

V. Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the FCA hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities. Each of the banks in the System, considered together with its affiliated associations, has assets and annual income in excess of the amounts that would qualify them as small entities. Therefore, System institutions are not “small entities” as defined in the Regulatory Flexibility Act.

Staff Accounting Bulletin No. 117

This staff accounting bulletin modifies portions of the interpretive guidance included in the Staff Accounting Bulletin Series in order to

make the relevant interpretive guidance consistent with current authoritative accounting and auditing guidance and Securities and Exchange Commission (“Commission”) rules and regulations.

Specifically, the staff is updating the Series in order to bring existing guidance into conformity with the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 321, *Investments—Equity Securities* (“ASC Topic 321”). The FASB adopted ASC Topic 321 through its issuance of Accounting Standards Update No. 2016–01, *Financial Instruments—Overall (Subtopic 825–10): Recognition and Measurement of Financial Assets and Financial Liabilities*.

The following describes the changes made to the Staff Accounting Bulletin Series that are presented at the end of this release:

1. Topic 5: Miscellaneous Accounting

a. Topic 5.M in the Staff Accounting Bulletin Series entitled *Other Than Temporary Impairment of Certain Investments in Equity Securities* (“Topic 5.M”) is no longer applicable upon a registrant’s adoption of ASC Topic 321. Topic 5.M provided the staff’s views on evaluating whether an impairment loss should be recognized in net income for investments in equity securities that were measured at fair value with changes in fair value presented in other comprehensive income.¹ ASC Topic 321 establishes new guidance that eliminates the ability to present changes in the fair value of investments in equity securities within other comprehensive income. After a registrant adopts ASC Topic 321, investments in equity securities that previously qualified for presenting changes in fair value within other comprehensive income will be measured at fair value with changes in fair value presented immediately in net income. Therefore, ASC Topic 321 eliminates the need for Topic 5.M.

Accordingly, the staff hereby amends the Staff Accounting Bulletin Series as follows:

¹ Prior to the adoption of ASC Topic 321, FASB ASC Topic 320, *Investments—Debt and Equity Securities*, permitted investments in equity securities with readily determinable fair values to be classified as (1) available-for-sale, with changes in fair value recognized in other comprehensive income, or as (2) trading securities, with changes in fair value recognized in net income.

impairment loss should be recognized in net income for investments in equity securities that were measured at fair value with changes in fair value presented in other comprehensive income. ASC Topic 321 establishes new guidance that eliminates the ability to present changes in the fair value of investments in equity securities within other comprehensive income, which eliminates the need for Topic 5.M. Registrants that have not yet adopted ASC Topic 321 should continue to refer to Topic 5.M.

Exemptions From Investment Adviser Registration for Advisers to Small Business Investment Companies

AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: We are adopting amendments to the rule that defines a venture capital fund (rule 203(l)–1) and the rule that implements the private fund adviser exemption (rule 203(m)–1) under the Investment Advisers Act of 1940 (the “Advisers Act”) in order to reflect changes made by title LXXIV, sections 74001 and 74002 of the Fixing America’s Surface Transportation Act of 2015 (the “FAST Act”), which amended sections 203(l) and 203(m) of the Advisers Act. Title LXXIV, section 74001 of the FAST Act amended the exemption from investment adviser registration for any adviser solely to one or more “venture capital funds” in Advisers Act section 203(l) by deeming “small business investment companies” to be “venture capital funds” for purposes of the exemption.

Accordingly, we are amending the definition of a venture capital fund to include “small business investment companies.” Title LXXIV, section 74002 of the FAST Act amended the exemption from investment adviser registration for any adviser solely to “private funds” with less than \$150 million in assets under management in Advisers Act section 203(m) by excluding the assets of “small business investment companies” when calculating “private fund assets”

towards the registration threshold of \$150 million. Accordingly, we are amending the definition of “assets under management” in the rule that implements the private fund adviser exemption to exclude the assets of “small business investment companies.”

DATES: Effective March 12, 2018.
