

about providing indemnity for CWD-positive, -exposed, and -suspect animals and describing the relative priority of each factor.

- Clarifying the consequences of poor quality and missing post-mortem surveillance samples on herd status, as well as describing options States may consider as substitutions for these samples.

- Making the Program Standards language consistent with that of the regulations by requiring CWD testing of all mortalities from certified herds, including at slaughter and on hunt facilities when animals remain under the same ownership.

- Streamlining the description of fencing characteristics considered necessary to prevent ingress and egress of cervids for HCP-enrolled herds.

- Eliminating Appendix II: Fencing Requirements and References, and making these scientific references available upon request.

- Moving Part B, Section 5: Sanitary Precautions and Biosecurity Practices for Herd Plans and Depopulations to an appendix, and simplifying recommendations for premises decontamination.

- Updating and streamlining Appendix IV: Guidelines for Environmental Contamination.

- Consolidating the discussion of carcass disposal options in the main body of the Program Standards and deleting Appendix V: Carcass Disposal.

The revised Program Standards may be viewed on the *Regulations.gov* website or in our reading room. (Instructions for accessing *Regulations.gov* and information on the location and hours of the reading room are provided under the heading **ADDRESSES** at the beginning of this notice.) The documents are also available by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**.

After reviewing any comments we receive on the proposed updates, we will publish a second notice in the **Federal Register** announcing our decision regarding the proposed changes.
