

submission for review. OTLA has determined that circumstances require an extension of time to determine whether to accept the Submission. The U.S. Secretary of Labor and the Mexican Minister of Labor and Social Welfare are scheduled to meet this month. Part of the discussion will include issues germane to the subject of the Submission. In light of these forthcoming discussions, and because the subject of the Submission is proposed legislation that is being debated in the Mexican legislative session that concludes on April 30, 2018, OTLA has determined that it is prudent to extend the time period for determining whether to accept the Submission for review.

DATES: *Effective Date:* March 21, 2018.

In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0024.
