DEPARTMENT OF EDUCATION

Application Deadline for Fiscal Year 2018; Small, Rural School Achievement Program

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice.

SUMMARY: Under the Small, Rural School Achievement (SRSA) program, Catalog of Federal Domestic Assistance (CFDA) number 84.358A, the U.S. Department of Education (Department) awards grants on a formula basis to eligible local educational agencies (LEAs) to address the unique needs of rural school districts. In this notice, we establish the deadline and describe the submission procedures for fiscal year (FY) 2018 SRSA grant applications.

All LEAs eligible for FY 2018 SRSA funds must submit an application electronically via *Grants.gov* by the deadline in this notice.

DATES:

Applications Available: February 20, 2018.

Deadline for Transmittal of Applications: April 20, 2018.

FOR FURTHER INFORMATION CONTACT: Mr. Eric Schulz, U.S. Department of Education, 400 Maryland Avenue SW, Room 3E-210, Washington, DC 20202. Telephone: (202) 260-7349 or by email: reap@ed.gov.

If you use a telecommunications device for the deaf or a text telephone, call the Federal Relay Service, toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION:**I. Award Information**

Type of Award: Formula grant.

Available Funds: The Administration has requested \$87,753,000 for SRSA in FY 2018. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$0-\$60,000.

Note: Depending on the number of eligible LEAs identified in a given year and the amount appropriated by Congress for the program, some eligible LEAs may receive an SRSA allocation of \$0 under the statutory funding formula.

Estimated Number of Awards: 4,000.

II. Program Authority and Eligibility Information

Under what statutory authority will FY 2018 SRSA grant awards be made?

The FY 2018 SRSA grant awards will be made under title V, part B, subpart 1 of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA) (Pub. L. 114-95).¹

Which LEAs are eligible for an award under the SRSA program?

For FY 2018, an LEA (including a public charter school that meets the definition of LEA in section 8101(30) of the ESEA) is eligible for an award under the SRSA program if it meets one of the following criteria:

(a)(1) The total number of students in average daily attendance at all of the schools served by the LEA is fewer than 600; or each county in which a school served by the LEA is located has a total population density of fewer than 10 persons per square mile; and

(2) All of the schools served by the LEA are designated with a school locale

code of 41, 42, or 43 by the Department's National Center for Education Statistics (NCES); or the Secretary has determined, based on a demonstration by the LEA and concurrence of the State educational agency, that the LEA is located in an area defined as rural by a governmental agency of the State.

(b) The LEA is a member of an educational service agency (ESA) that does not receive SRSA funds, and the LEA meets the eligibility requirements described in (a)(1) and (2) above.

(c) The LEA meets the requirements for a hold harmless award as described in section 5212(b)(4) of the ESEA. These are LEAs that are no longer eligible for the SRSA program because of amendments made under the ESSA to the locale code methodology and designations referenced in section 5211(b)(1)(A)(ii) of the ESEA. However, these LEAs may receive a FY 2018 award at a reduced rate as described in section 5212(b)(4) of the ESEA.

Note: The "Choice of Participation" provision under section 5225 of the ESEA gives LEAs eligible for both SRSA and the Rural and Low-Income School (RLIS) program authorized under title V, part B, subpart 2 of the ESEA the option to participate in either the SRSA program or the RLIS program. LEAs eligible for both SRSA and RLIS are henceforth referred to as "dual-eligible LEAs."

Which eligible LEAs must submit an application to receive an FY 2018 SRSA grant award?

Under 34 CFR 75.104(a), the Secretary makes a grant only to an eligible entity that submits an application.

In FY 2018, all LEAs eligible to receive an SRSA award are required to submit an SRSA application in order to receive SRSA funds, regardless of whether the LEA received an award or submitted an application in any previous year.² This includes LEAs eligible to receive an FY 2018 award under the hold harmless provision, dual-eligible LEAs that choose to participate in the SRSA program instead of the RLIS program, and SRSA-eligible LEAs that are members of ESAs that do not receive SRSA funds. In the case of SRSA-eligible LEAs that are members of ESAs, the respective LEAs and ESAs must coordinate directly with each other to determine

which entity will submit an SRSA application, as both entities may not apply for or receive SRSA funds. Additionally, we note that dual-eligible LEAs that apply for SRSA funds in accordance with these application submission procedures will not be considered for an RLIS award.

A list of LEAs eligible for FY 2018 SRSA grant funds is available on the Department's website at: <http://www2.ed.gov/programs/reapsrsa/eligibility.html>. All LEAs on this list must submit an electronic application via Grants.gov in order to receive an FY 2018 SRSA grant award. The list identifies those LEAs that meet the eligibility requirements for the Rural Education Achievement Program (REAP) SRSA program, those LEAs that meet the eligibility requirements for the REAP RLIS program, those LEAs that are dual-eligible, and those LEAs that are eligible to receive an SRSA award pursuant to the hold harmless provision.

If an LEA on the Department's list of LEAs eligible to receive an FY 2018 SRSA award is no longer in existence as of the 2017-18 school year or will close prior to the 2018-2019 school year, the LEA is no longer eligible to receive an FY 2018 SRSA award and should not apply.

An LEA eligible to receive FY 2018 SRSA funds that fails to submit an FY 2018 SRSA application or fails to submit an application in accordance with the application submission procedures is at risk of not receiving an FY 2018 SRSA award. Such LEAs may receive an award only to the extent funds become available after awards are made to all eligible LEAs that complied with the application procedures.

How must LEAs eligible for an FY 2018 SRSA grant award submit an application?

LEAs must use the Grants.gov site for submitting SRSA applications. LEAs should review closely the next section titled Application and Submission Information for specific information about how to apply for SRSA FY 2018 funds.

III. Application and Submission Information

Electronic Submission of Applications Using Grants.gov

All LEAs eligible for FY 2018 SRSA grant funds are required to submit an electronic application using the Grants.gov Apply site at www.Grants.gov by 4:30:00 p.m., Washington, DC time, on April 20, 2018. SRSA applications must be submitted

¹ Throughout this notice, unless otherwise indicated, citations to the ESEA refer to the ESEA, as amended by the ESSA.

² In FY 2017, the Department implemented a new annual application process for SRSA. To assist in the transition to this annual application process, for FY 2018 only, eligible LEAs that failed to apply for an SRSA grant award in FY 2017 may apply for the funds they were eligible to receive in FY 2017—in addition to any FY 2018 SRSA grant award—through this notice.

electronically using *Grants.gov* unless you qualify for an exception to this requirement, in accordance with the instructions in this section. You may not email an electronic copy of a grant application to us.

A *Grants.gov* applicant must apply online using Workspace, a shared environment where members of a grant team may simultaneously access and edit different webforms within an application. An applicant can create an individual Workspace for each application notice and, thus, establish for that application a collaborative application package that allows more than one person in the applicant's organization to work concurrently on an application. The applicant can, thus, assign other users to participate in the Workspace. The system also enables the applicant to reuse forms from previous submissions; check them in and out and complete them; and submit its application package. For access to complete instructions on how to apply, refer to: www.grants.gov/web/grants/applicants/apply-for-grants.html.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

Please note the following:

- When you enter the *Grants.gov* site, you will find information about submitting an application through the site, as well as the hours of operation.
- Applications received by *Grants.gov* are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the *Grants.gov* system no later than 4:30:00 p.m., Washington, DC time, on April 20, 2018. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the *Grants.gov* system—after 4:30:00 p.m., Washington, DC time, on April 20, 2018. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from *Grants.gov*, we will notify you if we are rejecting your application because it was date and time stamped by the *Grants.gov* system after 4:30:00 p.m., Washington, DC time, on April 20, 2018.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through *Grants.gov*.

- You should review and follow the Education Submission Procedures for submitting an application through *Grants.gov* that are included in the application package for this program to ensure that you submit your application in a timely manner to the *Grants.gov* system. You can also find the Education Submission Procedures pertaining to *Grants.gov* under News and Events on the Department's G5 system home page at www.G5.gov. In addition, for specific guidance and procedures for submitting an application through *Grants.gov*, please refer to the *Grants.gov* website at www.grants.gov/web/grants/applicants/apply-for-grants.html.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload all documents for your application as files in a read-only, flattened Portable Document Format (PDF). Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, flattened PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will not review that material. Please note that this could result in your application not being considered for funding because the material in question is critical to a meaningful review of your proposal. For that reason it is important to allow yourself adequate time to upload all material as PDF files. The Department will not convert material from other formats to PDF.

- After you electronically submit your application, you will receive from *Grants.gov* an automatic notification of receipt that contains a *Grants.gov* tracking number. This notification indicates receipt by *Grants.gov* only, not receipt by the Department. *Grants.gov* will also notify you automatically by email if your application met all the *Grants.gov* validation requirements or if there were any errors (such as submission of your application by someone other than a registered Authorized Organization Representative, or inclusion of an attachment with a file name that

contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.

- Once your application is successfully validated by *Grants.gov*, the Department will retrieve your application from *Grants.gov* and send you an email with a unique PR/Award number for your application.

- These emails do not mean that your application is without any disqualifying errors. While your application may have been successfully validated by *Grants.gov*, it must also meet the Department's application requirements as specified in this notice and in the application instructions. Disqualifying errors could include, for instance, failure to submit a required part of the application; or failure to meet applicant eligibility requirements. It is your responsibility to ensure that your submitted application has met all of the Department's requirements.

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues With the Grants.gov System

If you are experiencing problems submitting your application through *Grants.gov*, please contact the *Grants.gov* Support Desk, toll free, at 1-800-518-4726. You must obtain a *Grants.gov* Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application by the application deadline date because of technical problems with the *Grants.gov* system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** and provide an explanation of the technical problem you experienced with *Grants.gov*, along with the *Grants.gov* Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the *Grants.gov* system and that the problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. We will

contact you after we determine whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the *Grants.gov* system. We will not grant you an extension if you failed to fully register to submit your application to *Grants.gov* before the application deadline date and time or if the technical problem you experienced is unrelated to the *Grants.gov* system.

Exception to Electronic Submission Requirement

You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the *Grants.gov* system because—

- You do not have access to the internet; or
- You do not have the capacity to upload large documents to the *Grants.gov* system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you send a letter or email a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. Address and mail your statement to: Mr. Eric Schulz, U.S. Department of Education, 400 Maryland Avenue SW, Room 3E-210, Washington, DC 20202. Or email your statement to REAP@ed.gov.

Your paper application must be submitted in accordance with the mail or hand-delivery instructions described in this notice.

Submission of Paper Applications by Mail

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.358A), LBJ Basement Level 1, 400 Maryland Avenue SW, Washington, DC 20202-4260.

You must show proof of mailing consisting of one of the following:

(1) A legibly dated U.S. Postal Service postmark.

(2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.

(3) A dated shipping label, invoice, or receipt from a commercial carrier.

(4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

Submission of Paper Applications by Hand Delivery

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.358A), 550 12th Street SW, Room 7039, Potomac Center Plaza, Washington, DC 20202-4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number (84.358A) of the program under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

IV. Other Submission Requirements

Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management

To do business with the Department of Education, you must:

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, throughout the grant performance period.

You can obtain a DUNS number from Dun and Bradstreet at the following website: <http://fedgov.dnb.com/webform>. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, *Grants.gov*.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a *SAM.gov* Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

In addition, if you are submitting your SRSA application via *Grants.gov*, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and

(2) register yourself with *Grants.gov* as an AOR. Details on these steps are outlined at the following *Grants.gov* web page: www.grants.gov/web/grants/register.html.
