the Outer Continental Shelf (OCS) in the
New York Bight, and to develop one or
more projects, if approved, after further

environmental review. Although this
announcement is not itself a leasing
announcement, the areas described
herein, or portions thereof, may be
available for future leasing. BOEM will
use responses to this Call for
Information and Nominations
(hereinafter referred to as “Call” or
“notice”) to gauge specific interest in
acquiring commercial wind leases in
some or all of the Call Areas, as required
by law. Parties wishing to submit a
nomination in response to this Call
should submit detailed and specific
information in response to the
requirements described in the section
entitled, “Required Nomination

This announcement also requests
comments and information from
interested and affected parties about site

Areas that would be relevant to BOEM’s
review of any nominations submitted
and/or to BOEM’s possible subsequent
decision to offer all or part of the Call
Areas for commercial wind leasing. The
information that BOEM is requesting is
described in the section of this Call
entitled, “Requested Information from
Interested or Affected Parties.”

DATES: BOEM must receive nominations
describing your interest in one or more,
or any portion of, the Call Areas, by a
postmarked date of May 29, 2018 for
your nomination to be considered.
BOEM requests comments or
submissions of information to be
postmarked or delivered by this same
date. BOEM will consider only those
nominations received that conform to
this requirement.
