

criteria for consideration of the option within the proposed timeframe.

In addition, the Exchange believes that basing the proposed timeframe on the T+2 settlement cycle adequately addresses the potential difficulties in confirming the number of shareholders of the underlying covered security. Having some of the largest brokerage firms that provide these shareholder counts to the Exchange confirm that they are able to provide these numbers within T+2 further demonstrates that the 2,000 shareholder requirement can be sufficiently verified within the proposed timeframe. For the foregoing reasons, the Exchange believes that the proposed amendments will remove and perfect the mechanism of a free and open market and a national market system by providing an avenue for investors to swiftly hedge their investment in the stock in a shorter amount of time than what is currently in place.<sup>19</sup>

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change reduces the number of days to list options on an underlying security, and is intended to bring new options listings to the marketplace quicker.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>20</sup> and Rule 19b-4(f)(6) thereunder.<sup>21</sup>

<sup>19</sup> This proposed rule change does not alter any obligations of issuers or other investors of an IPO that may be subject to a lock-up or other restrictions on trading related securities.

<sup>20</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>21</sup> 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>22</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>23</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become effective and operative upon filing. The Exchange states that waiver of the operative delay would be consistent with the protection of investors and the public interest because it would allow the Exchange to implement the modified rule, which aligns with the rules of other options exchanges,<sup>24</sup> without delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.<sup>25</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

**Extension:**

Exchange Act Rules 13n-1-13n-12; Form SDR, SEC File No. 270-629, OMB Control No. 3235-0719

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rules 13n-1 through 13n-12 (17 CFR 240.13n-1 through 240.13n-12) and Form SDR ("Rules"), under the Securities Exchange Act of 1934 (15 U.S.C. 78m(n)(3) *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Under the Rules, security-based swap data repositories ("SDRs") are required to register with the Commission by filing a completed Form SDR (the filing of a completed Form SDR also constitutes an application for registration as a securities information processor ("SIP")). SDRs are also required to abide by certain minimum standards set out in the Rules, including a requirement to update Form SDR, abide by certain duties and core principles, maintain data in accordance with the rules, keep systems in accordance with the Rules, keep records, provide reports to the Commission, maintain the privacy of security-based swaps ("SBSs") data, make certain disclosures, and designate a Chief Compliance Officer. In addition, there are a number of collections of information contained in the Rules. The information collected pursuant to the Rules is necessary to carry out the mandates of the Dodd-Frank Act and help ensure an orderly and transparent market for SBSs.

The Commission staff estimates that it will take an SDR approximately 481 hours to complete the initial Form SDR and any amendments thereto. This burden is composed of a one-time reporting burden that reflects the applicant's staff time (*i.e.* internal labor costs) to prepare and submit the Form to the Commission and includes the burden of responding to additional provisions incorporated from Form SIP and finally includes responding to the revised disclosure of business affiliations burden. Assuming a maximum of ten SDRs, the aggregate one-time estimated dollar cost to complete the initial Form SDR and any amendments thereto will be \$793,840 ((Compliance Attorney at \$334 per hour for 180 hours) + (Compliance Clerk at \$64 per hour for 301 hours) × (10 registrants)) and the aggregate ongoing

cost per year will be \$55,440 to comply with the rule.

The Commission staff estimates that the average initial paperwork cost of filing a Form SDR to withdraw from registration will be 12 hours per SDR with an estimated dollar cost of \$4,008 to comply with the rule. The Commission estimates that an SDR will assign these responsibilities to a Compliance Attorney, calculated as follows: (Compliance Attorney at \$334 per hour for 12 hours) × (1 SDR withdrawing) = \$4,008.

In addition, the Commission staff estimates that the average initial paperwork cost for each non-resident SDR to comply with Rule 13n-1(f) will be 1 hour and \$900 per SDR. Assuming a maximum of three non-resident SDRs, the aggregate one-time estimated dollar cost to comply with the rule will be \$3,840, calculated as follows: (\$900 for outside legal services + (Attorney at \$380 per for 1 hour)) × (3 non-resident registrants). Finally, the Commission believes that the costs of filing Form SDR in a tagged data format beyond the costs of collecting the required information will be minimal.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE, Washington, DC 20549, or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: March 9, 2018.
