of substantive rules adopted. To meet this obligation without imposing undue expense on the public, the Coast Guard periodically publishes a list of these temporary safety zones, security zones, special local regulations, regulated navigation areas and drawbridge operation regulations. Permanent rules are not included in this list because they are published in their entirety in the **Federal Register**. Temporary rules are also published in their entirety if sufficient time is available to do so before they are placed in effect or terminated.

The following unpublished rules were placed in effect temporarily during the period between May 2013–October 2016 unless otherwise indicated. To view copies of these rules, visit www.regulations.gov and search by the docket number indicated in the list below.
