The TACA is a trade advisory committee that provides general policy advice and guidance to the United States Trade Representative on trade policy and development matters that have a significant impact on the countries of sub-Saharan Africa.

DATES: USTR will accept nominations on a rolling basis for membership on the TACA for the four-year charter term beginning in March 2018. To ensure consideration before the new charter term, you should submit your application by February 2, 2018.

FOR FURTHER INFORMATION CONTACT: Stewart Young, Deputy Assistant U.S. Trade Representative for Intergovernmental Affairs and Public Engagement, SYoung@ustr.eop.gov or 202–395–2864, or Bennett Harman, Deputy Assistant U.S. Trade Representative for Africa, BHarman@ustr.eop.gov or 202–395–9612.

SUPPLEMENTARY INFORMATION:

1. Background

Section 135(c)(1) of the Trade Act of 1974, as amended (19 U.S.C. 2155(c)(1)), authorizes the President to establish individual general trade policy advisory committees for industry, labor, agriculture, services, investment, defense, small business, and other interests, as appropriate, to provide general policy advice. The President delegated that authority to the United States Trade Representative in Executive Order 11846, section 4(d),

issued on March 27, 1975. In addition, section 14 of the AGOA Acceleration Act of 2004, Public Law 108–274, 118 Stat. 829–830 (*codified at* 19 U.S.C. 3701 note) specifically acknowledged the TACA, which USTR established under these authorities. Advisory committees established by the Trade Representative are subject to the provisions of the Federal Advisory Committee Act. *See* 19 U.S.C. 2155(f); 5 U.S.C. App. II.

Pursuant to these authorities, the United States Trade Representative intends to establish a new four-year charter term for the TACA, which will begin on March 19, 2018 and end on March 18, 2022.

The TACA is a discretionary trade advisory committee established to provide general policy advice to the United States Trade Representative on trade policy and development matters that have a significant impact on the countries of sub-Saharan Africa. More specifically, the TACA provides general policy advice on issues that may affect the countries of sub-Saharan Africa including: (1) Negotiating objectives and bargaining positions before entering into trade agreements; (2) the impact of the implementation of trade agreements; (3) matters concerning the operation of any trade agreement once entered into; and (4) other matters arising in connection with the development, implementation, and administration of the trade policy of the United States. The TACA also facilitates the goals and objectives of the African Growth and Opportunity Act (AGOA) and assists in maintaining ongoing discussions with sub-Saharan African trade and agriculture ministries and private sector organizations on issues of mutual concern, including regional and international trade concerns and World Trade Organization issues.

The TACA meets as needed, at the call of the United States Trade Representative or his/her designee, or two-thirds of the TACA members, depending on various factors such as the level of activity of trade negotiations and the needs of the United States Trade Representative.

II. Membership

The TACA is composed of not more than 30 members who have expertise in general trade, investment and development issues and specific knowledge of United States-Africa trade and investment trends including trade under the AGOA; constraints to trade and investment (including infrastructure, energy and financing); trade facilitation measures; sanitary and phyto-sanitary measures and technical
