Submission for Public Comment Request

Title: Child Care Development Fund (CCDF)—Reporting Improper Payments—Instructions for States.

OMB No.: 0970–0323.

Description: Section 2 of the Improper Payments Information Act of 2002 (IPIA) provides for estimates and reports of improper payments by Federal agencies. Subpart K of 45 CFR, Part 98 of the Child Care and Development Fund requires States to prepare and submit a report of errors occurring in the administration of CCDF grant funds once every three years.

The Office of Child Care (OCC) is completing the fourth 3-year cycle of case record reviews to meet the requirements for reporting under IPIA. The current data collection forms and instructions expire August 31, 2018. As part of the renewal process, OCC has revised the document with minor changes that do not change the methodology, but which provide respondents with additional guidance, clarification, and support to facilitate the completeness and accuracy of the required data submissions. In addition, questions regarding State processes that previously existed in section III Creating the Sampling Decisions, Assurances, and Fieldwork Preparation Plan on page 5, have been reformatted into a template to facilitate and ease the submission of this information. Two questions added are a description of the process for determining the annual amount of payments and the projected start date for conducting the case record reviews.

OCC is particularly interested in feedback regarding the ease and accuracy with which respondents that pool or combine funds can provide data regarding the pooled funds. Items addressing pooled funds are located primarily in Section VII Completing and Submitting the State Improper Payments Report on pages 43–45 and in the State Improper Payments Report template (Attachment 3) beginning on page 65.

Respondents: State grantees, the District of Columbia, and Puerto Rico.
