

development of an application package. The deadline for the submission of a complete application is 90 calendar days from the date of notification of response selection. If the application is not received by the appropriate State Office within 90 calendar days from the date of notification, the selection is subject to cancellation, thereby allowing another response that is ready to proceed with processing to be selected. The Agency may extend this 90 day deadline for receipt of an application at its own discretion.

VI. Award Administration Information

Obligation of Program Funds: The Agency will only obligate funds to projects that meet the requirements under 7 CFR part 3565 and this Notice, including having undergone a satisfactory environmental review in accordance with the National Environmental Protection Act (NEPA) and completed Form RD 3565-1, "Application for Loan and Guarantee".

The Agency will select the responses that meet eligibility criteria and invite lenders, via a Notice to Proceed, to submit complete applications to the Agency, as well as a request for GRRHP approved lender status if necessary. Once a complete application is received and approved (and any request for GRRHP approved lender status is granted), the Agency's State Office will submit a request to obligate funds to the Agency's National Office. Obligation requests submitted to the National Office will be accumulated and placed in a queue for funding based on the order by which the obligation request was received by the National Office. In the event that multiple obligation requests are received at the same time, first priority will be given to the request for the project that has the highest percentage of leveraging (lowest Loan to Cost). If there is still a tie, priority will be given to the project in the smaller rural community.

In the event there is insufficient funding for applications approved under this Notice, the Agency will fund applications based on priority score ranking described in Section V.

Conditional Commitment: Once the required documents for obligation are received and all applicable requirements have been met, including NEPA requirements, and to the extent funding is available, the USDA Rural Development State Office will issue a Conditional Commitment. The Conditional Commitment will stipulate the conditions that must be fulfilled before the issuance of a guarantee, in accordance with 7 CFR 3565.303.

Issuance of Guarantee: The USDA Rural Development State Office will issue a guarantee to the lender for a project in accordance with 7 CFR 3565.303. No guarantee can be issued without a complete application, review of appropriate certifications, satisfactory assessment of the appropriate level of environmental review, and the completion of any conditional requirements.

Tracking of Average Rents: After the loan closes, the lender will track the initial affordable rent at each property funded under this Notice and the average market rent in the area. The difference between these two rents will provide the lender with a measure of the impact the GRRHP has on affordable rents.
