

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Health Resources and Services Administration

#### National Advisory Council on Migrant Health

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

**ACTION:** Notice of meeting.

**SUMMARY:** In accordance with the Federal Advisory Committee Act, notice is hereby given that a National Advisory Council on Migrant Health (NACMH) meeting has been scheduled. This meeting will be open to the public. The agenda for the NACMH meeting can be obtained by contacting the Designated Federal Officer (DFO) or accessing the NACMH website: <https://bphc.hrsa.gov/qualityimprovement/strategicpartnerships/nacmh/index.html>.

**DATES:** The meeting will be held on May 8, 2018, 8:30 a.m.–5:30 p.m., and May 9, 2018, 9:30 a.m.–5:30 p.m.

**ADDRESSES:** The address for the meeting is Holiday Inn Downtown Yakima, 802 East Yakima Ave., Yakima, WA 98901. Phone Number: 509–494–7000.

**FOR FURTHER INFORMATION CONTACT:** All requests for information regarding the NACMH should be sent to Esther Paul, DFO, NACMH, HRSA, in one of three ways: (1) Send a request to the following address: Esther Paul, Office of Policy and Program Development, Bureau of Primary Health Care, HRSA, 5600 Fishers Lane, 16N38B, Rockville, Maryland 20857; (2) call (301) 594–4300; or (3) send an email to [epaul@hrsa.gov](mailto:epaul@hrsa.gov).

**SUPPLEMENTARY INFORMATION:** The NACMH is a non-discretionary advisory body mandated by the Public Health Service Act (PHSA), Title 42 U.S.C. 218, to advise, consult with, and make recommendations to the Secretary of HHS and the Administrator of HRSA regarding the organization, operation, selection, and funding of migrant health centers and other entities funded under section 330(g) of the PHSA (42 U.S.C. 254b). The Charter requires NACMH to meet at least twice per year to discuss services and issues related to the health of migrant and seasonal agricultural workers and their families and to formulate their recommendations to the HHS Secretary and HRSA Administrator.

*Agenda:* The agenda includes an overview of NACMH's general business activities. NACMH will also hear presentations from a Federal official and

experts on issues facing agricultural workers, including the status of agricultural worker health at the local and national levels. Topics addressed at this meeting include:

I. Migrant and Seasonal Agricultural Worker Regional Health Issues/Trends; and

II. Occupational and Environmental Hazards and Injuries Impacting Migrant and Seasonal Agricultural Worker Health.

In addition, NACMH will hold a session where migratory and seasonal agricultural workers will comment on matters affecting the health of migratory and seasonal agricultural workers. This session is scheduled for Tuesday, May 8, 2018, from 1:30 p.m. to 5:00 p.m. at the Holiday Inn Downtown Yakima, Yakima, WA. Agenda items are subject to change as priorities dictate.

Members of the public will not be able to provide oral comments during the meeting. Written questions or comments for the NACMH may be sent to the DFO by April 24, 2018, using the address and phone number provided above. Individuals who plan to attend the meeting and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the DFO at least 10 days prior to the meeting.

Dated: April 6, 2018.

**Lori Roche,**

*Acting Deputy Director, Division of the Executive Secretariat.*

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Office of the Secretary

#### Findings of Research Misconduct

**AGENCY:** Office of the Secretary, HHS.

**ACTION:** Notice.

**SUMMARY:** Findings of research misconduct have been made on the part of Brandi M. Baughman, Ph.D., postdoctoral fellow in the Center for Integrative Chemical Biology and Drug Discovery, Division of Chemical Biology and Medicinal Chemistry, University of North Carolina at Chapel Hill (UNC). Dr. Baughman engaged in research misconduct in research supported by National Institute of General Medical Sciences (NIGMS), National Institutes of Health (NIH), grant R01 GM100919. The administrative actions, including debarment for a period of two (2) years, were implemented beginning on March 19, 2018, and are detailed below.

#### FOR FURTHER INFORMATION CONTACT:

Wanda K. Jones, Dr. P.H., Interim Director, Office of Research Integrity, 1101 Wootton Parkway, Suite 750, Rockville, MD 20852, (240) 453–8200.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that the Office of Research Integrity (ORI) has taken final action in the following case:

*Brandi M. Baughman, Ph.D., University of North Carolina at Chapel Hill:* Based on an assessment conducted by UNC, Respondent's admission, and analysis conducted by ORI in its oversight review, ORI found that Dr. Baughman, postdoctoral fellow in the Center for Integrative Chemical Biology and Drug Discovery, Division of Chemical Biology and Medicinal Chemistry, UNC, engaged in research misconduct in research supported by NIGMS, NIH, grant R01 GM100919. A previous notice of research misconduct findings based on Respondent's prior admission (*Fed. Reg.* 82(117):28078–28079, 2017 July 20) included eleven (11) figures in *PLoS One* 11(10):e0164378, 2016 in research supported by the National Institute of Environmental and Health Sciences (NIEHS), NIH, and the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), NIH. The Respondent has signed a statement confirming that she committed no additional instances of data manipulation.

ORI found that Respondent engaged in research misconduct by falsifying data that were included in the first submission of a manuscript to *ACS Chem. Biol.* (hereafter referred to as the "Manuscript") and in the final published version: Baughman, B.M., Pattenden, S.G., Norris, J.L., James, L.I., & Frye, S.V. "The L3MBTL3 methyl-lysine reader domain functions as a dimer." *ACS Chem. Biol.* 11:722–728, 2016 (hereafter referred to as "ACS 2016"). The paper was retracted in: *ACS Chem. Biol.* 13(1):281, 2018 Jan 19.

Respondent falsely reused and relabeled 14 individual Western blot images from an unrelated experiment conducted in September 2013 showing pulldown with biotin-UNC1215 using 0401 and HeLa overexpressed FL L3MBTL3 lysates (hereafter referred to as the "9/13 experiment") to falsely represent Western blot analysis of GFP.Flag co-IP experiments in GFP–WT lysates in Figure 3 of the Manuscript and a supplementary analysis of co-IPs with FullL–D274A in Figure 6 of *ACS* 2016. Specifically, Respondent used Western blot band images from:

- Lanes 3 and 4 (GFP input and GFP Bn-1215 IP; 9/13 experiment) to represent:
