

revise its Credit Default Swap (“CDS”) Clearing Stress Testing Policy (“Stress Testing Policy”) to, among other things, re-categorize certain CDS stress testing scenarios, address specific wrong way risk, introduce new forward looking credit event scenarios, and make certain enhancements and clarifications (File No. SR-ICEEU-2018-001). The proposed rule change was published for comment in the **Federal Register** on February 16, 2018.³ To date, the Commission has not received comments on the proposed rule change.

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period, up to 90 days, as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day from the publication of notice of filing of this proposed rule change is April 2, 2018.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. ICE Clear Europe proposes to revise its Stress Testing Policy to re-categorize existing CDS stress testing scenarios, add provisions to address specific wrong way risk, introduce new forward looking credit event scenarios, and make certain enhancements and clarifications. The Commission finds it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider ICE Clear Europe’s proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵ designates May 17, 2018 as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR-ICEEU-2018-001).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82982; File No. SR-NASDAQ-2018-026]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify That the Validea Market Legends ETF Will Be Passively-Managed Rather Than Actively-Managed

April 2, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 2, 2018, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes that shares (“Shares”) of the Validea Market Legends ETF (“Fund”) will no longer be listed and traded as an actively-managed exchange-traded fund (“ETF”) in accordance with the SEC’s approval order (“Order”),³ but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b).

The text of the proposed rule change is available on the Exchange’s website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of

the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq proposes that the Shares of the Fund will no longer be listed and traded as an actively-managed ETF in accordance with the Order, but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b). Nasdaq represents and confirms that the Fund meets such generics [sic]

The impetus for the change is that the Fund will begin tracking an index and thus no longer be actively-managed. There are no other changes being proposed to be made to the Fund.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

Nasdaq believes that this proposed rule change will help to inform and to protect investors and the public interest through disclosing that the Fund will no longer be actively managed, but instead passively-managed through the tracking of an index.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the Fund will no longer be listed and traded in accordance with the Order,⁶ but will instead operate under the generics for passively-managed ETFs set forth under Nasdaq Rule 5705(b). The Exchange does not intend for or expect that such change will have any impact on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

⁵ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Commission notes that the proposed rule change provides that the Fund will no longer be listed and traded in accordance with the Order, but will instead be listed and traded in accordance with the generic listing standards under Nasdaq Rule 5705(b), which include the initial and continued listing standards for Index Fund Shares.¹¹ Waiver of the operative delay would allow the Fund to begin to operate under such generic listing standards without delay. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
