DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Submission for OMB Review; 30-Day Comment Request; Division of Cancer Epidemiology and Genetics (DCEG) (National Cancer Institute)

AGENCY: National Institutes of Health, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

DATES: Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

ADDRESSES: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, OIRA_submission@omb.eop.gov or by fax to 202-395-6974, Attention: Desk Officer for NIH.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact: Jackie Lavigne, Ph.D., MPH, Chief, Office of Education, Division of Cancer Epidemiology and Genetics, 9609 Medical Center Drive, MSC, Bethesda, Maryland 20892 or call non-toll-free number 240.276.7237 or Email your request, including your address to: lavignej@mail.nih.gov.

SUPPLEMENTARY INFORMATION: This proposed information collection was previously published in the **Federal Register** on December 20, 2017, page 60407 (82 FR 60407) and allowed 60 days for public comment. No public comments were received. The National Cancer Institute (NCI), National Institutes of Health, may not conduct or

sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

Proposed Collection: Fellowship Program and Summer Student Applications OMB No. 0925-0716 Expiration Date 05/31/2018 Extension, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: The National Cancer Institute, Division of Cancer Epidemiology and Genetics (DCEG) Office of Education administers a variety of programs and initiatives to recruit pre-college through post-doctoral educational level individuals into the Intramural Research Program to facilitate their development into future biomedical scientists. DCEG trains post-doctoral, doctoral candidates, graduate and baccalaureate students, through full time fellowships, summer fellowships, and internships in preparation for research careers in cancer epidemiology and genetics. The proposed information collection involves brief online applications completed by applicants to the full time and the summer fellowship programs. Full-time fellowships include: Full-time Equivalent (FTE) and non-FTE fellowships for US citizens, permanent residents and international fellows. These applications are essential to the administration of these training programs as they enable OE to determine the eligibility and quality of potential awardees; to assess their potential as future scientists; to determine where mutual research interests exist; and to make decisions regarding which applicants will be proposed and approved for traineeship awards. In each case, completing the application is voluntary, but in order to receive due consideration, the

prospective trainee is encouraged to complete all relevant fields. The information is for internal use to make decisions about prospective fellows and

students that could benefit from the DCEG program. OMB approval is requested for 3 years. There are no costs to respondents

other than their time. The total estimated annualized burden hours are 175 hours.

SUPPLEMENTARY INFORMATION: The National Offshore Safety Advisory Committee is a Federal Advisory Committee established in accordance with the provisions of the Federal Advisory Committee Act (Title 5 U.S.C. Appendix) to advise the Secretary of the Department of Homeland Security on matters and actions concerning activities directly involved with or in support of the exploration of offshore mineral and energy resources insofar as they relate to matters within U.S. Coast Guard jurisdiction.

The Committee normally meets twice a year: Once in March in New Orleans, Louisiana, and then in September in Houston, Texas. Each National Offshore Safety Advisory Committee member serves a term of office up to three (3) years. Members may serve a maximum of two (2) consecutive terms. All members serve at their own expense and receive no salary or reimbursement of travel expenses, or other compensation from the Federal Government.

We will consider applications for the 4 positions listed below that will be vacant on January 31, 2019:

- (a) One member representing companies, organizations, enterprises or

similar entities engaged in offshore operations;

(b) One member representing companies, organizations, enterprises or similar entities providing diving services to the offshore industry;

(c) One member representing companies, organizations, enterprises or similar entities providing subsea engineering, construction or remotely operated vehicle support to the offshore industry; and,

(d) One member of the general public; To be eligible, applicants for positions (a), (b), or (c) should be employed by companies, organizations, enterprises or similar entities associated with the exploration for, and the recovery of oil, gas and other mineral resources on the U.S. Outer Continental Shelf; and have expertise, knowledge and experience regarding the technology, equipment and techniques that are used or are being developed for use in the exploration for, and the recovery of, offshore mineral resources.

If you are selected as a member from the general public you will be appointed and serve as a Special Government Employee as defined in section 202(a) of Title 18 United States Code. As a candidate for appointment as a Special Government Employee, applicants are required to complete Confidential Financial Disclosure Reports (OGE Form 450). The U.S. Coast Guard may not release the reports or the information in them to the public except under an order issued by a Federal court or as otherwise provided under the Privacy Act (5 U.S.C. 552a). Only the Designated U.S. Coast Guard Ethics Official or his or her designee may release a Confidential Financial Disclosure Report. Applicants can obtain this form by going to the website of the Office of Government Ethics (www.oge.gov), or by contacting the individual listed above in **FOR FURTHER INFORMATION CONTACT.**
