DATES: Comments are due within 30 days of the date of the publication of this notice in the **Federal Register**. Written comments can be provided to Ms. Cayla D. Morgan, Environmental Protection Specialist, Seattle Airports District Office, 2200 216th Street, Des Moines, WA 98198.

FOR FURTHER INFORMATION CONTACT: Mr. David M. Ryan, Airport Director, City of Arlington, 18204 59th Avenue NE, Arlington, WA, 98223; or Ms. Cayla D. Morgan, Environmental Protection Specialist, Seattle Airports District Office, 2200 S 216th Street, Des Moines, 98198, (206) 231–4130. Documents reflecting this FAA action may be reviewed at the above locations.

SUPPLEMENTARY INFORMATION:

Under the provisions of Title 49, U.S.C. 47153(c), and 47107(h)(2), the FAA is considering a proposal from the Airport Director, City of Arlington, to change a portion of the Arlington Municipal Airport from aeronautical use to non-aeronautical use. The proposal consists of approximately 52,000 square feet on the west side of the airport adjacent to 51st Avenue, Northeast.

The property consists of two oddly shaped triangular section of land that are not large enough to support construction of an aircraft hangar or ramp. It is currently an unused parking area. The airport is proposing an Airport Observation Area for aviation educational purposes. The airport will continue to own the property so there will be no proceeds associated with this release from a land use provision. The FAA concurs that the parcels are no longer needed for aeronautical purposes. The proposed use of this property is compatible with other airport operations in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in **Federal Register** on February 16, 1999.

Issued in Des Moines, Washington, on April 5, 2018.

Mat Wilder,

Acting Manager, Seattle Airports District Office.

National Park Service

List of Units of the National Park System Exempt From the Provisions of the National Parks Air Tour Management Act

AGENCY: Federal Aviation Administration, Transportation; National Park Service, Interior.

ACTION: List of exempt parks.

SUMMARY: The National Parks Air Tour Management Act (NPATMA) requires the Federal Aviation Administration (FAA) and National Park Service (NPS) to develop an air tour management plan for units of the national park system where an operator has applied for authority to conduct commercial air tours. The FAA Modernization and Reform Act of 2012 amended various provisions of NPATMA. One provision exempted national park units with 50 or

fewer annual flights from the requirement to prepare an air tour management plan or voluntary agreement and requires FAA and NPS to jointly publish a list of exempt parks. By **Federal Register** notice, FAA and NPS published an initial list of exempt parks in 2012 and subsequent lists for 2013 through 2015. This notice provides the annual updated list of parks that are exempt.

2. This **Federal Register** Notice addresses the following 2012 Act amendment provisions (which are codified at 49 U.S.C. 40128(a)(5)):

a. Exempt national park units that have 50 or fewer commercial air tour operations each year from the requirement to prepare an air tour management plan or voluntary agreement.

b. Authorize NPS to withdraw the exemption if the Director determines that an air tour management plan or voluntary agreement is necessary to protect resources and values or visitor use and enjoyment.

c. Require FAA and NPS to publish a list each year of national parks covered by the exemption.
