The Ports and Waterways Safety Act, as amended by the Countering America's Adversaries Through Sanctions Act (CAATSA) generally prohibits the entry of vessels on this list, and generally prohibits the entry of vessels registered to a Flag State that retains in its registry a vessel identified on this list 180 days after the most recent publication. The CAATSA amendment also generally prohibits such vessels from transferring cargo in any port or place under the jurisdiction of the United States.

DATES: The list of vessels will be available on February 2, 2018, and will be updated periodically thereafter.

ADDRESSES: The list of prohibited vessels will be available online at www.nvmc.uscg.gov/CAATSA.aspx. This notice of availability can be viewed

This new section requires the Secretary of the Department in which the Coast Guard is operating, with the concurrence of the Secretary of State, to maintain timely information on the registrations of all foreign vessels over 300 gross tons that are known to be any of the following:

(1) Owned and operated by or on behalf of the Government of North Korea or a North Korean person.

(2) Owned or operated by or on behalf of any country identified by the President as a country that has not complied with the applicable United Nations Security Council resolutions (as such term is defined in 22 U.S.C. 9202).

(3) Owned or operated by or on behalf of any country in which a sea port is located, the operator of which the President has identified in the most recent report submitted under 22 U.S.C. 9225(a)(1)(A). As revised by section 314 of CAATSA, § 9225(a)(1) states that the President shall submit a report to Congress of countries and ports that knowingly do any of the following: (a) Significantly fail to implement or enforce regulations to inspect ships, aircraft, cargo, or conveyances in transit to or from North Korea, as required by applicable United Nations Security Council resolutions; (b) facilitate the transfer, transshipment, or conveyance of significant types or quantities of cargo, vessels, or aircraft owned or controlled by persons designated under applicable United Nations Security Council resolutions; or (c) facilitate any of the activities described in section 104(a) of the North Korea Sanctions and Policy Enhancement Act of 2016.

Upon receiving an advance notice of arrival under 33 U.S.C. 1223(a)(5) from a vessel on the list, the Coast Guard will notify the vessel master that the vessel may not enter or operate in the navigable waters of the United States, or transfer cargo in any port or place under the jurisdiction of the United States, unless otherwise allowed by law. The Ports and Waterways Safety Act, as amended by CAATSA, provides for limited entry in certain circumstances, such as a specific determination from the U.S. Secretary of State, and does not restrict the right of innocent passage or the right of transit passage as recognized under international law.
