

the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. As noted above, NYSE Arca, Inc. has already adopted a substantively identical change to its rules.¹¹

According to the Exchange, the proposed rule change will put the Exchange on an equal competitive footing with respect to sub-penny quoting and order entry for Managed Fund Shares priced less than \$1.00. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82593; File No. SR-NYSEArca-2017-140]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Approving a Proposed Rule Change To List and Trade Shares of the Perth Mint Physical Gold ETF Trust Pursuant to NYSE Arca Rule 8.201-E

January 26, 2018.

I. Introduction

On December 11, 2017, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade shares (“Shares”) of the Perth Mint Physical Gold ETF Trust (“Trust”) under NYSE Arca Equities Rule 8.201-E. The proposed rule change was published for comment in the **Federal Register** on December 28, 2017.³ The Commission has not received any comments on the proposed rule change. This order approves the proposed rule change.

II. The Description of the Proposed Rule Change ⁴

The Exchange proposes to list and trade the Shares under NYSE Arca Equities Rule 8.201-E,⁵ which governs the listing and trading of Commodity-Based Trust Shares on the Exchange.⁶

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 82372 (Dec. 21, 2017), 82 FR 61601 (“Notice”).

⁴ A more detailed description of the Trust and the Shares, as well as investment risks, Share creation procedures for authorized participants, Share redemption procedures for authorized participants and certain beneficial owners, NAV calculation, availability of information and fees, among other things, is included in the Registration Statement, *infra* note 5.

⁵ On August 30, 2017, the Trust submitted to the Commission its draft registration statement on Form S-1 (“Registration Statement”) under the Securities Act of 1933 (15 U.S.C. 77a).

⁶ A “Commodity-Based Trust Share” is a security (a) that is issued by a trust that holds a specified commodity deposited with the trust; (b) that is

The Shares will represent units of fractional undivided beneficial interest in and ownership of the Trust. The Trust’s primary objective will be to provide investors with an opportunity to invest in gold through the Shares, have the gold securely stored by Gold Corporation and, if requested by an investor, deliver Physical Gold ⁷ to such investor in exchange for its Shares.⁸

The sponsors of the Trust will be Gold Corporation (“Custodial Sponsor”) and Exchange Traded Concepts, LLC (“ETC”) or the “Administrative Sponsor” and, together with the Custodial Sponsor, the “Sponsors”⁹ and Gold Corporation will also serve as custodian of the Trust’s gold bullion (in such capacity, “Custodian”).¹⁰

issued by such trust in a specified aggregate minimum number in return for a deposit of a quantity of the underlying commodity; and (c) that, when aggregated in the same specified minimum number, may be redeemed at a holder’s request by such trust which will deliver to the redeeming holder the quantity of the underlying commodity. See NYSE Arca Equities Rule 8.201(c)(1).

⁷ “Physical Gold” is defined as London Bars and all gold products without numismatic value and having a gold purity of at least 99.5% (including coins, cast bars and minted bars).

⁸ According to the Registration Statement, the Trust does not trade in gold futures contracts on COMEX or on any other futures exchange. Because the Trust does not trade in gold futures contracts on any futures exchange, the Trust is not regulated by the CFTC under the Commodity Exchange Act as a “commodity pool,” and is not operated by a CFTC-regulated commodity pool operator. Investors in the Trust do not receive the regulatory protections afforded to investors in regulated commodity pools, nor may COMEX or any futures exchange enforce its rules with respect to the Trust’s activities. In addition, investors in the Trust do not benefit from the protections afforded to investors in gold futures contracts on regulated futures exchanges.

⁹ Gold Corporation, doing business as the Perth Mint, is a Western Australian Government owned statutory body corporate established by the Gold Corporation Act 1987 (Western Australia). ETC is an Oklahoma limited liability company majority owned by Cottonwood ETF Holdings LLC. ETC is a registered investment adviser and provides investment advisory services to domestic and international equity and fixed income ETFs.

¹⁰ As Custodian of the Trust’s gold bullion, Gold Corporation will be responsible for the safekeeping of the Trust’s gold and supplying inventory information to the Trustee and the Sponsors. The Custodian will also be responsible for facilitating the transfer of gold in and out of the Trust and facilitating the shipment of Physical Gold to Delivery any beneficial owner (who is not an authorized participant) who wishes to surrender Shares in exchange for Physical Gold.

III. Discussion and Commission Findings

After careful review, the Commission finds that the Exchange’s proposed rule change to list and trade the Shares is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange.¹¹ In particular, the Commission finds that the proposal is consistent with Section 11A(a)(1)(C)(iii) of the Act,¹² which sets forth Congress’ finding that it is in the public interest and appropriate for the protection of investors and the maintenance of fair and orderly markets to assure the availability to brokers, dealers, and investors of information with respect to quotations for and transactions in securities. The last-sale price for the Shares will be disseminated over the Consolidated Tape. There is a considerable amount of information about gold and gold markets available on public websites and through professional and subscription services. Investors may obtain gold pricing information on a 24-hour basis based on the spot price for an ounce of gold from various financial information service providers.¹³

Additionally, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Exchange Act,¹⁴ which requires, among other things, that the Exchange’s rules be designed to prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, to remove impediments to and

¹¹ In approving this proposed rule change, the Commission has considered the proposed rule’s impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹² 15 U.S.C. 78k-1(a)(1)(C)(iii).

¹³ The Exchange states that Reuters and Bloomberg, for example, provide at no charge on their websites delayed information regarding the spot price of Gold and last sale prices of gold futures, as well as information about news and developments in the gold market. Reuters and Bloomberg also offer a professional service to subscribers for a fee that provides information on gold prices directly from market participants. Complete real-time data for gold futures and options prices traded on the COMEX are available by subscription from Reuters and Bloomberg. There are a variety of other public websites providing information on gold, ranging from those specializing in precious metals to sites maintained by major newspapers. In addition, the LBMA Gold Price is publicly available at no charge at www.lbma.org.uk. See Notice, *supra* note 3, 82 FR at 61605.
