

Accordingly, the Commission finds that there is a violation of section 337 with respect to both asserted patents. The Commission has determined the appropriate remedy is a limited exclusion order against Respondents' accused products, and a cease and desist order against Respondent CJ America. The Commission has also determined that the public interest factors enumerated in subsections 337(d)(1) and (f)(1) (19 U.S.C. 1337(d)(1), (f)(1)) do not preclude issuance of the limited exclusion order and cease and desist order. The Commission has further determined to set a bond at zero (0) percent of entered value during the Presidential review period (19 U.S.C. 1337(j)).

The Commission's orders and opinion were delivered to the President and to the United States Trade Representative on the day of their issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
Issued: December 18, 2017.

Lisa R. Barton,

Secretary to the Commission.
