III. Comments Invited

The BIA encourages interested persons to submit written comments on any BIA CATEX. For example, comments may address keeping, revising, or deleting current CATEXS and suggest new CATEXS for consideration. Persons submitting information should include their name, address, and other appropriate contact information. Before including such personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. You may submit your information by one of the means listed under **ADDRESSES**. If you submit information by mail or hand delivery, submit them in an unbound format, no larger than 8 1/2 by 11 inches, suitable for copying and electronic filing. If you submit information by mail and would like to know it was received, please enclose a stamped, self-addressed postcard or envelope. The BIA will consider all comments received during the comment period.

Notice of Intent To Amend the Miles City Field Office 2015 Resource Management Plan and To Prepare an Associated Environmental Assessment, Montana

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent.

SUMMARY: In compliance with the National Environmental Policy Act of 1969, as amended (NEPA), and the Federal Land Policy and Management Act of 1976, as amended (FLPMA), the Bureau of Land Management (BLM) Miles City Field Office (MCFO), Miles City, Montana, intends to prepare an amendment to the MCFO Approved Resource Management Plan (RMP) with an associated Environmental Assessment (EA) to analyze the sale of the reversionary interest held by the United States (U.S.) in 11.83 acres of land previously conveyed out of Federal ownership, and by this Notice is announcing the beginning of the

scoping process to solicit public comments and identify issues.

DATES: This Notice initiates the public scoping process for the RMP Amendment with an associated EA. Comments on issues may be submitted in writing until April 5, 2018. The BLM does not plan to hold any scoping meetings for this Plan Amendment. In order to be included in the analysis, all comments must be received prior to the close of the 30-day scoping period. We will provide additional opportunities for public participation as appropriate.

ADDRESSES: Send written comments to the Field Manager, Miles City Field Office, Bureau of Land Management, 111 Garryowen Road, Miles City, MT 59301. Documents pertinent to this proposal may be examined at the MCFO.

FOR FURTHER INFORMATION CONTACT: Beth Klempel, telephone 406-233-2800, or email bklempel@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to contact Ms. Klempel during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours. Normal business hours are 8:00 a.m. to 4:30 p.m., Monday through Friday, except for Federal holidays.

SUPPLEMENTARY INFORMATION: This document provides notice that the BLM MCFO, Miles City, MT, intends to prepare an amendment to the MCFO RMP with an associated EA, announces the beginning of the scoping process, and seeks public input on issues and planning criteria. The planning area is located in Custer County, Montana, and encompasses the reversionary interest held by the U.S. in 11.83 acres of land previously conveyed out of Federal ownership. The BLM has received a request from the current owner to purchase the reversionary interest held by the U.S. in the following described land:

Principal Meridian, Montana

T. 7 N., R. 47 E.,
Sec. 5, Tract X.

The area described contains 11.83 acres in Custer County, Montana.

In 1992, the BLM conveyed the land described above to the Miles Community College under the authority of the Recreation and Public Purposes Act of June 14, 1926 (R&PP) for educational and recreational purposes. Under the college's development plan with the BLM, it has used the land for a rodeo arena, equestrian events,

recreation facilities, agriculture-related courses, and programs for the community college's use. If the college purchases the U.S.' reversionary interest, the college could also allow the public to rent the facilities for community use or large events, such as indoor rodeos, concerts, and agriculture and recreation expos. When public land is conveyed under the authority of the R&PP, the U.S. retains a reversionary interest in the land, which could result in title to the land reverting to the U.S. if the land is not used for the purposes for which it was conveyed, or if the land is sold or transferred without the BLM's approval. The BLM is responsible for monitoring the reversionary interest in perpetuity to ensure the land is used for the purposes for which it was conveyed.

The reversionary interest in the land described above was not specifically identified for sale in the 2015 MCFO RMP and a Plan Amendment is required to process a direct sale. The purpose of the public scoping process is to determine relevant issues that will influence the scope of the environmental analysis, including alternatives, and guide the planning process.

The BLM anticipates that the EA will consider both a Plan Amendment and possible subsequent sale of the Federal reversionary interest. The BLM anticipates that the EA will include, at a minimum, input from the disciplines of land-use planning, renewable resources, and non-renewable resources. This Plan Amendment will be limited to an analysis of whether the reversionary interest in the land described above meets the criteria for sale under Section 203 of FLPMA.

You may submit comments in writing to the BLM as shown in the **ADDRESSES** section above. To be most helpful, your comments should be submitted by the close of the 30-day scoping period.

The BLM will use its fulfillment of the NEPA public participation requirements to assist the agency in satisfying the public involvement requirements under Section 106 of the National Historic Preservation Act (16 U.S.C 470(f)) pursuant to 36 CFR 800.2(d)(3). The information about historic and cultural resources within the area potentially affected by the proposed action will assist the BLM in identifying and evaluating impacts to such resources in the context of both NEPA and Section 106 of the NHPA.

The BLM will consult with Indian tribes on a government-to-government basis in accordance with Executive Order 13175 and other policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to
