Notice is hereby given that Core Capital Partners II-S, L.P., 1717 K Street NW, Suite 920, Washington, DC 20006, a Federal Licensee under the Small Business Investment Act of 1958, as amended (“the Act”), in connection with the financing of a small concern, has sought an exemption under Section 312 of the Act and Section 107.730, Financings which Constitute Conflicts of Interest of the Small Business Administration (“SBA”) Rules and Regulations (13 CFR 107.730). SUPPLEMENTARY INFORMATION:

Purpose

The SSI program provides means-tested payments to the elderly and individuals with disabilities, including children. In 2016, the SSI program provided payments to over 9 million individuals, about 11 percent of whom were transition age, which we define as ages 14–25.¹ While studies have shown that transition-age SSI recipients are at risk of poor economic outcomes—lower earnings and employment—when they become adults, it is not clear what supports could improve these outcomes or who should provide them. Understanding that SSI is only one part of the social safety net of programs intended to support individuals, SSA is interested in playing an appropriate role supporting broader Federal, State, and local efforts to improve the adult outcomes of youth SSI recipients.

This RFI offers interested parties, including States, community-based and other non-profit organizations, philanthropic organizations, researchers, and members of the public, the opportunity to provide information and recommendations on effective approaches for improving adult outcomes for youth receiving SSI. For the purposes of this notice, “transition age” and “youth” are used interchangeably and refer to individuals ages 14 to 25;² “minors” or “children”
