Aluminum Extrusions From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Review in Part; 2016-2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting an

administrative review of the antidumping duty (AD) order on aluminum extrusions from the People's Republic of China (China). The period of review (POR) is May 1, 2016, through April 30, 2017. Mandatory respondents were selected, but all requests for administrative review for the mandatory respondents were subsequently timely withdrawn. Commerce preliminarily determines that none of the 29 companies for which an administrative review was requested, and not withdrawn, demonstrated eligibility for a separate rate, and are, therefore, all part of the China-wide entity. For the 191 companies for which all requests for administrative review have been timely withdrawn, we rescind this administrative review. Interested parties are invited to comment on these preliminary results.

DATES: Applicable February 8, 2018.

FOR FURTHER INFORMATION CONTACT: Deborah Scott or Mark Flessner, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2657 or (202) 482-6312, respectively.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our preliminary results of review, *see* the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, petitioner timely withdrew its request for an administrative review for certain companies. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to 191 of the 220 companies named in the *Initiation Notice*.⁸ *See* Appendix II for a list of these companies.⁹

Separate Rates

In the *Initiation Notice*, we informed parties of the opportunity to request a separate rate.¹⁰ In proceedings involving non-market economy (NME) countries, Commerce begins with a rebuttable presumption that all companies within the NME country are subject to government control and, thus, should be assigned a single weighted-average dumping margin. It is Commerce's policy to assign all exporters of merchandise subject to an administrative review involving an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate. Companies that wanted to qualify for separate rate status in this administrative review were required to timely file, as appropriate, a separate rate application (SRA) or a separate rate certification (SRC) to demonstrate their eligibility for a separate rate. SRAs and SRCs were due to Commerce within 30 calendar

Of the companies for which an administrative review was requested, and not withdrawn, none submitted an SRA, SRC, or certification of no shipments. Therefore, no company for which a request for administrative review remains in place has demonstrated that it is entitled to a separate rate. We, therefore, preliminarily determine that the following companies are not eligible for a separate rate in this administrative review: (1) Activa International Inc.; (2) Atlas Integrated Manufacturing Ltd.; (3) Belton (Asia) Development Ltd.; (4) Belton (Asia) Development Limited; (5) Changzhou Tenglong Auto Parts Co., Ltd.; (6) Changzhou Tenglong Auto Accessories Manufacturing Co. Ltd.; (7) Changzhou Tenglong Auto Parts Co Ltd; (8) China Square; (9) China Square Industrial Co.; (10) China Square Industrial Ltd; (11) Daya Hardware Co Ltd; (12) ETLA Technology (Wuxi) Co. Ltd; (13) Global Hi-Tek Precision Co. Ltd; (14) Guangdong Whirlpool Electrical Appliances Co., Ltd.; (15) Guangdong Xin Wei Aluminum Products Co., Ltd.; (16) Guangdong Zhongya Aluminium Company Limited; (17) Henan New Kelong Electrical Appliances Co., Ltd.; (18) Liaoning Zhongwang Group Co., Ltd.; (19) Liaoyang Zhongwang Aluminum Profile Co. Ltd.; (20) Midea International Training Co., Ltd.; (21) Midea International Trading Co., Ltd.; (22) Shenyang Yuanda Aluminum Industry Engineering Co. Ltd.; (23) Sincere Profit Limited; (24) Summit Heat Sinks Metal Co, Ltd; (25) USA Worldwide Door Components (PINGHU) Co., Ltd.; (26) Whirlpool Canada L.P.; (27) Whirlpool Microwave Products Development Ltd.; (28) Xin Wei Aluminum Co. Ltd.; and (29) Xin Wei Aluminum Company Limited.¹²

China-Wide Entity

We preliminarily find that the 29 companies listed above are part of the China-wide entity in this administrative review because they failed to submit an SRA, SRC, or certification of no shipments.

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.¹³ Under this policy, the China-

wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in the instant review, the entity is not under review, and the entity's current rate, *i.e.*, 86.01 percent,¹⁴ is not subject to change.

Adjustments for Countervailable Subsidies

Because no company established eligibility for an adjustment under section 777A(f) of the Act for countervailable domestic subsidies, for these preliminary results, Commerce did not make an adjustment pursuant to section 777A(f) of the Act for countervailable domestic subsidies for separate-rate recipients. Furthermore, because the China-wide entity is not under review, we made no adjustment for countervailable export subsidies for the China-wide entity pursuant to section 772(c)(1)(C) of the Act.

Disclosure and Public Comment

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of the public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, because Commerce did not calculate weighted-average dumping margins for any companies in this review, nor for the China-wide entity, there is nothing further to disclose. This meets our regulatory obligation.

Interested parties may submit case briefs no later than 30 days after the date of publication of this notice.¹⁵ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the case briefs are filed.¹⁶ Parties who submit case or rebuttal briefs in this review are requested to submit with each argument (a) a statement of the issue, (b) a brief summary of the argument, and (c) a table of authorities.¹⁷

Any interested party may request a hearing within 30 days of publication of this notice.¹⁸ Hearing requests should contain the following information: (1) The party's name, address, and

telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.¹⁹

All submissions, with limited exceptions, must be filed electronically using ACCESS.²⁰ An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time (ET) on the due date. Documents excepted from the electronic submission requirements must be filed manually (*i.e.*, in paper form) with the APO/Dockets Unit in Room 18022 and stamped with the date and time of receipt by 5 p.m. ET on the due date.²¹

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in any briefs received, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, AD duties on all appropriate entries covered by this review.²² Commerce intends to issue assessment instructions to CBP 15 days after publication of the final results of this review.

We intend to instruct CBP to liquidate entries containing subject merchandise exported by the China-wide entity at the China-wide rate. Additionally, if Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the China-wide rate.²³

For the companies for which this review is rescinded, AD duties shall be assessed at rates equal to the cash deposit of estimated AD duties required at the time of entry, or withdrawal from warehouse, for consumption, in

Cash Deposit Requirements

The following cash deposit requirements for estimated AD duties, when imposed, will apply to all shipments of subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) If the companies preliminarily determined to be eligible for a separate rate receive a separate rate in the final results of this administrative review, their cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review, as adjusted for domestic and export subsidies (except, if that rate is *de minimis*, then the cash deposit rate will be zero); (2) for any previously investigated or reviewed Chinese and non-Chinese exporters that are not under review in this segment of the proceeding but that received a separate rate in the most recently completed segment of this proceeding, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; (4) for the China-wide entity, the cash deposit rate will be 86.01 percent; and (5) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter.

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of AD duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of AD duties occurred and the subsequent assessment of double AD duties.

Notification to Interested Parties

We are issuing and publishing notice of these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Quarterly Update to Annual Listing of Foreign Government Subsidies on Articles of Cheese Subject to an In-Quota Rate of Duty

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable February 8, 2018.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Ave. NW, Washington, DC 20230, telephone: (202) 482-3692.

SUPPLEMENTARY INFORMATION: Section 702 of the Trade Agreements Act of 1979 (as amended) (the Act) requires the Department of Commerce (Commerce) to determine, in consultation with the Secretary of Agriculture, whether any foreign government is providing a subsidy with respect to any article of cheese subject to an in-quota rate of duty, as defined in section 702(h) of the Act, and to publish quarterly updates to the type and amount of those subsidies. We hereby provide Commerce's quarterly update of subsidies on articles of cheese that were imported during the period July 1, 2017, through September 30, 2017.

Commerce has developed, in consultation with the Secretary of Agriculture, information on subsidies, as defined in section 702(h) of the Act, being provided either directly or indirectly by foreign governments on articles of cheese subject to an in-quota rate of duty. The appendix to this notice lists the country, the subsidy program or programs, and the gross and net amounts of each subsidy for which information is currently available. Commerce will incorporate additional programs which are found to constitute subsidies, and additional information on the subsidy programs listed, as the information is developed.

Commerce encourages any person having information on foreign government subsidy programs which benefit articles of cheese subject to an in-quota rate of duty to submit such information in writing to the Assistant Secretary for Enforcement and Compliance, U.S. Department of
