SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information that they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of title 44 requires federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

Title: Release of Non-Public Information.

OMB Control No.: 1557–0200.

Abstract: The information collection requirements require individuals who are requesting non-public OCC

information to provide the OCC with information regarding the legal grounds for the request. The release of non-public OCC information to a requester without sufficient legal grounds to obtain the information would inhibit open consultation between a bank and the OCC, thereby impairing the OCC’s supervisory and regulatory mission. The OCC is entitled, under statute and case law, to require requesters to demonstrate that they have sufficient legal grounds for the OCC to release non-public OCC information. The OCC needs to identify the requester’s legal grounds to determine if it should release the requested non-public OCC information.

The information requirements in 12 CFR part 4, subpart C, are as follows:

(1) 12 CFR 4.33: Request for non-public OCC records or testimony.

(2) 12 CFR 4.35(b)(3): Third parties requesting testimony.

(3) 12 CFR 4.37(a)(2): OCC former employee notifying OCC of subpoena.

(4) 12 CFR 4.37(a) and (b): Prohibition on dissemination of released information.

(5) 12 CFR 4.38(a) and (b): Restrictions on dissemination of released information.

(6) 12 CFR 4.39(d): Request for authenticated records or certificate of nonexistence of records.

The OCC uses the information to process requests for non-public OCC information and to determine if sufficient grounds exist for the OCC to release the requested information or provide testimony that would include a discussion of non-public information. This information collection facilitates the processing of requests and expedites the OCC’s release of non-public information and testimony to the requester, as appropriate.

Type of Review: Extension, without change, of a currently approved collection.

Affected Public: Businesses or other for-profit; individuals.

Number of Respondents: 2.

Frequency of Response: On occasion.

Total Annual Burden: 6 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency’s estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

Title: Loans in Areas Having Special Flood Hazards.

OMB Control No.: 1557-0326.

Type of Review: Regular.

Description: This information collection is required to evidence compliance with the requirements of the federal flood insurance statutes with respect to lenders and servicers and set forth in OCC regulations at 12 CFR part 22. These provisions are required by the National Flood Insurance Act of 1968 and the Flood Disaster Protection Act of 1973, as amended.¹ The information

collection requirements in part 22 are as follows:

• *12 CFR 22.5—Escrow*

Requirements—With certain exceptions with respect to types of loans and size of institution, national banks and federal savings associations, and their servicers must escrow flood insurance premiums and fees for all loans secured by properties located in a Special Flood Hazard Area made, increased, extended, or renewed on or after January 1, 2016. Written notice must be provided informing the borrower that the institution is required to escrow all premiums and fees for required flood insurance.

• *12 CFR 22.6—Required Use of Standard Flood Hazard Determination Form*—A national bank or federal savings association must use the Standard Flood Hazard Determination Form developed by FEMA.

• *12 CFR 22.6(b)—Retention of Standard Flood Hazard Determination Form*—A national bank or federal savings association must retain a copy of the completed Standard Flood Hazard Determination Form for the period of time the bank or savings association owns the loan.

• *12 CFR 22.7—Notice of Forced Placement of Flood Insurance*—If a national bank, federal savings association, or its loan servicer determines during the period of time the bank or savings association owns the loan that the property securing the loan is not covered by adequate flood insurance, the national bank, federal savings association, or its loan servicer must notify the borrower that the borrower should obtain adequate flood insurance coverage (forced placement notice). The forced placement notice informs the borrower of the amount of flood insurance to purchase. If the borrower fails to purchase insurance, the bank, savings association, or its servicer must purchase insurance on the borrower's behalf and may charge the borrower for the premiums and fees. The insurance provider must be notified to terminate any insurance purchased by an institution or servicer within 30 days of receipt of confirmation of a borrower's existing flood insurance coverage.

• *12 CFR 22.9—Notice to Borrower and Servicer*—A national bank or federal savings association making, extending, increasing, or renewing a loan secured by property located in a special flood hazard area must provide a notice to the borrower and loan servicer (borrower notice). The borrower notice advises the borrower that the property securing the loan is located in a special flood hazard area and that

flood insurance on the property securing the loan is required. Among other things, it includes a description of the flood insurance purchase requirements; and states that flood insurance is available under the National Flood Insurance Program, where applicable, that flood insurance may be available from private insurance companies, and that federal disaster relief assistance may be available in the event of a declared federal flood disaster.

• *12 CFR 22.9(d) and (e)—Record of Borrower and Servicer Receipt of Notice and Alternate Method of Notice*—A national bank or federal savings association must retain a record of the receipt of the borrower notice by the borrower and the loan servicer for the period of time the bank or savings association owns the loan. In lieu of providing the borrower notice, a national bank or federal savings association may obtain a satisfactory written assurance from a seller or lessor that, within a reasonable time before completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The bank or savings association must retain a record of the written assurance from the seller or lessor for the period of time the bank or savings association owns the loan.

• *12 CFR 22.10—Notices to FEMA*—A national bank or federal savings association making, increasing, extending, renewing, selling, or transferring a loan secured by property located in a special flood hazard area must notify the Administrator of FEMA (or FEMA's designee) of the identity of the loan servicer (notice of servicer) and must notify the Administrator of FEMA of any change in the loan servicer (notice of servicer transfer) within 60 days of such change.
