DEPARTMENT OF LABOR

Employment and Training Administration

Labor Certification Process for the Temporary Employment of Aliens in Agriculture in the United States: Adverse Effect Wage Rate for Range Occupations in 2018; Correction

AGENCY: Employment and Training Administration, Department of Labor.

ACTION: Notice: Correction.

SUMMARY: The Employment and Training Administration (ETA) of the Department of Labor (Department) published a notice in the **Federal Register** on December 22, 2017, announcing the 2018 Adverse Effect Wage Rate (AEWR) for the employment of temporary or seasonal nonimmigrant foreign workers (H–2A workers) to perform herding or production of livestock on the range. That notice contained two different figures as the 2018 AEWR, one correct (\$1,584.22/month) and the other incorrect. This notice corrects the incorrect figure.

DATES: January 1, 2018.

FOR FURTHER INFORMATION CONTACT:

William W. Thompson, II, Administrator, Office of Foreign Labor Certification, Box #12–200, Employment & Training Administration, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210. Telephone number: 202–513–7350 (this is not a toll-free number).

Individuals with hearing or speech impairments may access the telephone number above via TTY by calling the toll-free Federal Information Relay Service at 1–877–889–5627.

Correction

In the **Federal Register** of Friday, December 22, 2017, in FR Doc. 17–27530, on page 60768, in the third column, correct the first paragraph to read:

Thus, the national monthly AEWR rate for all range occupations in the H–2A program in 2018 is calculated by multiplying the full AEWR for calendar year 2017 by the 2018 ECI adjustment ($\$1544.07 \times 1.026 = \$1,584.22$). Accordingly, any employer certified or seeking certification for range workers must pay each worker a wage that is at least the highest of the monthly AEWR of \$1,584.22, the agreed-upon collective bargaining wage, or the applicable minimum wage imposed by Federal or State legislation or judicial action, at the time work is performed on or after the effective date of this notice.

Nancy Rooney,

Deputy Assistant Secretary, Employment and Training Administration.

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Alternative Method of Compliance for Certain Simplified Employee Pensions information collection. The alternative disclosure arrangement established through regulations 29 CFR 2520.104-49 relieves a sponsor of a non-model Simplified Employee Pension (SEP) of most Employee Retirement Income Security Act (ERISA) Title I reporting and disclosure requirements. In addition, disclosure requirements set forth in the regulation ensure an administrator of a non-model SEP provides participants with specific written information concerning the SEP. This information collection requirement generally requires timely written disclosure to employees eligible to participate in a non-model SEP, including specific information concerning: Participation requirements; allocation formulas for employer contributions; designated contact persons for further information; and, for employer recommended Individual Retirement Accounts (IRAs), specific IRA terms—such as rates of return and any restrictions on withdrawals. Moreover, general information is required that provides a clear explanation of the operation of the non-model SEP; participation requirements, and any withdrawal restrictions; and the tax treatment of the SEP-related IRA. Furthermore, statements must be provided to inform participants of: Any other IRAs under the non-model SEP other than that to which employer contributions are made; any options regarding rollovers and contributions to other IRAs; descriptions of U.S. Department of the Treasury, Internal Revenue Service disclosure requirements to participants and information regarding social security integration (if applicable); and timely notification of any amendments to the terms of the non-model SEP. Employee Income Retirement Security Act of 1974 authorizes this information collection. See 29 U.S.C. 1030.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA
