

and proper maintenance and periodic inspection for damage, are and have been included in all Volkswagen owners' manuals.

4. Volkswagen has developed installation and use instructions for replacement seat belt assemblies. This material is being placed into the packages of seat belts currently in Volkswagen's Parts Distribution Centers and will be included with all seat belt assemblies shipped to Volkswagen for resale to dealers in the future.

5. Volkswagen is not aware of owner complaints or field incident reports relating to the lack of installation and use instructions with replacement seat belt assemblies.

Volkswagen stated that NHTSA has previously granted similar petitions for noncompliance with seat belt assembly installation and usage instruction standards. *See* Mitsubishi Motors North America, Inc. (77 FR 24762, April 25, 2012); Bentley Motors, Inc. (75 FR 35877, September 20, 2011); Hyundai Motor Company (73 FR 49238, March 2, 2009); Ford Motor Company (73 FR 11462, March 3, 2008); Mazda North America Operations (73 FR 11464, March 3, 2008); Ford Motor Company (73 FR 63051, October 22, 2008); and TRW, Inc. (58 FR 7171, February 4, 1993).

Volkswagen also stated that they have made process changes to ensure that hard copies of the instructions will be included with all Volkswagen service seat belt assemblies shipped to its dealers.

Volkswagen concluded by expressing the belief that the subject noncompliance is inconsequential as it relates to motor vehicle safety, and that its petition to be exempted from providing notification of the noncompliance, as required by 49 U.S.C. 30118, and a remedy for the noncompliance, as required by 49 U.S.C. 30120, should be granted.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers only from the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, any decision on this petition only applies to the subject vehicles that Volkswagen no longer controlled at the time it determined that the noncompliance existed. However, any decision on this petition does not relieve vehicle distributors and dealers of the prohibitions on the sale, offer for sale,

or introduction or delivery for introduction into interstate commerce of the noncompliant vehicles under their control after Volkswagen notified them that the subject noncompliance existed.

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[Docket No. NHTSA-2018-0012; Notice 1]

Notice of Receipt of Petition for Decision That Nonconforming Model Year 2013 and 2014 Victory Hammer 8-Ball Motorcycles Are Eligible for Importation

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Receipt of petition.

SUMMARY: This document announces receipt by the National Highway Traffic Safety Administration (NHTSA) of a petition for a decision that model year (MY) 2013 and 2014 Victory Hammer 8-Ball motorcycles that were not originally manufactured to comply with all applicable Federal motor vehicle safety standards (FMVSS) are eligible for importation into the United States because they are substantially similar to vehicles that were originally manufactured for sale in the United States and that were certified by their manufacturer as complying with the safety standards (the U.S.-certified version of the MY 2013 and 2014 Victory Hammer 8-Ball motorcycles) and they are capable of being readily altered to conform to the standards.

DATES: The closing date for comments on the petition is April 20, 2018.

ADDRESSES: Interested persons are invited to submit written data, views, and arguments on this petition. Comments must refer to the docket and notice number cited in the title of this notice and submitted by any of the following methods:

SUPPLEMENTARY INFORMATION:

I. History: Under 49 U.S.C. 30141(a)(1)(A), a motor vehicle that was

not originally manufactured to conform to all applicable FMVSS (49 CFR 571) shall be refused admission into the United States unless NHTSA has decided that the motor vehicle is substantially similar to a motor vehicle originally manufactured for importation into and sale in the United States, certified under 49 U.S.C. 30115, and of the same model year as the model of the motor vehicle to be compared, and is capable of being readily altered to conform to all applicable FMVSS.

Petitions for eligibility decisions may be submitted by either manufacturers or importers who have registered with NHTSA pursuant to 49 CFR part 592. As specified in 49 CFR 593.7 *Processing of Petitions*, NHTSA publishes notice in the **Federal Register** of each petition that it receives, and affords interested persons an opportunity to comment on the petition. At the close of the comment period, NHTSA decides, on the basis of the petition and any comments that it has received, whether the vehicle is eligible for importation. The agency then publishes this decision in the **Federal Register**.

II. Summary of Petition: J.K. Technologies, LLC (JK), of Baltimore, Maryland (Registered Importer R-90-006) has petitioned NHTSA to decide whether nonconforming MY 2013 and 2014 Victory Hammer 8-Ball motorcycles are eligible for importation into the United States. The vehicles that JK believes are substantially similar are MY 2013 and 2014 Victory Hammer 8-Ball motorcycles manufactured for sale in the United States, and certified by their manufacturer as conforming to all applicable FMVSS.

The petitioner submitted information that it claimed it received from the manufacturer of the vehicles, Victory Motorcycles (Polaris Industries, Inc.) to demonstrate that non-U.S.-certified MY 2013 and 2014 Victory Hammer 8-Ball motorcycles, as originally manufactured, conform to many applicable FMVSS in the same manner as their U.S.-certified counterparts, or are capable of being readily altered to conform to those standards.

Specifically, the petitioner claims that the non-U.S.-certified MY 2013 and 2014 Victory Hammer 8-Ball motorcycles, as originally manufactured, conform to the following standards: FMVSS Nos. 106 *Brake Hoses*, 116 *Motor Vehicle Brake Fluids*, 119 *New Pneumatic Tires for Motor Vehicles with a GVWR of More than 4,536 Kilograms (10,000 Pounds) and Motorcycles*, 122 *Motorcycle Brake Systems*, and 205 *Glazing Materials*.

The petitioner also contends that the subject non-U.S. certified vehicles are

capable of being readily altered to meet the following standards in the manners indicated:

Standard No. 108 Lamps, Reflective Devices, and Associated Equipment: The headlamp must be replaced with the U.S.-model component. In addition, U.S.-model front and rear side mounted reflex reflectors, and a rear center mounted reflex reflector must be installed.

Standard No. 111 Rearview Mirrors: The mirror must be replaced with the U.S.-model part or etched to show any required labeling.

Standard No. 120 Tire Selection and Rims and Motor Home/Recreation Vehicle Trailer Load Carrying Capacity Information for Motor Vehicles with a GVWR of More than 4,536 Kilograms (10,000 Pounds): The petitioner states that their Registered Importer Certification Label, which must be affixed to the vehicle to satisfy the requirements of 49 CFR part 567, *Certification*, will include the necessary tire, rim, tire pressure and weight rating information.

Standard No. 123 Motorcycle Controls and Displays: The instrument cluster must be replaced with the U.S.-model part.

III. Comments: All comments received before the close of business on the closing date indicated above will be considered, and will be available for examination in the docket at the above addresses both before and after that date. To the extent possible, comments filed after the closing date will also be considered. Notice of final action on the petition will be published in the **Federal Register** pursuant to the authority indicated below.

Authority: 49 U.S.C. 30141(a)(1)(A), (a)(1)(B), and (b)(1); 49 CFR 593.7; delegation of authority at 49 CFR 1.95 and 501.8.
