Forest Service

Title: Federal and Non-Federal Financial Assistance Instruments.

OMB Control Number: 0596–0217.

Summary of Collection: In order to carry out specific Forest Service (FS) activities, Congress created several authorities to assist the Agency in carrying out its mission. Authorized by the Federal Grants and Cooperative Agreements Act (FGCAA), the FS issues Federal Financial Assistance awards, (*i.e.*, grants and cooperative agreements). Agency specific authorities and appropriations also support use of Federal Financial Assistance awards. In addition to FFA, Congress created specific authorizations for acts outside the scope of the FGCAA. Appropriations language was developed to convey authority for the Forest Service to enter into relationships that are outside the scope of the FGCAA. Information in this request is collected from individuals; non-profit and for-profit institutions; institutions of higher education and state, local, and Native American tribal governments etc. Multiple options are available for respondents to respond including forms, non-forms, electronically, face-to-face, by telephone and over the internet.

Need and Use of the Information: From the pre-award to the close-out stage, FS will collect information from respondents on forms, via emails, meetings, and telephone calls. Using various forms respondents will describe the type of project, project scope, financial plan and other factors. To reach management decision on several Office of the Inspector General (OIG) Recommendations from the American Recovery and Reinvestment Act—Forest Service Hazardous Fuels Reduction and Ecosystem Restoration Projects on Non-Federal Lands Audit (Report No. 08703–0005–SF, Issued March 2013), several new forms were created. In addition, mandatory post-award meetings must be held for each new Federal financial assistance award. Without this information the FS would not be able to develop, implement, monitor and administer these agreements and

comply with the OIG audit recommendations.

Description of Respondents: Business or other for-profit; Not-for-profit Institutions; State, Local or Tribal Government; Individuals.

Number of Respondents: 4,874.

Frequency of Responses: Recordkeeping; Reporting: Quarterly; On occasion.

Total Burden Hours: 49,751.
