

Title: Wireless E911 Location Accuracy Requirements (Third Report and Order in PS Docket No. 07–114).
Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, state, local or tribal government, and Federal Government.

Number of Respondents and Responses: 4,294 respondents; 4,510 responses.

Estimated Time per Response: 1 hour–8 hours.

Frequency of Response: On occasion reporting requirement.

Obligation To Respond: Required to obtain or retain benefits. Statutory authority for this collection is contained in 47 U.S.C. Sections 151, 154(i), 301, 303(r), and 332 of the Communications Act, as amended.

Total Annual Burden: 31,668 hours.

Total Annual Cost: No cost.

Privacy Impact Assessment: No Impact(s).

Nature and Extent of Confidentiality: No confidentiality is required for this collection.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for an extension of this information collection (no change in the reporting requirement or in the previous burden estimates). The Commission will submit this information collection to OMB after this 60 day comment period.

The Commission's *Third Report and Order* in PS Docket No. 07–114 adopted a rule providing that new CMRS network providers meeting the definition of covered CMRS providers in Section 20.18 and deploying new stand-alone networks must meet the handset-based location accuracy standard in delivering emergency calls for Enhanced 911 service. The rule requires that new stand-alone CMRS providers must satisfy the handset-based location accuracy standard at either a county-based or Public Safety Answering Point (PSAP)-based geographic level. Additionally, in accordance with the pre-existing requirements for CMRS providers using handset-based location technologies, new stand-alone CMRS providers are permitted to exclude up to 15 percent of the counties or PSAP areas they serve due to heavy forestation that limits handset-based technology accuracy in those counties or areas but are required to file an initial list of the specific counties or portions of counties where they are utilizing their respective exclusions.

A. Updated Exclusion Reports. Under this information collection and pursuant to current rule section 20.18(h), new

stand-alone CMRS providers and existing CMRS providers that have filed initial exclusion reports are required to file reports informing the Commission of any changes to their exclusion lists within thirty days of discovering such changes. The permitted exclusions properly but narrowly account for the known technical limitations of either the handset-based or network-based location accuracy technologies chosen by a CMRS provider, while ensuring that the public safety community and the public at large are sufficiently informed of these limitations.

B. Confidence and Uncertainty Data. Under this information collection and pursuant to current rule section 20.18(h), all CMRS providers and other entities responsible for transporting confidence and uncertainty data between the wireless carriers and PSAPs, including LECs, CLECs, owners of E911 networks, and emergency service providers (collectively, System Service Providers (SSPs)) must continue to provide confidence and uncertainty data of wireless 911 calls to Public Safety Answering Points (PSAP) on a per call basis upon a PSAP's request. New stand-alone wireless carriers also incur this obligation. The transport of the confidence and uncertainty data is needed to ensure the delivery of accurate location information with E911 service.

Federal Communications Commission.

Marlene H. Dortch,

Secretary, Office of the Secretary.

BILLING CODE 6712–01–P

FEDERAL RESERVE SYSTEM

Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority and Submission to OMB

AGENCY: Board of Governors of the Federal Reserve System.

SUMMARY: The Board of Governors of the Federal Reserve System (Board) is adopting a proposal to extend for three years, without revision, the Recordkeeping Requirements Associated with the Real Estate Lending Standards Regulation for State Member Banks (Reg H–5; OMB No. 7100–0261).

FOR FURTHER INFORMATION CONTACT: Federal Reserve Board Clearance Officer—Nuha Elmaghribi—Office of the Chief Data Officer, Board of Governors of the Federal Reserve System, Washington, DC 20551 (202) 452–3829. Telecommunications Device for the Deaf (TDD) users may contact

(202) 263–4869, Board of Governors of the Federal Reserve System, Washington, DC 20551.

OMB Desk Officer—Shagufta Ahmed—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395–6974.

SUPPLEMENTARY INFORMATION: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final approval under OMB delegated authority of the extension for three years, without revision, of the following report:

Report title: Recordkeeping Requirements Associated with the Real Estate Lending Standards Regulation for State Member Banks.

Agency form number: Reg H–5.

OMB control number: 7100–0261.

Frequency: Policy statement, annually; policy statement (de novo), annually; recordkeeping for loans with LTV's that exceed supervisory limits and maintaining a system of review, quarterly.

Respondents: State member banks.

Estimated number of respondents: 829.

Estimated average hours per response: Policy statement, 5 hours; policy statement (de novo), 20 hours; recordkeeping for loans with LTV's that exceed supervisory limits and maintaining a system of review, 5 hours.

Estimated annual burden hours: Policy statement, 4,145 hours; policy statement (de novo), 20 hours; recordkeeping for loans with LTV's that exceed supervisory limits and maintaining a system of review, 16,580 hours.

General Description of Report: State member banks must adopt and maintain

a written real estate lending policy that is reviewed and approved by the bank's board of directors at least annually. Also, these banks must identify in their loan records loans in excess of the Board's supervisory loan-to-value (LTV) limits.

Legal authorization and confidentiality: The Board has determined that section 304 of Federal Deposit Insurance Corporation Improvement Act of 1991 (12 U.S.C. 1828(o)) authorizes the Federal Reserve to require the recordkeeping requirements associated with the Board's Regulation H (12 CFR 208.51). The obligation of state member banks to comply with the Reg H recordkeeping requirements is mandatory. Since the information is not collected by the Federal Reserve, no issue of confidentiality under the Freedom of Information Act (FOIA) normally arises. However, information gathered by the Federal Reserve during examinations of state member banks would be deemed exempt from FOIA disclosure by exemption 8 (5 U.S.C. 552(b)(8)). In addition, exemptions (b)(4) and (b)(6) of FOIA, (5 U.S.C. 552(b)(4) and (b)(6)) also may exempt from disclosure certain data (specifically, individual loans identified as in excess of supervisory LTV limits) collected in response to these requirements if gathered by the Federal Reserve, depending on the particular circumstances. These additional exemptions relate to confidential commercial and financial information and personal information, respectively. Applicability of these exemptions would be determined on a case-by-case basis.

Current actions: On September 27, 2017, the Board published a notice in the **Federal Register** (82 FR 45025) requesting public comment for 60 days on the extension, without revision, of the Recordkeeping Requirements Associated with the Real Estate Lending Standards Regulation for State Member Banks (Reg H-5). The comment period for this notice expired on November 27, 2017. The Board did not receive any comments.

Board of Governors of the Federal Reserve System, January 19, 2018.

Margaret McCloskey Shanks,
Deputy Secretary of the Board.

BILLING CODE 6210-01-P

GENERAL SERVICES ADMINISTRATION

[Notice-PBS-2018-01; Docket No. 2018-0002; Sequence No. 1]

Notice of Intent To Prepare an Environmental Impact Statement (EIS) for the Modernization and Expansion of the Existing Otay Mesa Land Port of Entry (LPOE)

AGENCY: Public Building Service (PBS),
General Services Administration (GSA).

ACTION: Notice of Intent; Announcement
of meeting.

SUMMARY: GSA intends to prepare an EIS to analyze the potential impacts from the proposed modernization and expansion of the existing Otay Mesa LPOE. As the lead agency in this undertaking, GSA is acting on behalf of its major tenant at this facility, the Department of Homeland Security's (DHS) Customs and Border Protection (CBP).

DATES: *Meeting Date:* The Public Involvement and Scoping Meeting will be held on Thursday, February 8, 2018 from 4:00 p.m. to 6:00 p.m., Pacific Time (PT). Interested parties are encouraged to provide written comments regarding the scope of the EIS on or before Monday, February 19, 2018.

ADDRESSES: The meeting will be held at the Holiday Inn Express and Suites San Diego, 2296 Niels Bohr Court, San Diego, CA 92154, telephone 619-710-0900. The meeting will be conducted in an open house format, where project information will be presented and distributed.

Written comments can be submitted by either of the following methods:

- *Email:* osmahn.kadri@gsa.gov.
- *Postal Mail/Commercial Delivery:*

ATT: Osmahn Kadri, 50 United Nations Plaza, Room 3345, Mailbox 9, San Francisco, CA 94102.

The views and comments of the public are necessary in helping to determine the scope and content of the environmental analysis.

FOR FURTHER INFORMATION CONTACT:

Osmahn A. Kadri, Regional Environmental Quality Advisor/NEPA Project Manager, GSA, at 415-522-3617. Please also call this number if special assistance is needed to attend and participate in the public scoping meeting.

SUPPLEMENTARY INFORMATION:

Background

Otay Mesa is located approximately 17 miles southeast of downtown San Diego, just north of the U.S. border and the Baja California Peninsula of Mexico.

The Otay Mesa LPOE is one of the ten busiest LPOE's in the country and is the busiest commercial port on the California/Mexico border. Ever-increasing traffic loads and new security initiatives require increased capacity and new inspection technology to be installed and implemented at existing facilities.

Alternatives

The EIS will consider two "action" alternatives and one "no action" alternative. The two "action" alternatives consist of renovation and expansion activities at the existing Otay Mesa LPOE. These activities could include the construction of additional primary inspection and exit booths; the construction of a new commercial annex building for enrollment and processing capabilities; and the relocation of the existing hazardous materials docks. Improvements could also include modifications to inspection stations and work areas, including the construction of a new Customs and Border Protection (CBP) regional training center. Enhancements could also include the construction and operation of secondary inspection areas, holding rooms, as well as the expansion of pedestrian and commercial lanes.

The "no action" alternative assumes that modernization and expansion of the existing LPOE would not occur and that a new facility would not be constructed adjacent to the existing LPOE. The LPOE would continue to operate under current conditions.

Dated: January 17, 2018.

Matthew Jear,

*Director, Portfolio Management Division,
Pacific Rim Region, Public Buildings Service.*
