

compliance with its home country capital requirements. On December 2, 2016, the Board approved a final notice to amend the FR Y-7Q to expand reporting regarding an FBO's home country capital ratios consistent with Regulation YY. An FBO's completion of the FR Y-7Q on a quarterly basis would satisfy both the requirement to report and the requirement to certify to the Board its compliance with capital adequacy measures that are consistent with the Basel Capital Framework. If an FBO is unable to report that it is in compliance with such capital adequacy measures, the Board may impose requirements, conditions, and restrictions relating to the U.S. operations of the FBO.¹⁵

A second commenter requested clarification on the definition of an inactive company when an entity is in the liquidation process. Respondents should refer to the definition of "Liquidation" in the Banking, Savings and Loan, and Nonbanking Schedules in the FR Y-10 instructions on how to classify an entity during the liquidation process. Specifically, the instructions state "liquidation refers to final distribution of assets, satisfaction of liabilities, and closing of capital accounts of a company, as opposed to sale or transfer of the company."

The same commenter also requested that the instructions be expanded on reporting when a nonbanking company is a functionally regulated subsidiary since the mere registration with a functional regulator does not necessarily qualify a company as being functionally regulated for these purposes. In response to the commenter's request, the Board notes that respondents should refer to the definition of "Functionally Regulated Subsidiary" in the FR Y-10 instructions, which provides that certain companies may be required to be registered with one of the enumerated regulators without necessarily qualifying as being functionally regulated by that regulator; for example, publicly held companies may be required to be registered with the U.S. Securities and Exchange Commission (SEC) without necessarily qualifying as functionally regulated by the SEC as a securities broker-dealer, investment adviser, investment company, or company that engages in commodity futures trading.

SUPPLEMENTARY INFORMATION: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved

collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final approval under OMB delegated authority of the extension for three years, with revision, of the following information collections:

1. *Report Title:* Financial Statements of U.S. Nonbank Subsidiaries of U.S. Holding Companies and the Abbreviated Financial Statements of U.S. Nonbank Subsidiaries of U.S. Holding Companies.

Agency Form Number: FR Y-11 and FR Y-11S.

OMB Control Number: 7100-0244.

Frequency: Quarterly and annually.

Reporters: Holding companies.

Estimated Number of Responses: FR Y-11 (quarterly): 634; FR Y-11 (annual): 230; FR Y-11S: 299.

Estimated Average Hours per Response: FR Y-11 (quarterly): 6.8; FR Y-11 (annual): 6.8; FR Y-11S: 1.

Estimated Annual Reporting Hours: FR Y-11 (quarterly): 17,244; FR Y-11 (annual): 1,564; FR Y-11S: 299.

General Description of Information Collection: The FR Y-11 reporting forms collect financial information for individual, non-functionally regulated U.S. nonbank subsidiaries of domestic holding companies (*i.e.*, bank holding companies, savings and loan holding companies, securities holding companies, and intermediate holding companies). Holding companies file the FR Y-11 on a quarterly or annual basis or the FR Y-11S on an annual basis, predominantly based on whether the organization meets certain asset size thresholds described in the instructions to the reports. The FR Y-11 data are used with other holding company data to assess the condition of holding companies that are heavily engaged in nonbanking activities and to monitor the volume, nature, and condition of their nonbanking operations.

2. *Report Title:* Financial Statements of Foreign Subsidiaries of U.S. Banking Organizations and the Abbreviated Financial Statements of Foreign Subsidiaries of U.S. Banking Organizations.

Agency Form Number: FR 2314 and FR 2314S.

OMB Control Number: 7100-0073.

Frequency: Quarterly and annually.

¹⁵ See 12 CFR 252.143(c) and 252.154(c).

Reporters: U.S. state member banks, holding companies, and Edge or agreement corporations.

Estimated Annual Reporting Hours: FR 2314 (quarterly): 13,807; FR 2314 (annual): 1,690; FR 2314S: 322.

Estimated Average Hours per Response: FR 2314 (quarterly): 6.6; FR 2314 (annual): 6.6; FR 2314S: 1.

Number of Respondents: FR 2314 (quarterly): 523; FR 2314 (annual): 256; FR 2314S: 322.

General Description of Report: The FR 2314 reporting forms collect financial information for non-functionally regulated direct or indirect foreign subsidiaries of U.S. state member banks (SMBs), Edge and agreement corporations, and holding companies (*i.e.*, bank holding companies, savings and loan holding companies, securities holding companies, and intermediate holding companies). Parent organizations (SMBs, Edge and agreement corporations, or holding companies) file the FR 2314 on a quarterly or annual basis, or the FR 2314S on an annual basis, predominantly based on whether the organization meets certain asset size thresholds described in the instructions to the reports. The FR 2314 data are used to identify current and potential problems at the foreign subsidiaries of U.S. parent companies, to monitor the activities of U.S. banking organizations in specific countries, and to develop a better understanding of activities within the industry, in general, and of individual institutions, in particular.

Current Actions: On July 18, 2017, the Board published a notice in the **Federal Register** (82 FR 43367) requesting public comment on the extension for three years with revision of the FR Y–11, FR Y–11S, FR 2314, and the FR 2314S. The Board proposed to revise the instructions for Schedule IS (and related line item captions on the reporting form) to remove the term “extraordinary items” and replace it with “discontinued operations,” in accordance with revised accounting standards issued by the Financial Accounting Standards Board in ASU No. 2015–01, “Simplifying Income Statement Presentation by Eliminating the Concept of Extraordinary Items.” In addition, the terms “Loans net of unearned income” and “Loans held for investment” are being used interchangeably throughout certain regulatory reports although both descriptions are intended to have the same reported amounts. Consistent with the Call Report, the Federal Reserve is revising the captions and instructions “Loans net of unearned income” and replace with “Loans held for

investment” on all reports where applicable for clarity and internal consistency. The proposal was amended September 11, 2017, to extend the proposed implementation date from September 30, 2017, to March 31, 2018. The comment period expired on September 18, 2017, and no comments were received. The revisions will be implemented as proposed.

Legal Authorization and Confidentiality: The Board has the authority to collect the information requested on the FR Y–11 series of reports and the FR 2314 series of reports from bank holding companies, savings and loan holding companies (SLHCs), securities holding companies, and intermediate holding companies (IHCs) under, respectively, section 5(c) of the Bank Holding Company Act (BHC Act), (12 U.S.C. 1844(c)) (BHCs and IHCs); the Homeowners’ Loan Act, (12 U.S.C. 1467a(b)(2)) (SLHCs); section 165 of the Dodd-Frank Act, (12 U.S.C. 5365) (IHCs only); and section 618 of the Dodd-Frank Act, (12 U.S.C. 850a) (securities holding companies). Collection of information from non-functionally regulated direct or indirect foreign subsidiaries of U.S. state member banks, Edge and agreement corporations filing the FR 2314 series of reports is authorized under sections 9(6), 25(7) and 25A(17) of the Federal Reserve Act, (12 U.S.C. 324, 602, and 625), respectively. The Federal Reserve does not consider the data collected by the FR Y–11 series of reports or FR 2314 series of reports to be confidential. However, a respondent may request confidential treatment pursuant to sections (b)(4), (b)(6), and (b)(8) of the Freedom of Information Act (5 U.S.C. 552(b)(4), (b)(6), (b)(8)). The applicability of these exemptions would be determined on a case-by-case basis.

Deputy Secretary of the Board.
