Notice of Application for a Recordable Disclaimer of Interest for Lands Underlying the Kanektok River System Including Pegati and Kagati Lakes, Alaska

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The State of Alaska (State) has filed an application with the Bureau of Land Management (BLM) for a Recordable Disclaimer of Interest (RDI) from the United States in those lands underlying the Kanektok River System, including Pegati and Kagati Lakes, a major drainage into Kuskokwim Bay in southwestern Alaska. The State asserts that the Kanektok River System, including Pegati and Kagati Lakes, was navigable and unreserved at the time of Alaska Statehood in 1959.

DATES: The BLM should receive all comments to this action on or before May 10, 2018.

ADDRESSES: You may submit comments by mail or email on the State of Alaska's application for an RDI or on the BLM draft "Summary Report on the Federal Interest in Lands underlying the Kanektok River System (including Pegati and Kagati Lakes)." To file comments by mail, send to: RDI Program Manager (AK-942), Division of Lands and Cadastral, BLM Alaska State Office, 222 West 7th Avenue, #13, Anchorage, AK 99513. To submit comments by email, send to anichols@blm.gov.

FOR FURTHER INFORMATION CONTACT:

Angie Nichols, RDI Program Manager,

222 West 7th Avenue, #13, Anchorage, AK 99513; 907-271-3359; anichols@blm.gov; or visit the BLM RDI website at <https://www.blm.gov/programs/lands-and-realty/regional-information/alaska/RDI/kuskokwim>.

People who use a telecommunications device for the deaf (TDD) may call the Federal Relay System (FRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FRS is available 24 hours a day, seven days a week, to leave a message or a question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: On Feb. 28, 2012, the State filed an application (AA-93210) for an RDI pursuant to Section 315 of the Federal Land Policy and Management Act of 1976 (FLPMA) and the regulations contained in 43 CFR Subpart 1864 for the lands underlying the Kanektok River System, including Pegati and Kagati Lakes. The State asserts that this river system was navigable at the time of Alaska Statehood. As such, the State contends that ownership of the lands underlying this river system automatically passed from the United States to the State in 1959 at the time of Statehood under the Equal Footing Doctrine; the Submerged Lands Act of 1953; the Alaska Statehood Act; and other title navigability law. Section 315 of FLPMA authorizes the BLM to issue an RDI when it determines that a record interest of the United States in lands has terminated by law or is otherwise invalid, and a disclaimer will help remove a cloud on title to such lands.

The State's application is for an RDI for all submerged lands underlying the portion of the Kanektok River System, including Pegati and Kagati Lakes. Specifically, these are the submerged lands and bed up to, and including, the ordinary high water line of Pegati and Kagati Lakes within: Townships 3-4 south, range 63 west, Seward Meridian, Alaska and for the submerged lands and bed of the Kanektok River lying between the ordinary high water lines of the right and left banks of that river from the outlet of Pegati Lake within township 3 south, range 63 west, Seward Meridian, Alaska, downstream to the location where the river enters the Kuskokwim Bay within township 5 south, range 74 west, Seward Meridian, Alaska, USGS 1:63,360 series topographic map Goodnews C-5, 6, 8, and D-3-8. The State's application for the Kanektok River System starting at Pegati and Kagati Lakes downstream to Kuskokwim Bay flows through the following area: Townships 3-4 south, range 63 west;

township 3 south, range 64 west;
 township 3 south, range 65 west;
 township 3 south, range 66 west;
 township 4 south, range 66 west;
 township 4 south, range 67 west;
 township 5 south, range 68 west;
 township 5 south, range 69 west;
 township 4 south, range 69 west;
 township 4 south, range 70 west;
 township 4 south, range 71 west;
 township 4 south, range 72 west;
 township 4 south, range 73 west;
 township 5 south, range 73 west;
 township 5 south, range 74 west,
 Seward Meridian, Alaska. Over time,
 the precise location of the submerged
 lands described above may vary
 between townships due to the
 ambulatory nature of these water bodies.
 An RDI is a legal document through
 which the BLM disclaims the United
 States' interest in, or ownership of,
 specified lands, but the disclaimer does
 not grant, convey, transfer, or renounce
 any title or interest in the lands, nor
 does it release any tax, judgment, or
 lien. This Notice of Application is to
 inform the public of the pending
 application and the State supporting
 evidence, as well as to provide the
 opportunity to comment or provide
 additional information to the BLM.

The BLM will not make a final
 decision on the merits of the State's
 application before May 10, 2018. During
 this 90-day period, interested parties
 may comment on the State's
 application, AA-93210, and supporting
 evidence.

During this 90-day comment period,
 interested parties may also comment on
 the BLM's draft "Summary Report on
 the Federal Interest in Lands underlying
 the Kanektok River System including
 Pegati and Kagati Lakes" for the State's
 application for a RDI, which is available
 on the BLM's RDI website (see **FOR
 FURTHER INFORMATION CONTACT** above).

Copies of the State application,
 supporting evidence, the BLM Draft
 Summary Report, and comments,
 including names and street addresses of
 commenters, will be available for public
 review at the Alaska State Office, Public
 Room, 222 West 7th Avenue, #13,
 Anchorage, AK 99513, during regular
 business hours 7:30 a.m. to 4:30 p.m.,
 Monday through Friday, except
 holidays. Before including your address,
 phone number, email address, or other
 personally identifying information in
 your comment, you should be aware
 that your entire comment—including
 your personally identifying
 information—may be made publicly
 available at any time. While you can ask
 the BLM in your comment to withhold
 your personally identifying information

from public review, we cannot
 guarantee that we will be able to do so.

If the BLM determines the State's
 evidence and any additional
 information the agency receives
 concerning the State's application is
 sufficient to find a favorable
 determination, and neither the records
 nor a valid objection discloses a reason
 not to disclaim, the BLM may decide to
 approve the application for the RDI.

Authority: 43 CFR 1864.2.

*Deputy State Director, Division of Lands and
 Cadastral, Alaska.*
