

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the CSX Swing Bridge which carries CSX railroad across the Curtis Creek, mile 1.4, at Baltimore, MD. The deviation is necessary to facilitate bridge maintenance. This deviation allows the bridge to remain in the closed-to-navigation position.

DATES: The deviation is effective from 8 a.m. on Monday, March 5, 2018, through 2:30 p.m. on Friday, March 30, 2018.

ADDRESSES: The docket for this deviation, [USCG–2018–0031] is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Mr. Michael Thorogood, Bridge Administration Branch Fifth District, Coast Guard, telephone 757–398–6557, email Michael.R.Thorogood@uscg.mil.

SUPPLEMENTARY INFORMATION: The CSX Corporation, owner and operator of the CSX Swing Bridge that carries CSX railroad across the Curtis Creek, mile 1.4, at Baltimore, MD, has requested a temporary deviation from the current operating schedule to facilitate installation of railroad ties across the swing span of the drawbridge. The bridge has a vertical clearance of 13 feet above mean high water in the closed position and unlimited vertical clearance in the open position. The current operating schedule is set out in 33 CFR 117.5. Under this temporary deviation, the bridge will remain in the closed-to-navigation position from 8 a.m. to 2:30 p.m., Monday through Friday, March 5, 2018, through March 30, 2018.

Curtis Creek is used by a variety of vessels including U.S. government and public vessels, tug and barge traffic, and recreational vessels. The Coast Guard has carefully coordinated the restrictions with waterway users in publishing this temporary deviation.

Vessels able to pass through the bridge in the closed-to-navigation position may do so at any time. The bridge will open on signal, if at least one hour notification is given. The bridge will be able to open for emergencies, if at least 15 minutes notification is given. The bridge may be contacted at (410) 354–5593 24 hours per day. There is no immediate alternative route for vessels

unable to pass through the bridge in the closed position. The Coast Guard will also inform the users of the waterway through our Local Notice and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: February 26, 2018.

Hal R. Pitts,

Bridge Program Manager, Fifth Coast Guard District.

Coast Guard

33 CFR Part 165

[Docket No. USCG–2018–0117]

RIN 1625–AA00

Safety Zone: Monte Foundation Snowfest Fireworks, Tahoe City, Lake Tahoe, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the navigable waters of Lake Tahoe near Commons Beach in support of the Monte Foundation Snowfest Festival Fireworks Display on March 2, 2018. This safety zone is established to ensure the safety of participants and spectators from the dangers associated with pyrotechnics. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zone without permission of the Captain of the Port or their designated representative.

DATES: This rule is effective from 7 a.m. to 8:15 p.m. on March 2, 2018.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG–2018–0117. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Junior Grade Emily Rowan, U.S. Coast Guard Sector San Francisco; telephone (415) 399–7443 or email at D11-PF-MarineEvents@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Acronyms

APA Administrative Procedure Act
COTP U.S. Coast Guard Captain of the Port
DHS Department of Homeland Security
FR Federal Register
NOAA National Oceanic and Atmospheric Administration
NPRM Notice of Proposed Rulemaking
PATCOM U.S. Coast Guard Patrol Commander
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. Since the Coast Guard received notice of this event on January 30, 2018, notice and comment procedures would be impracticable in this instance.

For similar reasons as those stated above, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port (COTP) San Francisco has determined that potential hazards associated with the planned fireworks display on March 2, 2018, will be a safety concern for anyone within a 100-foot radius of the fireworks barge and anyone within a 350-foot radius of the fireworks firing site. Loading of the pyrotechnics onto the fireworks barge is scheduled to take place from 7:00 a.m. to 11:00 a.m. on March 2, 2018, at Lake Forest Boat Ramp in Tahoe City, CA. From 11:00 a.m. to 5:30 p.m. on March 2, 2018, the staged fireworks barge will remain at Lake Forest Boat Ramp until the start of its transit to the display

location. Towing of the barge from Lake Forest Boat Ramp to the display location is scheduled to take place from 5:30 p.m. to 7:30 p.m. on March 2, 2018 where it will remain until the conclusion of the fireworks display. This rule is needed to protect spectators, vessels, and other property from hazards associated with pyrotechnics.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 7:00 a.m. to 8:15 p.m. on March 2, 2018. During the loading, staging, transit, and until 30 minutes prior to the start of the fireworks display, the safety zone applies to the navigable waters around and under the fireworks barge within a radius of 100 feet. At 7:00 p.m. on March 2, 2018, 30 minutes prior to the commencement of the 12-minute fireworks display, the safety zone will increase in size and encompass the navigable water around and under the fireworks barge within a radius of 350 feet in approximate position 39°10'07" N, 120°08'16" W (NAD 83) for the Monte Foundation Snowfest Fireworks Display. The safety zone shall terminate at 8:15 p.m. on March 2, 2018.

The effect of the temporary safety zone is to restrict navigation in the vicinity of the fireworks loading, staging, transit, and firing site. Except for persons or vessels authorized by the COTP or the COTP's designated representative, no person or vessel may enter or remain in the restricted areas. These regulations are needed to keep spectators and vessels away from the immediate vicinity of the fireworks firing sites to ensure the safety of participants, spectators, and transiting vessels.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of

Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the limited duration and narrowly tailored geographic area of the safety zone. Although this rule restricts access to the waters encompassed by the safety zone, the effect of this rule will not be significant because the local waterway users will be notified via public Broadcast Notice to Mariners to ensure the safety zone will result in minimum impact. The entities most likely to be affected are waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule may affect the following entities, some of which may be small entities: Owners and operators of waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities and sightseeing, if these facilities or vessels are in the vicinity of the safety zone at times when this zone is being enforced. This rule will not have a significant economic impact on a substantial number of small entities for the following reasons: (i) This rule will encompass only a small portion of the waterway for a limited period of time, and (ii) the maritime public will be advised in advance of these safety zones via Broadcast Notice to Mariners.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine

compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves safety zones of limited size and duration. It is categorically excluded from further review under Categorical Exclusion L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1

■ 2. Add § 165.T11-915 to read as follows:

§ 165.T11-915 Safety Zone; Monte Foundation Snowfest Fireworks Display, Tahoe City, Lake Tahoe, CA.

(a) *Location.* This temporary safety zone is established in the navigable waters of Lake Tahoe near Commons Beach in Tahoe City, Lake Tahoe, CA as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18665. Starting at the Lake Forest Boat Ramp from 7 a.m. to 7 p.m. on March 2, 2018, during the loading, staging, transit, and arrival of the fireworks barge and until 30 minutes prior to the start of the fireworks display, the temporary safety zone applies to the navigable waters around and under the fireworks barge within a radius of 100 feet. At 7 p.m., 30 minutes

prior to the commencement of the 12 minute fireworks display, scheduled to begin at 7:30 p.m. on March 2, 2018, the safety zone will expand to encompass the navigable waters around and under the fireworks barge within a radius of 350 feet in approximate position 39°10'07" N, 120°08'16" W (NAD 83).

(b) *Enforcement period.* The zone described in paragraph (a) of this section will be enforced from 7 a.m. until approximately 8:15 p.m. March 2, 2018. The Captain of the Port San Francisco (COTP) will notify the maritime community of periods during which these zones will be enforced via Broadcast Notice to Mariners in accordance with 33 CFR 165.7.

(c) *Definitions.* As used in this section, “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer on a Coast Guard vessel or a Federal, State, or local officer designated by or assisting the COTP in the enforcement of the safety zone.

(d) *Regulations.* (1) Under the general regulations in 33 CFR part 165, subpart C, entry into, transiting or anchoring within this safety zone is prohibited unless authorized by the COTP or the COTP’s designated representative.

(2) The safety zone is closed to all vessel traffic, except as may be permitted by the COTP or a designated representative.

(3) Vessel operators desiring to enter or operate within the safety zone must contact the COTP or a designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the COTP or a designated representative. Persons and vessels may request permission to enter the safety zones on VHF-23A or through the 24-hour Command Center at telephone (415) 399-3547.

Dated: February 23, 2018.

Patrick S. Nelson,

Captain, U.S. Coast Guard, Alternate Captain of the Port, San Francisco.

DEPARTMENT OF THE INTERIOR

National Park Service

36 CFR Part 7

[NPS-ROMO-24625; PPIMROMO6A PPMRSNR1Z.Y00000]

RIN 1024-AE31

Special Regulations, Areas of the National Park System, Rocky Mountain National Park; Bicycling

AGENCY: National Park Service, Interior.

ACTION: Final rule.

SUMMARY: The National Park Service amends the special regulations for Rocky Mountain National Park to allow bicycle use on a 2-mile segment of the East Shore Trail located within the park. A portion of this 2-mile segment will require trail construction to accommodate bicycles and is therefore considered a new trail. National Park Service regulations require promulgation of a special regulation to designate new trails for bicycle use off park roads and outside developed areas. **DATES:** This rule is effective on April 2, 2018.

FOR FURTHER INFORMATION CONTACT: Larry Gamble, Chief of Planning and Project Stewardship, Rocky Mountain National Park, 1000 U.S. Highway 36, Estes Park, CO 80517. Phone (970) 586-1320. Email: larry_gamble@nps.gov.

SUPPLEMENTARY INFORMATION:

Background

Rocky Mountain National Park (park) was established in 1915 and is located in north central Colorado. The approximately 265,761-acre park contains spectacular scenery that includes majestic mountains, lakes, rivers, forests, meadows, and abundant wildlife. The East Shore Trail is a hiking and equestrian trail that runs roughly north/south along the east shore of Shadow Mountain Lake near the town of Grand Lake, Colorado. The entire trail is 6.2 miles long and ends at the southern boundary of the park. The East Shore Trailhead is located south of the town of Grand Lake. The trailhead and the first 0.7 miles of the trail are located on land administered by the U.S. Forest Service as part of the Arapaho National Recreation Area. Bicycle use is currently allowed only on this 0.7-mile section of the trail. The remaining 5.5 miles of the East Shore Trail are located within the park. Hiking and fishing access to the lake is allowed along the trail. This rule applies to the northernmost 2-mile segment of the East Shore Trail within the park extending north from Shadow
