

I. Introduction

On December 27, 2017, the Postal Service filed a request for the Commission to consider revisions to the periodic reporting requirements codified in 39 CFR part 3050.¹ The Commission initiates this rulemaking to seek comments and facilitate the Commission's examination of these periodic reporting requirements.

II. Background

The Postal Accountability and Enhancement Act (PAEA) granted the Commission enhanced information gathering and reporting responsibilities. See 39 U.S.C. 3652(e)(1). The PAEA provides that the Commission shall prescribe the content and form of the public reports the Postal Service files with the Commission under section 3652. In Docket No. RM2008–4, the Commission approved its current periodic reporting requirements.²

On December 27, 2017, the Postal Service filed a request for the Commission to consider revisions to the periodic reporting requirements. First, the Postal Service requests that the Commission adjust the deadlines for the quarterly Revenue, Pieces, and Weight (RPW) report; the Quarterly Statistics Report (QSR); the quarterly Billing Determinants report, and the monthly National Consolidated Trial Balance and the Revenue and Expense Summary (Trial Balance) report, to align the deadlines with other financial reporting deadlines. Petition at 1. The Postal Service states that revising the regulations so these deadlines align with other financial reporting deadlines will avoid potential restatements of the earlier filed reports once the data for the later filed reports are finalized. *Id.* at 3.

Specifically, the Postal Service wants to move the deadline for the RPW and QSR reports so that the quarterly and year-end report deadlines are the same as the Form 10–Q and Form 10–K report due dates. *Id.* at 2–3. In addition, the Postal Service requests that the deadlines for the quarterly Billing Determinants reports be extended to 60 days after the end of Quarters 1, 2, and 3, and 90 days after the year-end for Quarter 4.³ The Postal Service also

requests that the Commission revise the periodic reporting rules so that the Trial Balance reports and the Monthly Summary Financial reports have the same deadline. *Id.* at 5–6.

Second, the Postal Service requests that the Commission modify the format of the Monthly Summary Financial Report to make the report more consistent with the Postal Service's quarterly and annual financial reports. *Id.* at 1. The Postal Service states that the term “Operating Revenue” as it is used in Tables 1 and 2 of the Monthly Summary Financial Report does not correspond with its usage in its Form 10–K statements. *Id.* at 7. The Postal Service requests revisions to Tables 1 and 2 of the Monthly Summary Financial Report so that the items and amounts reported for total operating revenue reconcile on both tables and the breakdown for revenue more closely aligns with the format in its other financial reports.⁴

Third, the Postal Service requests that the Commission consider eliminating or modifying any reporting requirements that have become unnecessary or irrelevant since the current periodic reporting rules were first implemented in 2009. Petition at 1. The Postal Service requests that the Commission consider eliminating or modifying these requirements to avoid imposing “unnecessary or unwarranted administrative effort and expense” on the Postal Service. *Id.* (citing 39 U.S.C. 3652(e)(1)).

III. Invitation To Comment

Interested persons are invited to provide written comments to facilitate the Commission's examination of the periodic reporting requirements. In addition to the specific revisions requested in the Postal Service's petition, the Commission also invites comments on whether specific periodic reporting requirements should be eliminated or modified or whether updates or enhancements to the requirements should be made.

Comments are due no later than March 7, 2018. Reply comments are due no later than April 6, 2018. All comments and suggestions received will be available for review on the Commission's website, <http://www.prc.gov>.

Pursuant to 39 U.S.C. 505, Lauren A. D'Agostino is appointed to serve as an officer of the Commission (Public Representative) to represent the

interests of the general public in the above-captioned docket.

IV. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket No. RM2018–2 to consider revisions to the periodic reporting requirements.

2. Comments are due no later than March 7, 2018. Reply comments are due no later than April 6, 2018.

3. Pursuant to 39 U.S.C. 505, the Commission appoints Lauren A. D'Agostino to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in this docket.

4. The Secretary shall arrange for publication of this notice in the **Federal Register**.

RIN 2900–AP58

Revise and Streamline VA Acquisition Regulation To Adhere to Federal Acquisition Regulation Principles (VAAR Case 2014–V005—Parts 812, 813)

AGENCY: Department of Veterans Affairs.

ACTION: Proposed rule.

SUMMARY: The Department of Veterans Affairs (VA) is proposing to amend and update its VA Acquisition Regulation (VAAR) in phased increments to revise or remove any policy superseded by changes in the Federal Acquisition Regulation (FAR), to remove procedural guidance internal to VA into the VAAM, and to incorporate any new agency specific regulations or policies. These changes seek to streamline and align the VAAR with the FAR and remove outdated and duplicative requirements and reduce burden on contractors. The VAAM incorporates portions of the removed VAAR as well as other internal agency acquisition policy. VA will rewrite certain parts of the VAAR and VAAM, and as VAAR parts are rewritten, will publish them in the **Federal Register**. To minimize the number of rules published, VA will combine related topics.

DATES: Comments must be received on or before March 12, 2018 to be considered in the formulation of the final rule.

SUPPLEMENTARY INFORMATION:

Background

This action is being taken under the authority of the Office of Federal Procurement Policy (OFPP) Act which provides the authority for an agency head to issue agency acquisition regulations that implement or supplement the FAR. This authority ensures that Government procurements are handled fairly and consistently, that the Government receives overall best value, and that the Government and contractors both operate under a known set of rules.

The proposed rule would update the VAAR to current FAR titles, requirements, and definitions; it would correct inconsistencies and removes redundancies and duplicate material already covered by the FAR; it would also delete outdated material or information and appropriately renumber VAAR text, clauses, and provisions where required to comport with FAR format, numbering and arrangement. All amendments, revisions, and removals have been reviewed and concurred with by an Integrated Product Team of agency stakeholders.

The VAAR uses the regulatory structure and arrangement of the FAR and headings and subject areas are

broken up consistent with the FAR content. The VAAR is divided into subchapters, parts (each of which covers a separate aspect of acquisition), subparts, sections, and subsections.

The Office of Federal Procurement Policy Act, as codified in 41 U.S.C. 1707, provides the authority for the Federal Acquisition Regulation and for the issuance of agency acquisition regulations consistent with the FAR.

When Federal agencies acquire supplies and services using appropriated funds, the purchase is governed by the FAR, set forth at Title 48 Code of Federal Regulations (CFR), chapter 1, parts 1 through 53, and the agency regulations that implement and supplement the FAR. The VAAR is set forth at Title 48 CFR, chapter 8, parts 801 to 873.

VA is proposing to revise the VAAR to add new policy or regulatory requirements and to remove any guidance that is applicable only to VA's internal operating processes or procedures. Codified acquisition regulations may be amended and revised only through rulemaking.

Discussion and Analysis

The VA proposes to make the following changes to the VAAR in this phase of its revision and streamlining initiative. For procedural guidance cited below that is proposed to be deleted from the VAAR, each section cited for removal has been considered for inclusion in VA's internal agency operating procedures in accordance with FAR 1.301(a)(2). Similarly, delegations of authority that are removed from the VAAR will be included in the VA Acquisition Manual (VAAM) as internal agency guidance.

VAAR Part 812—Acquisition of Commercial Items

In VAAR part 812, we propose to replace the 38 U.S.C. 501 citation with 41 U.S.C. 1702 which addresses the acquisition planning and management responsibilities of VA's Chief Acquisition Officer, and add the citation for 38 U.S.C. 8127-8128 which addresses small business concerns owned and controlled by Veterans.

In subpart 812.1, Acquisition of Commercial Items—General, we propose to delete 812.102, Applicability, as unnecessary duplication of language in the FAR.

We propose to add 812.102-70, Applicability of Veterans preferences, to state that the preferences in subpart 819.70 apply to part 812.

We propose to revise 812.301, Solicitation provisions and contract clauses for the acquisition of

commercial items, to delete the existing text and replace paragraph (f) with new text prescribing insertion into solicitations and contracts for commercial acquisitions the provision 852.212-70, Provisions Applicable to VA Acquisition of Commercial Items, and the clause 852.212-71, Contract Terms and Conditions Applicable to VA Acquisition of Commercial Items, which will list all VAAR provisions and clauses from other parts that are available for use in commercial acquisitions. We propose to allow a contracting officer to indicate with a checkmark the specific provisions and clauses that apply to the acquisition. We propose to add a new provision 852.212-72, Gray Market Items, to require vendors of medical equipment to be an Original Equipment Manufacturer (OEM), authorized dealer, authorized distributor or authorized reseller of such equipment.

We propose to revise the list of provisions and clauses and to incorporate them into the new provision and clause being prescribed. The following provisions and clauses are not included in revised section 812.301(f) and further action on them will be addressed in future proposed rules—

852.203-71, Display of Department of Veterans Affairs Hotline Poster.

852.207-70, Report of Employment Under Commercial Activities.

852.211-71, Special Notice.

852.211-72, Technical Industry Standards.

852.211-73, Brand Name or Equal.

852.211-74, Liquidated Damages.

852.211-75, Product Specifications.

852.214-70, Caution to Bidders—Bid Envelopes.

852.216-70, Estimated Quantities.

We propose to add the following provisions and clauses to those available for use in commercial acquisitions based on their potential applicability for commercial item purchases—

852.215-70, Service-Disabled Veteran-Owned and Veteran-Owned Small Business Evaluation Factors.

852.215-71, Evaluation Factor Commitments.

852.219-9, VA Small Business Subcontracting Plan Minimum Requirements.

852.219-10, VA Notice of Total Service-Disabled Veteran-Owned Small Business Set-Aside.

852.219-11, VA Notice of Total Veteran-Owned Small Business Set-Aside.

852.222-70, Contract Work Hours and Safety Standards Act—Nursing Home Care Contract Supplement.

852.232-72, Electronic Submission of Payment Requests.

852.246–73, Noncompliance with Packaging, Packing, and/or Marking Requirements.

852.247–70, Determining Transportation Costs for Bid Evaluation.

We propose to remove 812.302, Tailoring of provisions and clauses for the acquisition of commercial items, in its entirety since it deals with internal procedures for obtaining a waiver to allow tailoring of provisions and clauses to be inconsistent with customary commercial practice.

VAAR Part 813—Simplified Acquisition Procedures

In VAAR part 813, we propose to add the citation for 41 U.S.C. 1702 which addresses the acquisition planning and management responsibilities of VA's Chief Acquisition Officer.

We propose to add 813.003–70, Policy, which would explain that the Veterans First Contracting Program has broad applicability in contracts using Simplified Acquisition Procedures, and 813.102, Source list, to require that contracting officers use the Vendor Information Pages (VIP) database to verify Service-Disabled Veteran-Owned Small Business and Veteran-Owned Small Business status.

We propose to remove 813.106, Soliciting competition, evaluation of quotations or offers, award and documentation, since paragraph (a) addresses internal procedures and paragraph (b) contains material that is adequately addressed in FAR. We will retain the title since 813.106–70 is being added.

We propose to remove 813.106–3, Award and documentation, since it is material adequately addressed in FAR.

We propose to remove 813.106–70, Oral purchase orders, because the FAR contains no authority to issue oral purchase orders.

We propose to add 813.106–70, Soliciting competition, evaluation of quotations or offers, award and documentation—the Veterans First Contracting Program, which emphasizes that contracting officers can use other than competitive procedures under specified circumstances when awarding to Service-Disabled Veteran-Owned Businesses (SDVOSBs) or Veteran-Owned Small Businesses (VOSBs).

We propose to revise 813.202, Purchase guidelines, to renumber it as 813.203 to correspond to the FAR coverage; to delete the words “open market” as unnecessary; and to spell out Service-Disabled Veteran-Owned Small Businesses and Veteran-Owned Small Businesses the first times the acronyms are used.

We propose to remove 813.302, Purchase orders and 813.302–5, Clauses, because they incorrectly prescribe a clause in part 837.

We propose to add 813.305–70, VA's imprest funds and third party drafts policy, to state that the Government-wide commercial purchase card and/or convenience checks shall be used in lieu of imprest funds and third party drafts.

We propose to remove 813.307, Forms, and include it in VA's internal procedural guidance.

VAAR Part 852—Solicitation Provisions and Contract Clauses

In VAAR part 852, we propose to replace the 38 U.S.C. 501 citation with 41 U.S.C. 1702 which addresses the acquisition planning and management responsibilities of VA's Chief Acquisition Officer.

In subpart 852.2, we propose to add the provision 852.212–70, Provisions Applicable to VA Acquisition of Commercial Items, to permit the contracting officer to check those that will be applicable to the individual commercial buy.

In subpart 852.2, we propose to add the provision 852.212–71, Contract Terms and Conditions Applicable to VA Acquisition of Commercial Items, to permit the contracting officer to check those that will be applicable to the individual commercial buy.

In subpart 852.2, we propose to add the provision 852.212–72, Gray Market Items, to ensure that new medical equipment for VA Medical Centers is purchased from authorized distributors and that all software licensing, warranty and service associated with the equipment/system shall be in accordance with the Original Equipment Manufacturer's terms and conditions.

Effect of Rulemaking

Title 48, Federal Acquisition Regulations System, Chapter 8, Department of Veterans Affairs, of the Code of Federal Regulations, as proposed to be revised by this rulemaking, would represent VA's implementation of its legal authority and publication of the Department of Veterans Affairs Acquisition Regulation (VAAR) for the cited applicable parts. Other than future amendments to this rule or governing statutes for the cited applicable parts, or as otherwise authorized by approved deviations or waivers in accordance with Federal Acquisition Regulation (FAR) subpart 1.4, Deviations from the FAR, and as implemented by VAAR subpart 801.4, Deviations from the FAR or VAAR, no contrary guidance or procedures would

be authorized. All existing or subsequent VA guidance would be read to conform with the rulemaking if possible or, if not possible, such guidance would be superseded by this rulemaking as pertains to the cited applicable VAAR parts.

Executive Orders 12866, 13563 and 13771

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits of reducing costs, of harmonizing rules, and of promoting flexibility. E.O. 12866, Regulatory Planning and Review, defines “significant regulatory action” to mean any regulatory action that is likely to result in a rule that may: “(1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive order.”

VA has examined the economic, interagency, budgetary, legal, and policy implications of this regulatory action, and it has been determined to be a significant regulatory action under E.O. 12866, because it raises novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order. VA's impact analysis can be found as a supporting document at <http://www.regulations.gov>, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA's website at <http://www.va.gov/orpm> by following the link for VA Regulations Published from FY 2004 Through Fiscal Year to Date. This proposed rule is not expected to be subject to the requirements of E.O. 13771 because this proposed rule is

expected to result in no more than *de minimis* costs.

Paperwork Reduction Act

Although this action contains provisions constituting collections of information at 48 CFR 813, under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3521), no new or proposed revised collections of information are associated with this proposed rule. The information collection requirements for 48 CFR 813 are currently approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 2900–0393.

Regulatory Flexibility Act

This proposed rule would not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601–612. This proposed rule would generally be small business neutral. The overall impact of the proposed rule would be of benefit to small businesses owned by Veterans or service-disabled Veterans as the VAAR is being updated to remove extraneous procedural information that applies only to VA's internal operating procedures. VA estimates no cost impact to individual business would result from these rule updates. On this basis, the adoption of this proposed rule would not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601–612. Therefore, under 5 U.S.C. 605(b), this regulatory action is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.

Unfunded Mandates

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in the expenditure by State, local, and tribal Governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This proposed rule would have no such effect on State, local, and tribal Governments or on the private sector.

(b) Notwithstanding FAR 13.003(b)(2), the contracting officer shall make an award utilizing the priorities for veteran-owned small businesses as implemented within the VA hierarchy of small business program preferences, the Veterans First Contracting Program in subpart 819.70. Specifically, the contracting officer shall consider preferences for verified service-disabled veteran-owned small businesses (SDVOSBs) first, then preferences for verified veteran-owned small businesses (VOSBs). These priorities will be followed by preferences for other small businesses in accordance with FAR 19.203, and 819.7004.

(d) The SDVOSB and VOSB eligibility requirements in part 819.7003 apply, including verification of the SDVOSB and VOSB status of an offeror or awardee at the time of submission of offer/quote and prior to award. The offeror must also represent that it meets the small business size standard for the assigned North American Industry Classification Code System (NAICS) code and other small business requirements in FAR part 19 (e.g. subcontracting limitations and non-manufacturer rule).
