

Dated: January 10, 2018.

Angela Somma,

Chief, Endangered Species Division, Office of Protected Resources, National Marine Fisheries Service.

[FR Doc. 2018-00602 Filed 1-12-18; 8:45 am]

BILLING CODE 3510-22-P

DEPARTMENT OF DEFENSE

Department of the Army

Notice of Availability of Government-Owned Inventions; Available for Licensing

AGENCY: Department of the Army, DoD.

ACTION: Notice.

SUMMARY: The inventions listed below are assigned to the United States (U.S.) Government as represented by the Secretary of the Army and are available for licensing by the Department of the Army (DoA):

- U.S. Patent Number 7,812,366 entitled “Ultraviolet Light Emitting AlGa_N Composition, and Ultraviolet Light Emitting Device Containing Same”, Inventors Sampath et al., Issue date October 12, 2010.
- U.S. Patent Number 8,564,014 entitled “Ultraviolet Light Emitting AlGa_N Composition and Ultraviolet Light Emitting Device Containing Same”, Inventors Sampath et al., Issue date October 22, 2013.
- U.S. Patent 7,498,182 entitled “Method of Manufacturing an AlGa_N Composition and Ultraviolet Light Emitting Device Containing Same”, Inventors Sampath et al., Issue Date March 3, 2009.

The novel claims of these patents are not specific to the growth method used in the production of Ultraviolet (UV) Light Emitting Diodes (LEDs) and apply to any Aluminum Gallium Nitride (AlGa_N) composition containing self-assembled nanometer-scale compositional inhomogeneities that are localized in more than one dimension, and includes wells, dots, and wires. These patents are relevant to a large portion of semiconductor UV LED industry, which employ some degree of nanoscale compositional inhomogeneity to enhance ultraviolet light emission, regardless of growth method. Further, a semiconductor UV light emitting device having an active region layer comprised of the AlGa_N composition is provided, as well as a method of producing the AlGa_N composition and semiconductor UV light emitting device, involving molecular beam epitaxy.

DATES: Request for supplemental information should be made prior to March 31, 2018.

ADDRESSES: Request for supplemental information, including licensing application packages and procedures should be directed to John Millemaci, 301-645-6637, jmillemaci@etcmd.com, Energetics Technology Center (ETC), 4185 Indian Head Highway, Indian Head, MD 20640.

FOR FURTHER INFORMATION CONTACT: U.S. Army Research Laboratory Technology Transfer Office, RDRL-DPP/Thomas Mulkern, Building 321 Room 110, Aberdeen Proving Ground, MD 21005-5425. Phone: (410) 278-0889, Email: ORTA@arl.army.mil.

SUPPLEMENTARY INFORMATION: The U.S. Army intends to move expeditiously to license these inventions. Licensing application packages are available from ETC and all applications and commercialization plans must be returned to ETC by May 1, 2018. ETC is an authorized Department of Defense Partnership Intermediary per Authority 15 U.S.C. 3715. ETC will turn over all completed applications to the U.S. Army for evaluation by May 28, 2017, with final negotiations and awards occurring during the months of June and July, 2018. The U.S. Army will consider requests for nonexclusive, partially exclusive, and fully exclusive licenses in the U.S. and may prefer to grant an exclusive license to a company capable of broad commercialization as well as patent maintenance and enforcement within the U.S.

The DoA intends to ensure that its licensed inventions are broadly commercialized throughout the United States.

Brenda S. Bowen,

Army Federal Register Liaison Officer.

BILLING CODE 5001-03-P

DEPARTMENT OF DEFENSE

Department of the Army

Advisory Committee on Arlington National Cemetery, Honor Subcommittee; Meeting Notice

AGENCY: Department of the Army, DoD.

ACTION: Notice of open subcommittee meeting.

SUMMARY: The Department of the Army is publishing this notice to announce the following Federal advisory subcommittee meeting of the Honor subcommittee of the Advisory Committee on Arlington National

Cemetery (ACANC). This meeting is open to the public. For more information about the Committee and the Subcommittees, please visit: <http://www.arlingtoncemetery.mil/About/Advisory-Committee-on-Arlington-National-Cemetery/ACANC-Meetings>.

DATES: The Honor subcommittee will meet on Tuesday, January 30, 2018 from 9:00 a.m. to 12:00 p.m.

ADDRESSES: The Honor Subcommittee will meet in the Stars Conference Room, Sheraton Pentagon City Hotel, 900 S. Orme St., Arlington, VA 22204.

FOR FURTHER INFORMATION CONTACT: Mr. Timothy Keating; Alternate Designated Federal Officer for the subcommittees, in writing at Arlington National Cemetery, Arlington VA 22211, or by email at timothy.p.keating.civ@mail.mil, or by phone at 1-877-907-8585.

SUPPLEMENTARY INFORMATION: This subcommittee meeting is being held under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C., Appendix, as amended), the Sunshine in the Government Act of 1976 (U.S.C. 552b, as amended) and 41 Code of the Federal Regulations (CFR 102-3.150).

Purpose of the Meetings: The Advisory Committee on Arlington National Cemetery is an independent Federal advisory committee chartered to provide the Secretary of the Army independent advice and recommendations on Arlington National Cemetery, including, but not limited to, cemetery administration, the erection of memorials at the cemetery, and master planning for the cemetery. The Secretary of the Army may act on the committee's advice and recommendations. The primary purpose of the Honor subcommittee is to accomplish an independent assessment of methods to address the long-term future of the Army national cemeteries, including how best to extend the active burials and what ANC should focus on once all available space is used.

Agenda: The Honor subcommittee will receive an update on the results of a national dialogue public survey conducted as a result of Public Law 114-158. The subcommittee will subsequently conduct a roundtable discussion with visiting guests and study suggestions in consideration of a second survey. The subcommittee will then report its deliberations and findings to the full committee.

Public's Accessibility to the Meeting: Pursuant to 5 U.S.C. 552b and 41 CFR 102-3.140 through 102-3.165, and the availability of space, this meeting is open to the public. Seating is on a first-come basis. The Stars Conference room
