

believes that, by ensuring that the Governing Documents accurately identify the registered agent and registered office in Delaware, and by making a conforming change to the date of the NYSE American Operating Agreement, the proposed rule change would reduce potential investor or market participant confusion.

The Exchange believes that amending the NYSE Operating Agreement would remove impediments to the operation of the Exchange by ensuring that its rules remain consistent with the NYSE LLC operating agreement in effect. The Amended NYSE Operating Agreement would be a “rule of the exchange” under Section 3(a)(27) of the Exchange Act.¹⁷ The Exchange notes that, as with the NYSE Operating Agreement, no amendment to the Amended NYSE Operating Agreement could be made without the Exchange filing a proposed rule change with the Commission. For the same reasons, the proposed rule change is also designed to protect investors as well as the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not designed to address any competitive issue but rather is concerned solely with making a technical change updating the registered office and registered agent of the Exchange and NYSE Market (DE), Inc. and ensuring that the Commission will have the ability to enforce the Exchange Act with respect to NYSE Amex Options and its direct and indirect parent entities.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and Rule 19b-4(f)(3)¹⁹ thereunder in that the proposed rule change is concerned solely with the administration of the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Certificate to make a technical change updating the registered office and registered agent in the state of Delaware.

The Exchange is a corporation organized under the laws of the State of Delaware. As such, it is required to have and maintain a registered office and registered agent in Delaware.⁴

Article 2 of the Certificate sets forth 1209 Orange Street in the City of Wilmington, County of New Castle, as the address of the registered office in the State of Delaware, and provides that the name of its registered agent at such address is The Corporation Trust Company. The Exchange proposes to amend the Certificate to identify United Agent Group Inc. as the registered agent, and to provide that the address of the registered office is 3411 Silverside Road, Tatnall Building No. 104, Wilmington, County of New Castle, Delaware 19810.

Pursuant to Delaware law,⁵ the Certificate is amended by filing a "State of Delaware Certificate of Change of Registered Agent and/or Registered Office," as set forth in Exhibit 5 to the proposed rule change.

The change is a non-substantive technical administrative change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁶ in general, and with Section 6(b)(1)⁷ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to

comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposed rule change is a non-substantive administrative change that does not impact the governance or ownership of the Exchange. The Exchange believes that the proposed rule change would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because ensuring that the Certificate identifies the registered agent and registered office in Delaware would contribute to the orderly operation of the Exchange by adding clarity and transparency to its rules and complying with Delaware requirements for corporations to have such agent and office.

For similar reasons, the Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁸ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that market participants can more easily navigate, understand and comply with its rules. The Exchange believes that, by ensuring that such rules accurately identify the registered agent and registered office in Delaware, the proposed rule change would reduce potential investor or market participant confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not designed to address any competitive issue but rather is concerned solely with making a technical change updating the

registered office and registered agent of the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(3)¹⁰ thereunder in that the proposed rule change is concerned solely with the administration of the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

[Release No. 34-82925; File No. SR-NYSEArca-2018-04]

Self-Regulatory Organizations; NYSE National, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Change To Amend the Amended and Restated Certificate of Incorporation

March 22, 2018.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act"),² and Rule 19b-4 thereunder,³ notice is hereby given that, on March 12, 2018, NYSE National, Inc. (the "Exchange" or "NYSE National") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items

have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Amended and Restated Certificate of Incorporation of NYSE National, Inc. (the "Certificate") to make a technical change updating the registered office and registered agent in the state of Delaware. The proposed change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Certificate to make a technical change updating the registered office and registered agent in the state of Delaware.

The Exchange is a corporation organized under the laws of the State of Delaware. As such, it is required to have and maintain a registered office and registered agent in Delaware.⁴

Article Second of the Certificate sets forth 1209 Orange Street, in the City of Wilmington, State of Delaware 19801, County of New Castle, as the address of the initial registered office, and provides that the name of its initial registered agent at that address is The Corporation Trust Company. The Exchange proposes to amend the Certificate to identify United Agent Group Inc. as the registered agent, and to provide that the address of the registered office is 3411 Silverside Road, Tatnall Building No. 104, Wilmington, County of New Castle, Delaware 19810.

Pursuant to Delaware law,⁵ the Certificate is amended by filing a "State of Delaware Certificate of Change of Registered Agent and/or Registered Office," as set forth in Exhibit 5 attached to the proposed rule change.

The change is a non-substantive technical administrative change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁶ in general, and with Section 6(b)(1)⁷ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposed rule change is a non-substantive administrative change that does not impact the governance or ownership of the Exchange. The Exchange believes that the proposed rule change would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because ensuring that the Certificate identifies the registered agent and registered office in Delaware would contribute to the orderly operation of the Exchange by adding clarity and transparency to its rules and complying with Delaware requirements for corporations to have such agent and office.

For similar reasons, the Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁸ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.
