

At the close of the comment period, NHTSA decides, on the basis of the petition and any comments that it has received, whether the vehicle is eligible for importation. The agency then publishes this decision in the **Federal Register**.

Autostadt West of West Sacramento, California (Registered Importer R-06-346) has petitioned NHTSA to decide whether nonconforming MY 2006 Penman Lightweight GS cargo trailers are eligible for importation into the United States, and included, as part of their petition, information intended to demonstrate that non-U.S. certified MY 2006 Penman Lightweight GS cargo trailers conform to some FMVSS and are capable of being altered to comply with all other standards to which they were not originally manufactured to conform.

Specifically, the petitioner claims that MY 2006 Penman Lightweight GS cargo trailers, as originally manufactured, conform to Standard No. 106, *Brake Hoses*.

The petitioner also contends that the subject non-U.S. certified trailers are capable of being readily altered to meet the following standards, in the manner indicated:

Standard No. 108, *Lamps, Reflective Devices and Associated Equipment*: Replacement of noncompliant tail, stop, and rear turn signal lamps, as well as front and rear side reflectors, with lamps and reflectors that meet the standard.

Standard No. 110, *Tire Selection and Rims*: Inspection of tires and rims for certification markings, replacement of any noncompliant tires and rims with parts that meet the standard and installation of the required tire information placard.

Standard No. 116, *Brake Fluids*: Replacement of brake fluid with compliant brake fluid.

The petitioner also notes that the vehicle must be fitted with a certification label in order to meet the requirements of 49 CFR 567, *Certification*.

All comments received before the close of business on the closing date indicated above will be considered, and will be available for examination in the docket at the above addresses both before and after that date. To the extent possible, comments filed after the closing date will also be considered. Notice of final action on the petition will be published in the **Federal Register** pursuant to the authority indicated below.
