

Total Annual Burden: 63,486 hours.
Total Annual Cost(s): No Cost.
Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: The Commission notes that USAC must preserve the confidentiality of all data obtained from respondents; must not use the data except for purposes of administering the universal service programs; and must not disclose data in company-specific form unless directed to do so by the Commission. Privately-held rate-of-return carriers may file the financial information they disclose in FCC Form 481 pursuant to a protective order.

Needs and Uses: The Commission is requesting the Office of Management and Budget (OMB) approval for this revised information collection. On November 18, 2011, the Commission adopted an order reforming its high-cost universal service support mechanisms. *Connect America Fund; A National Broadband Plan for Our Future; Establish Just and Reasonable Rates for Local Exchange Carriers; High-Cost Universal Service Support; Developing a Unified Intercarrier Compensation Regime; Federal-State Joint Board on Universal Service; Lifeline and Link-Up; Universal Service Reform—Mobility Fund*, WC Docket Nos. 10–90, 07–135, 05–337, 03–109; GN Docket No. 09–51; CC Docket Nos. 01–92, 96–45; WT Docket No. 10–208, Order and Further Notice of Proposed Rulemaking, 26 FCC Rcd 17663 (2011) (*USF/ICC Transformation Order*), and the Commission and Wireline Competition Bureau have since adopted a number of orders that implement the *USF/ICC Transformation Order*; see also *Connect America Fund et al.*, WC Docket No. 10–90 et al., Third Order on Reconsideration, 27 FCC Rcd 5622 (2012); *Connect America Fund et al.*, WC Docket No. 10–90 et al., Order, 27 FCC Rcd 605 (Wireline Comp. Bur. 2012); *Connect America Fund et al.*, WC Docket No. 10–90 et al., Fifth Order on Reconsideration, 27 FCC Rcd 14549 (2012); *Connect America Fund et al.*, WC Docket No. 10–90 et al., Order, 28 FCC Rcd 2051 (Wireline Comp. Bur. 2013); *Connect America Fund et al.*, WC Docket No. 10–90 et al., Order, 28 FCC Rcd 7227 (Wireline Comp. Bur. 2013); *Connect America Fund*, WC Docket No. 10–90, Report and Order, 28 FCC Rcd 7766 (Wireline Comp. Bur. 2013); *Connect America Fund*, WC Docket No. 10–90, Report and Order, 28 FCC Rcd 7211 (Wireline Comp. Bur. 2013); *Connect America Fund*, WC Docket No. 10–90, Report and Order, 28 FCC Rcd 10488 (Wireline Comp. Bur. 2013); *Connect America Fund et al.*, WC

Docket No. 10–90 et al., Report and Order, Order and Order on Reconsideration and Further Notice of Proposed Rulemaking, 31 FCC Rcd 3087 (2016). The Commission has received OMB approval for most of the information collections required by these orders. At a later date, the Commission plans to submit additional revisions for OMB review to address other reforms adopted in the orders (e.g., 47 CFR 54.313(a)(6)).

More recently, on August 23, 2016, the Commission adopted the *Alaska Plan Order*. See *Connect America Fund et al.*, WC Docket Nos. 10–90, 16–271; WT Docket No. 10–208, Report and Order and Further Notice of Proposed Rulemaking, 31 FCC Rcd 10139 (2016) (*Alaska Plan Order*). In that order, the Commission adopted a plan for providing Alaskan rate-of-return carriers and competitive eligible telecommunications carriers (ETCs) the option to obtain a fixed level of funding for a defined term in exchange for committing to deployment obligations that are tailored to each Alaskan carrier's circumstances. ETCs receiving support pursuant to the Alaska Plan must comply with the Commission's existing high-cost reporting and oversight mechanisms, with certain exceptions and modifications.

On July 7, 2017, the Commission adopted the *ETC Reporting Streamlining Order*. See *Connect America Fund; ETC Annual Reports and Certifications*, WC Docket Nos. 10–90, 14–58, Report and Order, 32 FCC Rcd 5944 (2017) (*ETC Reporting Streamlining Order*). In that order, the Commission streamlined the annual reporting requirements for ETCs by eliminating rules duplicative of other reporting requirements or that are no longer necessary.

Further, since the previous filing deadline associated with this collection, changing circumstances have made filing certain information no longer necessary or required under the rules. For instance, the final Connect America Phase I incremental support deployment deadlines were in early 2017, so there are no longer any reporting obligations associated with that support. Moreover, because the Connect America Phase II challenge process has ended, the Commission proposes to remove Form 505 from this collection. The Commission also proposes to move FCC Form 507, FCC Form 508, FCC Form 509 and the accompanying instructions to information collection 3060–0233.

The Commission therefore proposes to revise this information collection, as well as Form 481 and its accompanying instructions, to reflect these new or modified requirements. The

Commission also proposes a number of non-substantive changes to the Form 481 and accompanying instructions. Any increased burdens for particular reporting requirements are associated with ETCs newly subject to those requirements as a condition of receiving high-cost support.

Federal Communications Commission.

Marlene J. Dortch,

Secretary, Office of the Secretary.

BILLING CODE 6712–01–P

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–0149]

Information Collection Being Submitted for Review and Approval to the Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before April 20, 2018. If you anticipate that you will be submitting comments, but find it

difficult to do so within the period of time allowed by this notice, you should advise the contacts listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, OMB, via email Nicholas_A.Fraser@omb.eop.gov; and to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.Ongele@fcc.gov. Include in the comments the OMB control number as shown in the **SUPPLEMENTARY INFORMATION** below.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection, contact Nicole Ongele at (202) 418-2991. To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called "Currently Under Review," (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, (6) when the list of FCC ICRs currently under review appears, look for the OMB control number of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection.

Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060-0149.

Title: Part 63, Accelerating Wireline Broadband Deployment by Removing

Barriers to Infrastructure Investment, WC Docket No. 17-84, FCC 17-154.

Form Number(s): N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents and Responses: 58 respondents; 58 responses.

Estimated Time per Response: 6 hours per response.

Frequency of Response: One-time reporting requirement and third-party disclosure requirements.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this collection of information is contained in 47 U.S.C. Sections 214 and 402 of the Communications Act of 1934, as amended.

Total Annual Burden: 348 hours.

Total Annual Cost: No Cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: Information filed in section 214 applications has generally been non-confidential. Requests from parties seeking confidential treatment are considered by Commission staff pursuant to 47 CFR 0.459 of the Commission's rules.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for a revision to a currently approved collection. Section 214 of the Communications Act of 1934, as amended, requires that a carrier first obtain FCC authorization either to (1) construct, operate, or engage in transmission over a line of communications, or (2) discontinue, reduce or impair service over a line of communications. Part 63 of Title 47 of the Code of Federal Regulations (CFR) implements Section 214. Part 63 also implements provisions of the Cable Communications Policy Act of 1984 pertaining to video which was approved under this OMB Control Number 3060-0149. In 2009, the Commission modified Part 63 to extend to providers of interconnected Voice of Internet Protocol (VoIP) service the discontinuance obligations that apply to domestic non-dominant telecommunications carriers under Section 214 of the Communications Act of 1934, as amended. In 2014, the Commission adopted improved administrative filing procedures for domestic transfers of control, domestic discontinuances and notices of network changes, and among other adjustments, modified Part 63 to require electronic filing for applications for authorization to discontinue, reduce, or impair service

under section 214(a) of the Act. In July 2016, the Commission revised certain section 214(a) discontinuance procedures. To reduce burdens on carriers, the Commission revised its rules to: (1) Allow carriers to provide notice via email or other alternative methods to offer additional options to customers, and (2) provide for streamlined treatment of applications to discontinue services for which the carrier has had no existing customers or reasonable requests for service during the previous 180 days. It also addressed a gap in the Commission's rules by making a competitive LEC's application for discontinuance deemed granted on the effective date of any copper retirement that made the discontinuance unavoidable. The Commission further concluded that applicants must provide notice of discontinuance applications to federally-recognized Tribal Nations. In *Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment*, WC Docket No. 17-84, Report and Order, Declaratory Ruling, and Further Notice of Proposed Rulemaking, FCC 17-154 (rel. Nov. 29, 2017) (*Wireline Infrastructure Order*), the Commission, among other things, reduced the public comment and auto-grant periods for applications that grandfather low speed legacy services and applications to discontinue previously grandfathered legacy data services. The Commission also held that if a carrier files an application to discontinue, reduce, or impair a legacy voice or data service below 1.544 Mbps for which it has had no customers and no request for service for at least a 30-day period immediately preceding submission of the application, that application will be automatically granted on the 15th day after its filing with the Commission, absent Commission notice to the contrary. The Commission will use the information collected under these revisions to 47 CFR Section 63 to determine if affected respondents are in compliance with its rules and the requirements of section 214 of the Communications Act of 1934, as amended.

Federal Communications Commission.

Marlene H. Dortch,

Secretary, Office of the Secretary.
