SUPPLEMENTARY INFORMATION:

Title: Renewal for Whistleblower Provision, OMB Control Number 3038–0082. This is a request for extension of a currently approved information collection.

Abstract: 17 CFR 165.3(a) requires the submission of information to the Commission on a Form TCR. The Form TCR, “Tip, Complaint, or Referral,” and the instructions thereto, are designed to capture basic identifying information about a complainant and elicit sufficient information to determine whether the conduct alleged suggests a violation of the Commodity Exchange Act. 17 CFR 165.7(b)(1) requires the submission of information to the Commission on a Form WB–APP. The Form WB–APP, “Application for Award for Original Information Provided Pursuant to Section 23 of the Commodity Exchange Act,” and the instructions thereto, are designed to elicit sufficient information to determine whether and to what extent a claimant qualifies for a whistleblower award.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC’s regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on November 28, 2017 (82 FR 56222).

The Commission received one comment, the thrust of which was to urge that information from whistleblowers be fully evaluated before award determinations are made. The purpose of this information collection is to permit such complete evaluation of whistleblower information.

- **Burden Statement:** The respondent burden for this collection is estimated to be 0.5 hours per response.

- **Respondents/Affected Entities:** Individuals.

- **Estimated Number of Respondents:** 600 per year.

- **Estimated Total Annual Burden on Respondents:** 300 hours.

- **Frequency of Collection:** Once.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: February 6, 2018.

SUPPLEMENTARY INFORMATION: Under the PRA, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below.

Title: Large Trader Reporting for Physical Commodity Swaps, (OMB Control No. 3038-0095). This is a request for extension of a currently approved information collection.

Abstract: Part 20 of the Commission’s regulations (“Reporting Rules”) requires clearing organizations and any persons that are “reporting entities” to file swaps position data with the Commission. The Reporting Rules collect clearing member reports from clearing organizations. The Reporting Rules also require position reports from reporting entities for principal and counterparty positions in cleared and uncleared physical commodity swaps. Reporting entities are those persons that are either “clearing members” or “swap dealers” that are otherwise not clearing members. For purposes of part 20, reporting parties are required to submit data on positions on a futures equivalent basis so as to allow the Commission to assess a trader’s market impact across differently structured but linked derivatives instruments and markets. This renewal updates the total

requested burden based on available reported data.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;

- The accuracy of the Commission’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <http://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission’s regulations.¹

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <http://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the ICR will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

The annual respondent burden for this collection during the renewal period is estimated to be as follows:

- **Estimated Number of Respondents:** 4,824.

- **Estimated Average Annual Burden Hours per Respondent:** 1.55.
